He also went by Rags the Indian Poet, Mrs Gerbers, Stanley the Welsh Nationalist – and 24 other names. He tricked Hitler over D-Day. He was the greatest double agent in history. He tells of Pujol's early life in Spain, his determination to fight totalitarianism and his strange journey from German spy to MI5. Working for the British, whom he saw as the exemplars of freedom and democracy, he created a bizarre fictional network of spies – 29 of them – that misled the entire German high command, including Hitler himself. Above all, in Operation Fortitude he diverted German Panzer divisions away from Normandy, playing a crucial role in safeguarding D-Day and ending the war, and securing his reputation as the most successful double agent of the war.
