This Is A New Release Of The
Original 1910 Edition.
The Apocalypse David C
Cook

Written by an L. A. County
homicide detective and
former atheist, Cold-Case
Christianity examines the
claims of the New
Testament using the skills
and strategies of a hard-to-
convince criminal
investigator. Christianity
could be defined as a
“cold case”: it makes a
claim about an event from
the distant past for which
there is little forensic

evidence. In *Cold-Case Christianity*, J. Warner Wallace uses his nationally recognized skills as a homicide detective to look at the evidence and eyewitnesses behind Christian beliefs. Including gripping stories from his career and the visual techniques he developed in the courtroom, Wallace uses illustration to examine the powerful evidence that validates the claims of Christianity. A unique apologetic that speaks to readers' intense interest in detective stories, *Cold-Case Christianity* inspires readers to have confidence in Christ as it prepares them to articulate the case for Christianity.

James Maxey

Cherries John Podlaski
The Starless Crown Dorrance Publishing
Accomplished historical author James Reston, Jr., presents the enthralling saga of how the Christian kingdoms converted, conquered, and slaughtered their way to dominance in Europe as the year 1000 approached. Through Reston's brilliant narrative and engaging portraits of the unforgettable historical characters who embodied the struggle for the soul of Europe, students are introduced to a pivotal period in history during which an old order was crumbling, and terrifying, confusing new ideas were gaining hold in the populace. From the righteous fury of the Viking queen Sigrid the Strong-Minded, who burned unwanted suitors alive; to the brilliant but too-cunning Moor, al-Mansur the Illustrious Victor; to the aptly named English king Ethelred the Unready; to the abiding genius of the age, Pope Sylvester II—warrior kings and concubine empresses, maniacal warriors and religious zealots bring this stirring period to

life.

Cherries Cherries

The Visio Pauli and the Gnostic Apocalypse of Paul is the first modern collection of studies on the most important aspects of the Visio Pauli, the most popular early Christian apocalypse in the Middle Ages. The volume starts with a short study of the textual traditions of the Visio Pauli, its Jewish and early Christian traditions as well as its influence on later literature, such as Dante. This is followed by studies of the Prologue, the four rivers of Eden, the place of the Ocean, the relation between body and soul, the image of hell and its punishments, and the connection with fantastic literature. Finally, a

codicological, comparative, and textual re-evaluation of the Coptic translation attempts to correct earlier errors and to rehabilitate the value and interest of this long neglected version of the Visio Pauli. The book is concluded with a study of the earthly tribunal in the fourth heaven of the Gnostic Apocalypse of Paul. As has become customary, the volume is rounded off by an extensive bibliography of the Visio Pauli and the Gnostic Apocalypse of Paul and a detailed index.

"The author's style is superb. Few suspense novels are this successful and this well written." - Los Angeles Times. Ben

Chase is a war hero with bitter memories. His experiences in Vietnam have taken their toll and left him with a mental breakdown, a hard drinking habit, and massive guilt. So who will believe him when he swears a psychopath is out to get him? When society is turned upside down, the mad seem less mad, the persecution is a killer's game ...

Stolen Identity

Lulu.com

Jesus and the Manuscripts, by popular author and Bible scholar Craig A. Evans, introduces readers to the diversity and complexity of the ancient literature that records the words

and deeds of Jesus. This diverse literature includes the familiar Gospels of the New Testament, the much less familiar literature of the Rabbis and of the Qur'an, and the extracanonical narratives and brief snippets of material found in fragments and inscriptions. This book critically analyzes important texts and quotations in their original languages and engages the current scholarly discussion. Evans argues that the Gospel of Thomas is not early or independent of the

New Testament Gospels but that it should be dated to the late second century. He also argues that Secret Mark, like the recently published Gospel of Jesus' Wife, is probably a modern forgery. Of special interest is the question of how long the autographs of New Testament writings remained in circulation. Evans argues that the evidence suggests that most of these autographs remained available for copying and study for more than one hundred years and thus stabilized the text. Key points and

features: Written by popular author and Bible scholar Craig A. Revelation David C Cook
The Word Biblical Commentary delivers the best in biblical scholarship, from the leading scholars of our day who share a commitment to Scripture as divine revelation. This series emphasizes a thorough analysis of textual, linguistic, structural, and theological evidence. The result is judicious and balanced insight into the

meanings of the text in the framework of biblical theology. These widely acclaimed commentaries serve as exceptional resources for the professional theologian and instructor, the seminary or university student, the working minister, and everyone concerned with building theological understanding from a solid base of biblical scholarship. Overview of Commentary Organization Introduction—covers issues pertaining

to the whole book, including context, date, authorship, composition, interpretive issues, purpose, and theology. Each section of the commentary includes: Pericope Bibliography—a helpful resource containing the most important works that pertain to each particular pericope. Translation—the author’s own translation of the biblical text, reflecting the end result of exegesis and attending to Hebrew and Greek idiomatic usage of words, phrases, and tenses, yet in

reasonably good English. Notes—the author’s notes to the translation that address any textual variants, grammatical forms, syntactical constructions, basic meanings of words, and problems of translation. Form/Structure/Setting—a discussion of redaction, genre, sources, and tradition as they concern the origin of the pericope, its canonical form, and its relation to the biblical and extra-biblical contexts in order to illuminate the structure and character of the pericope.

Rhetorical or compositional features important to understanding the passage are also introduced here. Comment-verse-by-verse interpretation of the text and dialogue with other interpreters, engaging with current opinion and scholarly research. Explanation-brings together all the results of the discussion in previous sections to expose the meaning and intention of the text at several levels: (1) within the context of the book itself; (2) its meaning in the

OT or NT; (3) its place in the entire canon; (4) theological relevance to broader OT or NT issues. General Bibliography-occurring at the end of each volume, this extensive bibliography contains all sources used anywhere in the commentary. *The Late Great Planet Earth* Zondervan Academic The impact of *The Late Great Planet Earth* cannot be overstated. The New York Times called it the "no. 1 non-fiction bestseller of the decade." For Christians and non-Christians of the 1970s, Hal Lindsey's

blockbuster served as a wake-up call on events soon to come and events already unfolding -- all leading up to the greatest event of all: the return of Jesus Christ. The years since have confirmed Lindsey's insights into what biblical prophecy says about the times we live in. Whether you're a church-going believer or someone who wouldn't darken the door of a Christian institution, the Bible has much to tell you about the imminent future of this planet. In the midst of an out-of-control generation, it reveals a grand design that's unfolding exactly

according to plan. The rebirth of Israel. The threat of war in the Middle East. An increase in natural catastrophes. The revival of Satanism and witchcraft. These and other signs, foreseen by prophets from Moses to Jesus, portend the coming of an antichrist . . . of a war which will bring humanity to the brink of destruction . . . and of incredible deliverance for a desperate, dying planet.

The Secret Book of Revelation

Zondervan

This book is the first comprehensive study on the picture and use of

the figure of Mary Magdalene in those second and third century Coptic and Greek Gnostic texts in which Jesus' most famous female follower gains a prominent position.

Jesus and the

Manuscripts Lulu.com

The final book of the Bible, Revelation prophesies the ultimate judgement of mankind in a series of allegorical visions, grisly images and numerological predictions. According to these, empires will fall, the "Beast" will be destroyed and Christ will rule a new Jerusalem. With an introduction by Will Self.

The Nag Hammadi Library in English

Westminster John Knox Press

In his newest work, Jones confronts the Gnostic idea of Jesus, and contrasts it with the true, biblical person of Jesus.

Through this treatise, author Peter Jones shows readers that Our Savior can be personally known.

Kick at the Darkness Bloomsbury Publishing USA

From James DeMonaco, the writer/director of *The Purge* film franchise, comes the provocative and terrifying last stand of a lone outpost of women in the wake of a deadly pandemic.

Allie Hilts was still in high school when a fire at a top-secret

research facility released an air-borne pathogen that quickly spread to every male on the planet, killing most. Allie witnessed every man she ever knew be consumed by fearsome symptoms: scorching fevers and internal bleeding, madness and uncontrollable violence. The world crumbled around her. No man was spared, and the few survivors were irrevocably changed. They became disturbingly strong, aggressive, and ferocious. Feral. Three years later, Allie has joined a group of

hardened survivors in an isolated, walled-in encampment. Outside the guarded walls the ferals roam free, and hunt. Allie has been noticing troubling patterns in the ferals' movements, and a disturbing number of new faces in the wild. Something catastrophic is brewing on the horizon, and time is running out. The ferals are coming, and there is no stopping them. With Feral, writer/director James DeMonaco and acclaimed novelist Brian Evenson have created a

challenging and entertaining novel of timely horror and exhilarating suspense.

The Brother of Jesus and the Lost Teachings of Christianity Keira Andrews

In December 1945, two Egyptian fellahin, digging for natural fertilizer in the Nile River valley unearthed a sealed storage jar. The jar proved to hold treasure of an unexpected sort: a collection of some fifty-two ancient manuscripts, most of which reflect the teachings of a mystical religious movement we call Gnosticism (from the Greek word gnosis, "knowledge"). The texts are also, with few exceptions, Christian documents, and thus they provide

us with valuable new information about the character of the early church, and about the Gnostic Christians within the church. In this volume, Marvin W. Meyer has produced a new English translation for general readers of four of the most important and revealing of these early Christian texts -- the Secret Book of James, the Gospel of Thomas, the Book of Thomas, and the Secret Book of John.

Apocalypse 1 Orbit Reveals the true role of James, the brother of Jesus, in early Christianity • Uses evidence from the canonical Gospels, apocryphal texts, and the writings of the Church Fathers to reveal the teachings of Jesus as transmitted to his

chosen successor: James James, not Peter, who

- Demonstrates how the core message in the teachings of Jesus is an expansion not a repudiation of the Jewish religion • Shows how James can serve as a bridge between Christianity, Judaism, and Islam James has been a subject of controversy since the founding of the Church. Evidence that Jesus had siblings contradicts Church dogma on the virgin birth, and James is also a symbol of Christian teachings that have been obscured. While Peter is traditionally thought of as the leader of the apostles and the "rock" on which Jesus built his church, Jeffrey Bütz shows that it was James who led the disciples after the crucifixion. It was

guided them through the Church's first major theological crisis--Paul's interpretation of the teachings of Jesus. Using the canonical Gospels, writings of the Church Fathers, and apocryphal texts, Bütz argues that James is the most overlooked figure in the history of the Church. He shows how the core teachings of Jesus are firmly rooted in Hebraic tradition; reveals the bitter battles between James and Paul for ideological supremacy in the early Church; and explains how Paul's interpretations, which became the foundation of the Church, are in many ways its betrayal. Bütz reveals a picture of Christianity and the

true meaning of Christ's message that are sometimes at odds with established Christian doctrine and concludes that James can serve as a desperately needed missing link between Christianity, Judaism, and Islam to heal the wounds of centuries of enmity.

The Oxford Handbook of Early Christian Apocrypha

John Podlaski

Eric Riordan was once a wealthy man leading a comfortable, easy life. Until one day Gabriel--his oldest friend, a Marine Corps veteran, and a former mercenary--told him how the world was going to end. He did his best to prepare. He thought he was

ready for anything.

He was wrong. As the dead rise up to devour the living, one man finds himself struggling to survive in the ruins of a shattered world.

Alone, isolated, and facing starvation, his only chance is to flee to the

Appalachians and join forces with Gabriel.

But the journey will not be easy, and along the way his humanity, his will to live, and his very soul will be tested.

This is the beginning. This is his story.

Chase Chronicles of the Apocalypse

Marvin Meyer is one of the leading experts on the secret gospels-

Gospel of Thomas, in the Gospel of Secret Gospel of Mark, abandoning Mark, and others- his garment and who has changed fleeing naked when forever how we read apprehended during the canonical Jesus' arrest. A gospels and similar youth understand early appears in the Christianity. In Secret Gospel of this new collection Mark. These youths, of his work, Meyer Meyer proposes, looks at these serve as an image revolutionary texts of religious in original and initiation, illuminating ways. candidates for the He writes, for mysteries of example, about the Dionysus or of naked youths in the Christ. This is one villa of the of the many aspects Mysteries. On the of the secret walls of a villa in gospels that Meyer Pompeii, a famous examines with mural depicts a expert insight and naked male reading creativity. Topics from a scroll, a range from gender look of wonder on and infancy stories his face. A naked to discipleship and youth again appears the relationship of

the Gospel of Thomas to Islamic literature. Meyer's spellbinding readings of these materials offer fresh understandings of the canonical gospels. Marvin Meyer is Griset Professor of Bible and Christian Studies, and Director of the Albert Schweitzer Institute at Chapman University, Orange, California. He is author of *The Secret Teachings of Jesus: Four Gnostic Gospels* and *The Gospel of Thomas: The Hidden Sayings of Jesus*, and co-editor of *Jesus Then and Now*

(Trinity Press International). *The Visio Pauli and the Gnostic Apocalypse of Paul* Zondervan
Often used by scholars is the term *pseudepigrapha*, or "falsely inscribed" or "falsely attributed", in the sense that the writings were written by an anonymous author who appended the name of an apostle to his work, such as in the Gospel of Peter or The Ethiopic *Apocalypse of Enoch*: almost all books, in both Old and New Testaments, called "apocrypha" in the Protestant tradition are *pseudepigrapha*. In the Catholic and Orthodox traditions,
