Ripper Suspect St. Martin's Griffin

I've made a lot of mistakes, but you can't be one of them...Dear Graham, After crossing too many lines for my self-respect, I made a promise to myself: no hookups, no sexts, no dating. For sixty days.But I didn't count on meeting you.Who knew a smart, cardigan-wearing geek would be such temptation? You're all wrong for me, except you're also kind of exactly right.So how do I keep my promise not to seduce the cute librarian and still get the perfect guy?Maybe you know, because I don't...Already yours, Ollie

Last Night a DJ Saved My Life City Edition

Richard Blade’s autobiography is much more than a spotlight on any one decade. Instead, he gives you a jaw-dropping, uncensored insider’s look into the world of music, movies, and television and its biggest stars, starting in the sixties and continuing through to the new century. Richard takes you on a journey that few have experienced: from his early days as a student at Oxford to the wild, lascivious nights of being a disco DJ touring the clubs of Europe, to coming to America and working with Michael Jackson, Barbra Streisand, and Sarah Jessica Parker and finally breaking through into the L.A. radio scene and becoming the number one morning drive personality in California. From his TV and radio shows to his feature films and live gigs, Richard shares stories that have until now remained secret. His unique perspective will take you on the road with Depeche Mode, to Australia with Spandau Ballet, into the recording studio with Morrissey, and onto the main stage at Live Aid with Duran Duran. He opens up about his friendships with Michael Hutchence and George Michael, as well as his passionate love affair with Terri Nunn of Berlin. This is a no-holds-barred look at life, sex, and death, set to a pulsing backbeat of music. For the first time, Richard Blade shares his extraordinary story, allowing us to see the world through his eyes.

From Ibiza to the Norfolk Broads Penguin

Tim – The Official Biography of Avicii John Wiley & Sons

“ This engaging romp will be a great way to initiate conversations about diversity, tolerance, and acceptance. ” —Booklist (starred review) In the spirit of favorites like *Stick & Stone* and *Spoon* this warmhearted and hilarious picture book tells the story of a highly unusual group of friends and is stunningly illustrated by Samantha Cotterill. Meet Hudson, a hippo. Fran, an earthworm. And Jean, a lightbulb. They have one thing in common: a profound appreciation for rhinos. So, they form a Secret Rhino Appreciation Society, in which a key activity it wearing paper horns. (Sometimes this results in a fire. That ’ s what happens when a lightbulb wears a paper horn.) But when they meet their first real, live rhino and ask her to do rhino-y things, she doesn ’ t want to charge or snort—she ’ s a gardener! She is not what the society expected, but can they learn to appreciate her for who she is? This funny, character-driven story explores themes of friendship, expectations, and prejudice.

The Secret Apartment Velocity Press

Peace, Love, Unity, and Respect. Cultural liberation and musical innovation. Pyrotechnics, bottle service, bass drops, and molly. Electronic dance music has been a vital force for more than three decades now, and has undergone transformation upon transformation as it has taken over the world. In this searching, lyrical account of dance music culture worldwide, Matthew Collin takes stock of its highest highs and lowest lows across its global trajectory. Through firsthand reportage and interviews with clubbers and DJs, Collin documents the itinerant musical form from its underground beginnings in New York, Chicago, and Detroit in the 1980s, to its explosions in Ibiza and Berlin, to today ’ s mainstream music scenes in new frontiers like Las Vegas, Shanghai, and Dubai. Collin shows how its dizzying array of genres—from house, techno, and garage to drum and bass, dubstep, and psytrance—have given voice to locally specific struggles. For so many people in so many different places, electronic dance music has been caught up in the search for free cultural space: forming the soundtrack to liberation for South African youth after Apartheid; inspiring a psychedelic party culture in Israel; offering fleeting escape from—and at times into—corporatization in China; and even undergirding a veritable “ independent republic ” in a politically contested slice of the former Soviet Union. Full of admiration for the possibilities the music has opened up all over the world, Collin also unflinchingly probes where this utopianism has fallen short, whether the culture maintains its liberating possibilities today, and where it might go in the future.

The secret DJ Crown Archetype

"A pure delight." — — BookPage (starred review) "Charming, escapist fun." — — Katharine McGee, New York Times bestselling author of *American Royals* Matrimony meets mayhem in Katy Birchall's *The Secret Bridesmaid*, a modern British romcom about a young woman charged with pulling off the biggest aristocratic wedding of the year — and the misadventures that ensue. Sophie Breeze is a brilliant bridesmaid. So brilliant, in fact, that she ’ s made it her full-time job. As a professional bridesmaid, Sophie is hired by London brides to be their right-hand woman, posing as a friend but

working behind the scenes to help plan the perfect wedding and ensure their big day goes off without a hitch. When she ’ s hired by Lady Victoria Swann — — a former model and “ It Girl" of 1970 ’ s London; now the Marchioness of Meade — — for the society wedding of the year, it should be a chance for Sophie to prove just how talented she is. Of course, it ’ s not ideal that the bride, Lady Victoria ’ s daughter, Cordelia, is an absolute diva and determined to make Sophie ’ s life a nightmare. It ’ s also a bit inconvenient that Sophie finds herself drawn to Cordelia ’ s posh older brother, who is absolutely off limits. But when a rival society wedding is announced for the very same day, things start to get...well, complicated. Can Sophie pull off the biggest challenge of her career — — execute a high-profile gala for four hundred and fifty guests in record time, win over a reluctant bride, and catch the eye of handsome Lord Swann — — all while keeping her true identity a secret, and her dignity intact? Heartwarming and hilarious, Katy Birchall's *The Secret Bridesmaid* celebrates the joys (and foibles) of weddings, the nuances of female friendship, and the redeeming power of love in its many unexpected forms.

The Stories of Breece D'j Pancake Sphere

You deserve all the kisses you want ...Benji, I want you to know how amazing you are. You won't believe me, because I'm just your brother's best friend, but it's true. Each day my feelings for you grow, confusing but undeniable.With a few anonymous love tokens, I finally have an outlet for all the things I can't say. And with each gift and note, you smile. For me. Not your brother's straight friend, but something new. Something more. Something that will change everything if we can both find the courage to believe.All I have to do is confess who I really am: Your Secret Admirer

Oh yes, oh yes! Open Road + Grove/Atlantic

Being a super hero isn't as easy as it looks. Jack King is about to discover the secret lair of 'Hero By Night', Steel City's super hero who mysteriously vanished in the 1950's. Will he sell off his new-found treasure, or will destiny lead him to become the next 'Hero By Night'?

The Secret DJ Houghton Mifflin Harcourt

Who Say Reload is a knockout oral history of the records that defined jungle/drum & bass straight from the original sources. The likes of Goldie, DJ Hype, Roni Size, Andy C, 4hero and many more talk about the influences, environment, equipment, samples, beats and surprises that went into making each classic record. This is the story of music forged from raw breakbeats and basslines that soundtracked a culture of all-night raves, specialist record shops and pirate radio stations. It's the story of young producers embracing and re-appropriating new technology, trying to best their peers and create something that would have hundreds of people screaming for a rewind on Saturday night. Photography is provided by Eddie Otchere who has an extensive archive of images from the period in question, having been the photographer at Goldie's seminal Metalheadz nights. His previously unseen visuals capture the essence of the music in a way that only someone who was fully immersed in the culture at the time could, and are the perfect accompaniment to the story being told. Insightful and compelling, Who Say Reload takes you back to the golden age of jungle/drum & bass with the greatest artists of the nineties. This is the book that belongs on the stacks next to your wax.

Remote Velocity Press

The intimate biography of the iconic DJ who was lost too soon. Like a firework against the night sky, the DJ and producer Tim Bergling exploded onto the music scene. A musical visionary who, through his sense for melodies, came to define the era when Swedish and European house music took over the world. But Tim Bergling was also an introverted and fragile young man who was forced to grow up at an inhumanly fast pace. After a series of emergencies resulting in hospital stays, he stopped touring in the summer of 2016. Barely two years later, he took his own life. Tim - The Biography of Avicii is written by the award-winning journalist M å ns Mosesson, who was given unique access to Tim's own notes, as well as interviews with Tim's family, friends and colleagues in the music business. The book paints an honest picture of Tim and his search in life, not shying from the difficulties that he struggled with.

Secrets of Dance Music Production Simon and Schuster

A new edition of this classic illustrated history of the operations and operatives of MACV-SOG in the Vietnam War. In 1972 the U.S. military destroyed all known photos of the top-secret Studies and Observations Group, with the intention that details could never be made public. But unknown to those in charge, SOG veterans had brought back with them hundreds of photographs of SOG in action and would keep them secret for more than three decades. In this new edition of SOG: A Photo History, more than 700 irreplaceable photos bring to life the stories of SOG legends Larry Thorne, Bob Howard, Dick Meadows, George Sisler, "Q" and others, and document what really happened deep inside enemy territory: Operation Tailwind, the Son Tay raid, SOG's defense of Khe Sanh, Hatchet Force operations, Bright Light rescues, HALO insertions, string extractions, SOG's darkest programs and much more.

Turn the Beat Around Simon and Schuster

The ultimate action-fueled end-of-the-world conspiracy trilogy from #1 New York Times bestselling author D.J. MacHale THEY CAME FROM THE SKY parachuting out of military helicopters to invade Tucker Pierce ’ s idyllic hometown on Pemberwick Island, Maine. They call themselves SYLO and they are a secret branch of the U.S. Navy. SYLO ’ s commander, Captain Granger, informs Pemberwick residents that the island has been hit by a lethal virus and must be quarantined. Now Pemberwick is cut off from the outside world. Tucker believes there ’ s more to SYLO ’ s story. He was on the sidelines when the high school running back dropped dead with no warning. He saw the bizarre midnight explosion over the ocean, and the mysterious singing aircraft that travel like shadows through the night sky. He tasted the Ruby—and experienced the powers it gave him—for himself. What all this means, SYLO isn ’ t saying. Only Tucker holds the clues that can solve this deadly mystery. LOOK TO THE SKY because Pemberwick is only the first stop.
