Few British schoolchildren of the seventies can have been as obsessed with the Tour de France as William Fotheringham, who smuggled copies of Miroir du Cyclisme into lessons to read inside his books. He saw the Tour for the first time in 1984, avidly following that year's race on television in the Normandy village where he lived. Since joining the Guardian in 1989, William

Fotheringham has been at the forefront of British cycling journalism. Here he reflects on the events of the last twenty-three years - the triumphs, the tragedies and the scandals that have engulfed the world's most demanding sport. Key articles from his career are annotated with notes and reflections. What would he have said if he'd known then what we all know now about Lance Armstrong? Which cyclists and teams were not all they seemed? And which victories still rank as the greatest of all time? This is the definitive collection of cycling reporting.

Tales from the Secret Footballer National Geographic Books
In the vein of Hotel Babylon and Confessions of a GP, The Secret Player will fascinate football fans with its wealth of insider knowledge and willingness to talk, albeit anonymously, about the inner workings of the game. Based on the hugely popular The Player columns in FourFourTwo magazine, the book gives a warts-and-all insight into the daily life of professional footballers. Month by month, it chronicles the oscillating rhythms of the season, from the trudge of pre-season to the "squeaky-bum time" of promotion and relegation. The player himself has played at all levels of English football, from Premier League to a season of non-League, and represented England (alongside David Beckham) at U21 level.

When a career-ending injury saw former Ireland and Millwall striker Richie Sadler retire from football at age 24, his life spiralled out of control. Without structure or a sense of purpose, and fuelled by a dependency on alcohol, he spent years running from the dark memories and feelings that had haunted him since childhood. Until one day he hit rock bottom and decided to confront his demons. Recovering written with

Dion Fanning is about a life shaped by efforts to escape, and how it is possible to rebuild that life, piece by piece, with the right help. Inspiring and ground-breaking, it is an important reflection on the need to move away from perceptions of shame in our discussions about mental health, sex, relationships and addiction.

Scott questions whether he and Jason need to keep their love a secret when professional British sportsmen in other fields are coming out. Will Jason have to choose between love and his career? called soccer. It is 51,000 words. The book was inspired by the news story in October 2015 that British gay footballers are preparing to come out in public. *** THE SUNDAY TIMES BESTSELLER 'A heroic outsider - a pleasure to read.' - The Guardian 'A fulsome evocation of football before the Premier League.' - The i 'Such a good storyteller...joyous.' - Financial Times 'Honest, raw, revealing and very funny. How to live a life and career to the full. Insightful book about the most successful outsider inside football ever...' - Henry Winter, Chief Football Writer, The Times 'Pat is a wonderful one-off...and this is the story of why that is.' - John Murray, Chief Sports Correspondent, BBC Radio 5 Live 'Unusually vibrant and elegant with heroic doses of humour, insight and self-effacement, this is an absolute must-read for the football connoisseur.' - Omid Djalili 'The biggest influence of my professional career both on and off the pitch.' - Graeme Le Saux 'I grew up captivated by Pat Nevin the player. As a man he taught me even more about the beauty of the game. One of football's great mavericks, and Chelsea's greatest players. And he can spin a mean tune too.' - Sam Matterface 'I used to walk miles to see Pat Nevin play football and I'd do the same now to read his thoughts. Always challenging, always entertaining.' - Lord Sebastian Coe 'A refreshingly honest and thought-

provoking autobiography. As deftly delivered as some of Pat's ball skills in his 1980's heyday.' - ToffeeWeb Pat Nevin never wanted to be a professional footballer. His future was clear, he'd become a teacher like his brothers. There was only one problem with this - Pat was far too good to avoid attention. Raised in Glasgow's East End, Pat loved the game, playing for hours and obsessively following Celtic. But as he grew up, he also loved Joy Division, wearing his Indie 'gloom boom' coat and going on marches - hardly typical footballer behaviour! Placed firmly in the 80s and 90s, before the advent of the Premier League, and often with racism and violence present, Pat Nevin writes with honesty, insight and wry humour. We are transported vividly to Chelsea and Everton, and colourfully diverted by John Peel, Morrissey and nights out at the Hacienda. The Accidental Footballer is a different kind of football memoir. Capturing all the joys of professional football as well as its contradictions and conflicts, it's about being defined by your actions, not your job, and is the perfect reminder of how life can throw you the most extraordinary surprises, when you least expect it.

From Nixon to Clinton, Watergate to Whitewater, few Americans have observed the ups and downs of presidential leadership more closely over the past thirty years than David Gergen. A White House adviser to four presidents, both Republican and Democrat, he offers a vivid, behind-the-scenes account of their struggles to exercise power and draws from them key lessons for leaders of the future. Gergen begins *Eyewitness to Power* with his reminiscence of being the thirty-year-old chief of the White House speechwriting team under Richard Nixon, a young man at the center of the Watergate storm. He analyzes what made Nixon strong -- and then brought him crashing down: Why Nixon was the best global strategist among recent presidents. How others may gain his strategic sense. How Nixon allowed his presidency to spin out of control. Why the demons within destroyed him. What lessons there are in Nixon's disaster. Gergen recounts how President Ford recruited him to help shore

up his White House as special counsel. Here Gergen considers: Why Ford is one of our most underrated presidents. Why his pardon of Nixon was right on the merits but was so mishandled that it cost him his presidency. Even in his brief tenure, Ford offers lessons of leadership for others, as Gergen explains. Though Gergen had worked in two campaigns against him, Ronald Reagan called him back to the White House again, where he served as the Gipper's first director of communications. Here he describes: How Reagan succeeded where others have failed. Why his temperament was more important than his intelligence. How he mastered relations with Congress and the press. The secrets of "the Great Communicator" and why his speeches were the most effective since those of John Kennedy and Franklin Roosevelt. In 1993, Bill Clinton surprised Gergen -- and the political world -- when he recruited the veteran of Republican White Houses to join him as counselor after his early stumbles. Gergen reveals: Why Clinton could have been one of our best presidents but fell short. How the Bill and-Hillary seesaw rocked the White House. How failures to understand the past brought Ken Starr to the door. Why the new ways in which leadership was developed by the Clinton White House hold out hope, and what dangers they threaten. As the twenty-first century opens, Gergen argues, a new golden age may be dawning in America, but its realization will depend heavily upon the success of a new generation at the top. Drawing upon all his many experiences in the White House, he offers seven key lessons for leaders of the future. What they must have, he

says, are: inner mastery; a central, compelling purpose rooted in moral values; a capacity to persuade; skills in working within the system; a fast start; a strong, effective team; and a passion that inspires others to keep the flame alive. Eyewitness to Power is a down-to-earth, authoritative guide to leadership in the tradition of Richard Neustadt's Presidential Power and the Modern Presidents. An Epic Swindle Little, Brown

An Epic Swindle is the inside story of how Liverpool FC came within hours of being re-possessed by the banks after the shambolic 44-month reign of American owners Tom Hicks and George Gillett. It is the tale of a civil war that dragged Britain's most successful football club to its knees, through the High Court and almost into administration. Players Steven Gerrard and Jamie Carragher tell of their anger at the broken promises, as well as their pain at watching loyal fans in open revolt. Manager, chief executive, board members, leading fans and journalists reveal the turmoil at a revered sporting institution run by two men at war with each other, who trampled Liverpool's cherished traditions into the gutter. No story sums up the naked greed at the heart of modern football quite like Hicks' and Gillett's attempt to turn a buck at Liverpool. No-one has had as much access to the truth, or tells it with as much passion, wit and insight as Brian Reade. An Epic Swindle is the riveting story of how close one of the great football clubs came to financial implosion.

Secret Footballer has been able to take the reader behind the scenes of footballers' lives like no other player has been able, or will ever be able, to do. Anonymity has been a potent weapon in revealing the real world of football stars, and five years on, he has now penned the work that all his fellow professionals have been urging him to do from the start, *The Secret Footballer: What Goes on Tour*. And it isn't going to stay on tour any more... From Marbella and Ibiza to Dubai and Las Vegas, *The Secret Footballer* lays bare the worst, most embarrassing and most hilarious excesses of these fit and mostly fickle young men whose million-pound salaries, to use his own words, 'open up a host of recreational opportunities'. Fuelled by rampaging desires for sex, drugs, booze and rock'n'roll, these footballers think up ever more extreme ways of splashing the cash, and needless to say, it doesn't always end well...
