A Year in the
Secret Garden
Timber Press
A treasury of
crafts, activities,
recipes, and

detailed historical information about and inspired by Frances Hodgson Burnett's classic novel, "The Secret Garden."

Detailed Summary, Analysis and Reading Guide

Rosetta Books
Abandoned on a 1913 voyage to Australia, Nell is raised by a dock master and his wife who do not tell her until she grows up that she is not their child, a situation that causes her to return to England and eventually hand down her quest for answers to

her granddaughter. Reprint.
The Enchanted Castle NS English
The #1 New York Times Bestseller: "A hilarious take on that age-old problem: getting the beloved child to go to sleep" (NPR). "Hell no, you can't go to the bathroom. You know where you can go? The f**k to sleep." *Go the Fuck to Sleep* is a book for parents who live in the real world, where a few snoozing kitties and cutesy rhymes

don't always send a toddler sailing blissfully off to dreamland. Profane, affectionate, and radically honest, it captures the familiar—and unspoken—tribulations of putting your little angel down for the night. Read by a host of celebrities, from Samuel L. Jackson to Jennifer Garner, this subversively funny bestselling storybook will not actually put your kids to sleep, but it will leave you laughing so hard you won't care.

A Practical Guide

Routledge

"Near an isolated mansion a beautiful garden is discovered with luscious flowers, shady trees...and a collection of 'butterflies'--young women who have been kidnapped and intricately tattooed by the Gardener, a twisted man obsessed with preserving his lovely specimens. When a survivor is

questioned, the more she shares, the more agents wonder what she is hiding"--

The Secret Garden of George Washington Carver

Katherine Tegen Books
Can a woman ever really know herself if she doesn't know her mother? From the author of the smash-hit bestseller *Firefly Lane* and *True Colors* comes Kristin Hannah's powerful, heartbreaking novel that illuminates the intricate mother-daughter bond and explores the enduring links between the present and the past. Meredith and Nina Whitson are as different as sisters can be. One

stayed at home to raise her children and manage the family apple orchard; the other followed a dream and traveled the world to become a famous photojournalist. But when their beloved father falls ill, Meredith and Nina find themselves together again, standing alongside their cold, disapproving mother, Anya, who even now, offers no comfort to her daughters. As children, the only connection between them was the Russian fairy tale Anya sometimes told the girls at night. On his deathbed, their father extracts a promise from the women in his life:

the fairy tale will be told one last time—and all the way to the end. Thus begins an unexpected journey into the truth of Anya's life in war-torn Leningrad, more than five decades ago. Alternating between the past and present, Meredith and Nina will finally hear the singular, harrowing story of their mother's life, and what they learn is a secret so terrible and terrifying that it will shake the very foundation of their family and change who they believe they are.

My Secret Garden
W. W. Norton & Company
This book tells the classic story of

Mary, who after losing her parents comes to live with her uncle in an English great house. When she gets there, she makes two friends: Dickon, a boy who talks with nature, and Colin, a poor boy who despite being a lord lives in isolation because of an illness. This friendship will lead to the discovery of a great secret: a forbidden garden, surrounded by walls and locked with a missing key, whose mystery goes back to a hidden accident. Decided to bring this garden back to life, Mary will join

forces with her friends and walk into a path known today as a beautiful metaphor for the journey of self-awareness and awakening to the world. Written in 1911 by Frances Hodgson Burnett, a great author recognized for her success and independence, this work inspired various plays and movies and remains as vivid as the life brought out of it.
A Novel/ Teacher Created Resources
Green-growing secrets and powerful magic await you at Misselthwaite

Manor, now reimagined in this bewitching graphic novel adaptation of Frances Hodgson Burnett's beloved tale. From Mariah Marsden, author of the critically acclaimed *Anne of Green Gables: A Graphic Novel*, comes the second installment in this series of retold children's classics. Ten-year-old Mary Lennox arrives at a secluded estate on the Yorkshire moors with a scowl and a chip on her shoulder. First, there's Martha Sowerby: the too-cheery maid with bothersome questions who seems out of place in the dreary manor. Then there's the elusive Uncle Craven, Mary's only remaining family—whom she's not permitted to see. And finally, there are the mysteries that seem to haunt the run-down place: rumors of a lost garden with a tragic past, and a midnight wail that echoes across the moors at night. As Mary begins to explore this new world alongside her ragtag companions—a cocky robin redbreast, a sour-faced gardener, and a boy who can talk to animals—she learns that even the loneliest of hearts can grow roots in rocky soil. Given new life as a graphic novel in illustrator Hanna Luechtefeld's whimsical style, *The Secret Garden* is more enchanting and relevant than ever before. At the back of the book, readers can learn about the life of Frances Hodgson Burnett and the history of British colonialism that contextualizes the original novel.

The Plants and Places That

Inspired Frances Hodgson Burnett Feiwel & Friends
“Blooming with photos, illustrations, and botanical paintings, McDowell’s gorgeous book opens an ivy-covered door to new information about one of the world’s most famous authors.”—Angelica Shirley Carpenter, editor of *In the Garden* New York Times bestselling author Marta McDowell has revealed the way that plants have

stirred some of our most cherished authors, including Beatrix Potter, Emily Dickinson, and Laura Ingalls Wilder. In her latest, she shares a moving account of how gardening deeply inspired Frances Hodgson Burnett, the author of the beloved children's classic *The Secret Garden*. In *Unearthing The Secret Garden*, McDowell delves into the professional and gardening life of Frances

Hodgson Burnett. Complementing her fascinating account with charming period photographs and illustrations, McDowell paints an unforgettable portrait of a great artist and reminds us why *The Secret Garden* continues to touch readers after more than a century. This deeply moving and gift-worthy book is a must-read for fans of *The Secret Garden* and anyone who loves the story behind the story. [The Secret Garden](#)

“groundbreaking

” work on

women’s sexual fantasies (Publishers Weekly). First published in 1973, *My Secret Garden* ignited a firestorm of reactions across the nation—from outrage to enthusiastic support.

Collected from detailed personal interviews with hundreds of women from diverse backgrounds, this book presents a bracingly honest account of women’s inner sexual fantasy lives. In its time, this book

shattered taboos and opened up a conversation about the landscape of feminine desire in a way that was unprecedented. Today, *My Secret Garden* remains one of the most iconic works of feminist literature of our time—and is still relevant to millions of women throughout the world. “The author whose books about gender politics helped redefine American women’s sexuality.” —The New York Times

Garden** Canongate
Books
Hailed by David
Sedaris as
"perfectly,
relentlessly funny"
and by Colson
Whitehead as
"sardonic without
being cruel, tender

without being
sentimental," from
the author of the
new collection *Look
Alive Out There*.
Wry, hilarious, and
profoundly genuine,
this debut collection
of literary essays is
a celebration of
fallibility and
haplessness in all
their glory. From
despoiling an
exhibit at the
Natural History
Museum to
provoking the ire of
her first boss to
sicking the cops on
her mysterious
neighbor, Crosley
can do no right
despite the best of
intentions -- or
perhaps because of
them. Together,
these essays create
a startlingly funny
and revealing
portrait of a
complex and utterly
recognizable

character who aims for the stars but hits the ceiling, and the inimitable city that has helped shape who she is. *I Was Told There'd Be Cake* introduces a strikingly original voice, chronicling the struggles and unexpected beauty of modern urban life.
