picture book that explains that the young Elizabeth's secret creatures, a bear, a lamb, and two pigs, helped her throughout her life and saved England.

The Tudor Secret HarperCollins

Contrary to popular belief, Western civilisation as we know it today is not the end result of steady progress. For over half a millennium revolution has succeeded revolution like a succession of tidal waves. At one level this book is a chronological narrative of these revolutions, from the Renaissance to the Russian. It shows how Utopian visions of ideal societies end in massacres and the guillotine, and therefore appeals to and challenges both left and right. At a second level it offers a new and original theory of why revolutions happen. An idealist has a vision, which others state in intellectual terms. This becomes corrupted by a political regime, and results in physical repression. The unique approach that The Secret History takes is that this vision has never been part of Establishment thought or practice. Indeed it usually has its roots in ideas and influences that have hitherto been unexpressed, secret.

The Secret History of the Most Renown'd Q. Elizabeth, and E. of Essex, by a Person of Quality Penguin

The fascinating story of Queen Elizabeth's secret outreach to the Muslim world, which set England on the path to empire, by The New York Times bestselling author of A History of the World in Twelve Maps We think of England as a great power whose empire once stretched from India to the Americas, but when Elizabeth Tudor was crowned Queen, it was just a tiny and rebellious Protestant island on the fringes of Europe, confronting the combined power of the papacy and of Catholic Spain. Broke and under siege, the young queen sought to build new alliances with the great powers of the Muslim world. She sent an emissary to the Shah of Iran, wooed the king of Morocco, and entered into an unprecedented alliance with the Ottoman Sultan Murad III, with whom she shared a lively correspondence. The Sultan and the Queen tells the riveting and largely unknown story of the traders and adventurers who first went East to seek their fortunes—and reveals how Elizabeth's fruitful alignment with the Islamic world, financed by England's first joint stock companies, paved the way for its transformation into a global commercial empire.

The Secret History of Elizabeth Tudor, Vampire Slayer Macmillan

An Elizabethan expert describes the court of Queen Elizabeth I, painting a vivid picture of the gossip, conspiracy, intrigue and romantic dalliances that surrounded the monarch and the daily lives of the women that attended her. 20,000 first printing.

The Secret History of the Most Renown'd Q. Elizabeth, and the E. of Essex HarperCollins

A history of the 16th-century monarch's secret service and its ruthless war against England's enemies evaluates the contributions of Sir Francis Walsingham while profiling the dark intelligence practices of the period to offer a chillingly vivid depiction of Elizabethan espionage activities. 20,000 first printing.

The Maid and the Queen Vintage

The surprising, often fiercely feminist, always fascinating, yet barely

known, history of home economics. The term "home economics" may conjure traumatic memories of lopsided hand-sewn pillows or sunken muffins. But common conception obscures the story of the revolutionary science of better living. The field exploded opportunities for women in the twentieth century by reducing domestic work and providing jobs as professors, engineers, chemists, and businesspeople. And it has something to teach us today. In the surprising, often fiercely feminist and always fascinating The Secret History of Home Economics, Danielle Dreilinger traces the field's history from Black colleges to Eleanor Roosevelt to Okinawa, from a Betty Crocker brigade to DIY techies. These women—and they were mostly women—became chemists and marketers, studied nutrition, health, and exercise, tested parachutes, created astronaut food, and took bold steps in childhood development and education. Home economics followed the currents of American culture even as it shaped them. Dreilinger brings forward the racism within the movement along with the strides taken by women of color who were influential leaders and innovators. She also looks at the personal lives of home economics' women, as they chose to be single, share lives with other women, or try for egalitarian marriages. This groundbreaking and engaging history restores a denigrated subject to its rightful importance, as it reminds us that everyone should learn how to cook a meal, balance their account, and fight for a better world.

The Secret History of the Most Renowned Q. Elizabeth and Earl of Essex Bloomsbury Publishing USA

The turbulent Tudor Age never fails to capture the imagination. But what was it truly like to be a woman during this era? The Tudor period conjures up images of queens and noblewomen in elaborate court dress; of palace intrigue and dramatic politics. But if you were a woman, it was also a time when death during childbirth was rife; when marriage was usually a legal contract, not a matter for love, and the education you could hope to receive was minimal at best. Yet the Tudor century was also dominated by powerful and dynamic women in a way that no era had been before. Historian Elizabeth Norton explores the life cycle of the Tudor woman, from childhood to old age, through the diverging examples of women such as Elizabeth Tudor, Henry VIII's sister; Cecily Burbage, Elizabeth's wet nurse; Mary Howard, widowed but influential at court; Elizabeth Boleyn, mother of a controversial queen; and Elizabeth Barton, a peasant girl who would be lauded as a prophetess. Their stories are interwoven with studies of topics ranging from Tudor toys to contraception to witchcraft, painting a portrait of the lives of queens and serving maids, nuns and harlots, widows and chaperones. Norton brings this vibrant period to colorful life in an evocative and insightful social history.

The Secret history of Elizabeth, Queen of England, and the Earl of Essex Pen and Sword History

Within the origin of one of the world's most iconic superheroes hides a fascinating family story—and a crucial history of feminism in the twentieth-century. "Everything you might want in a page-turner ... skeletons in the closet, a believe-it-or-not weirdness in its biographical details, and something else that secretly powers even the most "serious" feminist history—fun." —Entertainment Weekly The Secret History of Wonder Woman is a tour de force of intellectual and cultural history. Wonder Woman, Jill Lepore argues, is the missing link in the history of the struggle for women's rights—a chain of events that begins with the women's suffrage campaigns of the early 1900s and ends with the troubled place of feminism a century later. Lepore, a Harvard historian and New Yorker staff writer, has uncovered an astonishing trove of documents, including the never-before-seen private papers of Wonder Woman's creator, William Moulton Marston. The Marston family story is a tale of drama, intrigue, and irony. In the 1920s, Marston and his wife brought into their home Olive Byrne, the niece of Margaret Sanger, one of the most influential feminists of the twentieth century. Even while celebrating conventional family life in a regular column that Marston and Byrne wrote for Family Circle, they themselves pursued lives of extraordinary nonconformity. Marston, internationally known as an expert on truth—he invented the lie detector test—lived a life of secrets, only to spill them on the pages of Wonder Woman. Includes a new afterword with fresh revelations based on never before seen letters and photographs from the Marston family's papers, and 161 illustrations and 16 pages in full color.

The Watchers Hodder Paperbacks

"This is going to be big." -Entertainment Weekly "Juicy, clever, and beguiling." -Cecily von Ziegler, author of the Gossip Girl novels A young woman haunted by a family tragedy is caught up in a dangerous web of lies and deception involving a secret society in this highly charged, addictive psychological thriller that combines the dishy gamesmanship of Gossip Girl with the murky atmosphere of The Secret History. One summer day, Grace Fairchild, the beautiful young wife of real estate mogul Alistair Calloway, vanished from the family's lake house without a trace, leaving behind her

seven-year old daughter, Charlie, and a slew of unanswered questions. Years later, seventeen-year-old Charlie still struggles with the dark legacy of her family name and the mystery surrounding her mother. Determined to finally let go of the past, she throws herself into life at Knollwood, the prestigious New England school she attends. Charlie quickly becomes friends with Knollwood's "it" crowd. Charlie has also been tapped by the A's—the school's elite secret society well known for terrorizing the faculty, administration, and their enemies. To become a member of the A's, Charlie must play The Game, a semester-long, diabolical high-stakes scavenger hunt that will jeopardize her friendships, her reputation, even her place at Knollwood. As the dark events of past and present converge, Charlie begins to fear that she may not survive the terrible truth about her family, her school, and her own life.

The Secret History of the Most Renowned Q. Elizabeth and the E. of Essex Simon and Schuster

INTERNATIONAL BESTSELLER • A contemporary literary classic and "an accomplished psychological thriller ... absolutely chilling" (Village Voice), from the Pulitzer Prize-winning author of The Goldfinch. Under the influence of a charismatic classics professor, a group of clever, eccentric misfits at a New England college discover a way of thought and life a world away from their banal contemporaries. But their search for the transcendent leads them down a dangerous path, beyond human constructs of morality.

The Secret History of the Most Renowned Q. Elizabeth, and the Earl of Essex Axis Mundi Books

This biography details how one man rose to prominence in the Elizabethan court and become the queen's favorite in more ways than one. Elizabeth I's Secret Lover details just how Lord Robert Dudley become one of the most influential figures of his time. As a great impresario, he showed Elizabeth I off to her people to glittering effect and became the forerunner of Shakespearian theatre, combining classicism with ribaldry. He attracted the financing of Drake's circumnavigation. He was the supporter of academic endeavor, of poetry, and of Puritan scholarship. By employing a network of his own agents, he provided information of crucial importance to Government. He built some of the finest houses and gardens of the age. As Master of the Horse, he developed English bloodstock to provide horses for Royal and military requirements. He even saw to it that England's navy and army was properly prepared to meet Continental aggression when needed. Dudley also has faced criticism from historians by competing with William Cecil to gain the ear of Elizabeth I and thwarting his efforts to arrange a political marriage for her to protect against Continental Catholic aggression. There can be no doubt that Elizabeth wanted to marry him. He was devastatingly attractive, athletic, and loyal, and, as this book shows, there is compelling evidence that the "virgin queen" spent time in bed with him. "A well-researched account of their complicated relationship. If you finished Hilary Mantel's The Mirror and the Light and are wondering what happened next to the blood-drenched Tudor clan, this could be the book for you." —Mary Ann Gwinn, Minneapolis Star Tribune

The Secret History of the Most Renowned Q. Elizabeth and Earl of Essex Penguin

"Helen Castor has an exhilarating narrative gift. . . . Readers will love this book, finding it wholly absorbing and rewarding." —Hilary Mantel, Booker Prize-winning author of Wolf Hall In the tradition of Antonia Fraser, David Starkey, and Alison Weir, prize-winning historian Helen Castor delivers a compelling, eye-opening examination of women and power in England, witnessed through the lives of six women who exercised power against all odds—and one who never got the chance. With the death of Edward VI in 1553, England, for the first time, would have a reigning queen. The question was: Who? Four women stood upon the crest of history: Katherine of Aragon's daughter, Mary; Anne Boleyn's daughter, Elizabeth; Mary, Queen of Scots; and Lady Jane Grey. But over the centuries, other exceptional women had struggled to push the boundaries of their authority and influence—and been vilified as "she-wolves" for their ambitions. Revealed in vivid detail, the stories of Eleanor of Aquitaine, Isabella of France, Margaret of Anjou, and the Empress Matilda expose the paradox that England's next female leaders would confront as the Tudor throne lay before them—man ruled woman, but these women sought to rule a nation.

The Secret History Penguin

An 18th-century portrait of the palace most recognized as an official home of several British royal family members focuses on the Hanover family during the reigns of George I and II, describing the intrigue, ostentatious fashions and politicking that marked court life. By the author of Cavalier. *The Secret History of the Most Renown'd Q. Elizabeth,*

and the E. of Essex W. W. Norton & Company

The surprising hidden history behind Charlotte Brontë's *Jane Eyre*. Why did Charlotte Brontë go to such great lengths on the publication of her acclaimed, best-selling novel, *Jane Eyre*, to conceal its authorship from her family, close friends, and the press? In *The Secret History of Jane Eyre*, John Pfordresher tells the enthralling story of Brontë's compulsion to write her masterpiece and why she then turned around and vehemently disavowed it. Few people know how quickly Brontë composed *Jane Eyre*. Nor do many know that she wrote it during a devastating and anxious period in her life. Thwarted in her passionate, secret, and forbidden love for a married man, she found herself living in a home suddenly imperiled by the fact that her father, a minister, the sole support of the family, was on the brink of blindness. After his hasty operation, as she nursed him in an isolated apartment kept dark to help him heal his eyes, Brontë began writing *Jane Eyre*, an invigorating romance that, despite her own fears and sorrows, gives voice to a powerfully rebellious and ultimately optimistic woman's spirit. *The Secret History of Jane Eyre* expands our understanding of both *Jane Eyre* and the inner life of its notoriously private author. Pfordresher connects the people Brontë knew and the events she lived to the characters and story in the novel, and he explores how her fecund imagination used her inner life to shape one of the world's most popular novels. By aligning his insights into Brontë's life with the timeless characters, harrowing plot, and forbidden romance of *Jane Eyre*, Pfordresher reveals the remarkable parallels between one of literature's most beloved heroines and her passionate creator, and arrives at a new understanding of Brontë's brilliant, immersive genius.

Penguin

Sir Francis Walsingham's official title was principal secretary to Queen Elizabeth I, but in fact this pious, tight-lipped Puritan was England's first spymaster. A ruthless, fiercely loyal civil servant, Walsingham worked brilliantly behind the scenes to foil Elizabeth's rival Mary Queen of Scots and outwit Catholic Spain and France, which had arrayed their forces behind her. Though he cut an incongruous figure in Elizabeth's worldly court, Walsingham managed to win the trust of key players like William Cecil and the Earl of Leicester before launching his own secret campaign against the queen's enemies. Covert operations were Walsingham's genius; he pioneered techniques for exploiting double agents, spreading disinformation, and deciphering codes with the latest code-breaking science that remain staples of international espionage.

The Secret History of the Most Renowned Queen Elizabeth

and the Earl of Essex Simon and Schuster

"Jessi Kirby's books just keep getting better and better, and *The Secret History of Us* is her best yet. It beautifully touches on all the most important things in life—love, family, friendship, memory, and bacon. I loved it."—Morgan Matson, New York Times bestselling author of *The Unexpected Everything* In this gorgeously written, emotional novel that fans of Sarah Dessen will enjoy, a teenage girl must piece together the parts of her life she doesn't remember after a severe collision leaves her with no memory of the past four years. When Olivia awakes in a hospital bed following a near-fatal car accident, she can't remember how she got there. She figures it's because she was in a coma for a week, but as time goes on, she realizes she's lost more than just the last week of her life—she's lost all memory of events that happened years ago. Gone is any recollection of starting or graduating high school; the prom; or her steady boyfriend Matt. Trying to figure out who she is feels impossible when everyone keeps telling her who she was. As Liv tries to sort out her family and friends' perceptions of her, the one person she hasn't heard enough from is Walker, the guy who saved her the night her car was knocked off that bridge into the bay below. Walker is the hardened boy who's been keeping his distance and the one person that has made Liv feel like her old self... whoever that is. With feelings growing for Walker, tensions rising with Matt, and secrets she can't help but feel are being kept from her, Olivia must find her place in a life she doesn't remember living.

The Courtiers Harper Collins

Sovereign Power. Eternal Pleasure. Revealed at last in this new vampire saga for the ages: the true, untold story of the "Virgin Queen" and her secret war against the Vampire King of England. . . . On the eve of her coronation, Elizabeth Tudor is summoned to the tomb of her mother, Anne Boleyn, to learn the truth about her bloodline—and her destiny as a Slayer. Born to battle the bloodsucking fiends who ravage the night, and sworn to defend her beloved realm against all enemies, Elizabeth soon finds herself stalked by the most dangerous and seductive vampire of all. He is Mordred, bastard son of King Arthur, who sold his soul to destroy his father. After centuries in hiding, he has arisen determined to claim the young Elizabeth as his Queen. Luring her into his world of eternal night, Mordred tempts Elizabeth with the promise of everlasting youth and beauty, and vows to protect her from all enemies. Together, they will rule over a golden age for vampires in which humans will exist only to be fed upon. Horrified by his intentions, Elizabeth embraces her powers as a Slayer even as she realizes that the greatest danger comes from her own secret desire to yield to Mordred . . . to bare her throat in ecstasy and allow the vampire king to drink deeply of her royal blood. As told by Lucy

Weston, the vampire prey immortalized in Bram Stoker's *Dracula*, this spellbinding account will capture your heart and soul—forever.

The Secret History Forgotten Books

Summer 1553: A time of danger and deceit. Brendan Prescott, an orphan, is reared in the household of the powerful Dudley family. Brought to court, Brendan finds himself sent on an illicit mission to the King's brilliant but enigmatic sister, Princess Elizabeth. But Brendan is soon compelled to work as a double agent by Elizabeth's protector, William Cecil—who promises in exchange to help him unravel the secret of his own mysterious past. A dark plot swirls around Elizabeth's quest to unravel the truth about the ominous disappearance of her seriously ill brother, King Edward VI. With only a stable boy and Elizabeth's lady-in-waiting at his side, Brendan plunges into a ruthless gambit of half-truths, lies, and murder. Filled with the intrigue and pageantry of Tudor England, **THE TUDOR SECRET** is the first book in the Elizabeth's Spymaster series.
