The Hidden History of Humanity

Everything in this history is upside down, inside out and the other way around. At the heart of "The Secret History of the World" is the belief that we can reach an altered state of consciousness in which we can see things about the way the world works that are hidden from us in our everyday, commonsensical consciousness.

Christopher Andrew ' s history of the intelligence world is a huge achievement. In fact, I feel that even to have read his book is quite a feat of endurance, as it weighs in at 941 pages of very small type, densely packed with a wealth of insight into the history of the methodology and application of intelligence work.

From Greek and Egyptian mythology to Jewish folklore, from Christian cults to Freemasons, from Charlemagne to Don Quixote, from George Washington to Hitler—Booth shows that history needs a revolutionary rethink, and he has 3,000 years of hidden wisdom to back it up.
