The fabled Neelkanth, Shiva, is faced with his greatest challenge. He is forced onto a path of vengeance where nothing is as it seems, in The Secret

of The Nagas (Shiva Trilogy). The hunt is on for a mysterious naga assailant who has taken the life of one of Shiva's close associates and now preys on his wife. This thirst for revenge will bring him face to face with the truth behind the mysterious nagas. The nagas are a deformed race of warriors with exceptional fighting skills, whose motives are hidden. They play a central role in a conspiracy that has brought a once mighty kingdom to its knees. And if Shiva is to break the deadlock, he must travel deep into hostile territory, where he will face a deadly adversary. At Kashi, Shiva's wife, Sati, who has recently given birth to their child, stays behind to help the King with an entirely different kind of battle. As Shiva's journey takes him away from her, she will uncover a secret that will change both their lives forever. Will Shiva and Sati's marriage survive, when the line between friend and foe becomes blurred? Oath of the Vayuputras

Emotion “ One can make any emotion into a creative force in one ' s life. ” – Sadhguru It ' s not just poetic license that allows us to refer to emotions as “ juicy ” . In a literal sense also, emotions are a chemical cocktail that course through our bodies. But while we have no problems with pleasant emotions, unpleasant emotions are the source of much angst in our lives. In Emotion: The Juice of Life, Sadhguru looks at the gamut of human emotions and

how to turn them into stepping stones rather than stumbling blocks. Relationships “ If you enhance yourself into a very beautiful state, everyone will want to hold a relationship with you. ” – Sadhguru Human beings constantly make and break relationships. Unfortunately, relationships can make and break human beings too. Why are relationships such a circus for most of us?

What is this primal urge within us that demands a bond – physical, mental, or emotional – with another? And how do we keep this bond from turning into bondage? These are the fundamental questions that Relationships: Bond or Bondage looks at as Sadhguru shares with us the keys to forming lasting and joyful relationships, whether they are with husband or wife, family and friends, at work, or with

the very existence itself. Sadhguru is a yogi and profound mystic of our times. An absolute clarity of perception places him in a unique space in not only matters spiritual but in business, environmental and international affairs, and opens a new door on all that he touches. The Secret of the Nagas Crown

Five thousand years ago, there came to earth a magical being called Krishna, who brought about innumerable miracles for the good of mankind. Humanity despaired of its fate if the Blue God were to die but was

reassured that he would return in a fresh avatar when needed in the eventual Dark Age—the Kaliyug. In modern times, a poor little rich boy grows up believing that he is that final avatar. Only, he is a serial killer. In this heart-stopping tale, the arrival of a murderer who executes his gruesome and

brilliantly thought-out schemes in the name of God is the first clue to a sinister conspiracy to expose an ancient secret—Krishna's priceless legacy to mankind. Historian Ravi Mohan Saini must breathlessly dash from the submerged remains of Dwarka and the mysterious lingam of Somnath to the icy heights of Mount Kailash,

in a quest to discover the cryptic location of Krishna's most prized possession. From the sand-washed ruins of Kalibangan to a Vrindavan temple destroyed by Aurangzeb, Saini must also delve into antiquity to prevent a gross miscarriage of justice. Ashwin Sanghi brings you yet another

exhaustively researched whopper of a plot, while providing an incredible alternative interpretation of the Vedic Age that will be relished by conspiracy buffs and thriller-addicts alike.
