The Secret Of Sarah Revere
The book "The Secret of Sarah Revere" took place during
the American Revolution in Boston, Watertown in 1775.
Sarah lives in a very small, but crowded house with her
grandmother, her stepmother, her dad and her 5 siblings
She lived during the period of the Boston Tea Dumping,
when the Indians dumped all the tea into the ocean.
Which caused great chaos in Boston.

Book Overview The spunky daughter of the famed Paul
Revere tells the story of her father's rides and the intelligence
network of the Patriot community prior to the American
Revolution. Ann Rinaldi's impeccable research and keen
perception of adolescent angst create a look back in time that
remains powerfully relevant today."
