The New Alchemy St. Martin's Press

The Book of Secrets is a step by step guide to find the best meditation suitable for you. 112 methods of meditation are described and introduced here with helpful background information to give contemporary people a door to meditation. Reading this book, not only will your outlook on life change, but so will your life. If you want to know more about life and yourself this is your book. Each chapter that focuses on describing specific meditation techniques is followed by a chapter of questions from those who were present during the talks. In most cases, their questions relate to the techniques given in the previous chapter. So, as you start to experiment with a technique, it will be helpful to look into these chapters for some extra hint, some greater depth of understanding, or response to a question that might have arisen for you in your experiments.

The Book of Children Diamond Pocket Books (P) Ltd.

What Is Love? In this thoughtful, provocative work, Osho—one of the most revolutionary thinkers of our time—challenges us to question what we think we know about love and opens us to the possibility of a love that is natural, fulfilling, and free of possessiveness and jealousy. With his characteristic wit, humor, and understanding, Osho dares us to resist the unhealthy relationship patterns we've learned from those around us, and to rediscover the meaning of love for ourselves. "By the time you are ready to explore the world of love, you are filled with so much rubbish about love that there is not much hope for you to be able to find the authentic and discard the false." By answering the questions that so many lovers face, Osho shares new ways to love that will forever change how you relate to others, including how to:

- Love without clinging
- Let go of expectations, rules, and demands
- Free yourself from the fear of being alone
- Be fully present in your relationships
- Keep your love fresh and alive
- Become a life partner with whom someone could continue to grow and change
- Surrender your ego so you can surrender to love

Being in Love will inspire you to welcome love into your life anew and experience the joy of being truly alive by sharing it.

Hidden Mysteries Osho Media International

**The Secret of Secrets** St. Martin's Griffin

Osho, one of the greatest spiritual thinkers of the twentieth century, explores the connections between ourselves and others in Love, Freedom, and Aloneness: The Koan of Relationships. In today's world, freedom is our basic condition, and until we learn to live with that freedom, and learn to live by ourselves and with ourselves, we are denying ourselves the possibility of finding love and happiness with someone else. Love can only happen through freedom and in conjunction with a deep respect for ourselves and the other. Is it possible to be alone and not lonely? Where are the boundaries that define "lust" versus "love"...and can lust ever grow into love? In Love, Freedom, and Aloneness you will find unique, radical, and intelligent perspectives on these and other essential questions. In our post-ideological world, where old moralities are out of date, we have a golden opportunity to redefine and revitalize the very foundations of our lives. We have the chance to start afresh with ourselves, our relationships to others, and to find fulfillment and success for the individual and for society as a whole. Osho challenges readers to examine and break free of the conditioned belief systems and prejudices that limit their capacity to enjoy life in all its richness. He has been described by the Sunday Times of London as one of the "1000 Makers of the 20th Century" and by Sunday Mid-Day (India) as one of the ten people—along with Gandhi, Nehru, and Buddha—who have changed the destiny of India. Since his death in 1990, the influence of his teachings continues to expand, reaching seekers of all ages in virtually every country of the world.

Watkins Media Limited

One of the greatest spiritual teachers of the twentieth century will help you learn how to live in the present moment in Awareness: The Key to Living in Balance. Underlying all meditation techniques, including martial arts—and in fact underlying all great athletic performances—is a quality of being awake and present to the moment, a quality that Osho calls awareness. Once we can identify and understand what this quality of awareness is, we have the key to self-mastery in virtually every area of our lives. According to great masters like Lao Tzu or Buddha, most of us move through our lives like sleepwalkers. Never really present in what we are doing, never fully alert to our environment, and not even aware of what motivates us to do and say the things we do. At the same time, all of us have experienced moments of awareness—or awakening, to use another—in extraordinary circumstances. On the road, in a sudden and unexpected accident, time seems to stop and one is suddenly aware of every movement, every sound, every thought. Or in moments that touch us deeply—welcoming a new baby into the world for the first time, or being with someone at the moment of death. Awareness, says Osho, is the key to being self-directed, centered, and free in every aspect of our lives. In this book, Osho teaches how to live life more attentively, mindfully, and meditatively, with love, caring and consciousness. Osho challenges readers to examine and break free of the conditioned belief systems and prejudices that limit their capacity to enjoy life in all its richness. He has been described by the Sunday Times of London as one of the "1000 Makers of the 20th Century" and by Sunday Mid-Day (India) as one of the ten people—along with Gandhi, Nehru, and Buddha—who have changed the destiny of India. Since his death in 1990, the influence of his teachings continues to expand, reaching seekers of all ages in virtually every country of the world.

**Intuition** Snow Lion Publications, Incorporated

One of the greatest spiritual leaders of the twentieth century encourages us to embrace the qualities of life our advancing years grant us in Maturity: The Responsibility of Being Oneself. In a culture infatuated with youth and determined to avoid old age at all costs, this book dares to raise a question that has been all but forgotten in the age of Viagra and cosmetic surgery. What benefits might lie in accepting the aging process as natural, rather than trying to hold on to youth and its pleasures all the way to the grave? Osho takes us back to the roots of what it means to grow up rather than just to grow old. Both in our relationships with others, and in the fulfillment of our own individual destinies, he reminds us of the pleasures that only true maturity can bring. He outlines the ten major growth cycles in human life, from the self-centered universe of the preschooler to the flowering of wisdom and compassion in old age. Osho's sly sense of humor runs like a red thread through the book, along with a profound compassion and understanding of how easy it is to be distracted from the deeper meaning and purpose of our lives—which is, ultimately, to flower into our own individual uniqueness and maturity with an attitude of celebration and joy. Osho challenges readers to examine and break free of the conditioned belief systems and prejudices that limit their capacity to enjoy life in all its richness. He has been described by the Sunday Times of London as one of the "1000 Makers of the 20th Century" and by Sunday Mid-Day (India) as one of the ten people—along with Gandhi, Nehru, and Buddha—who have changed the destiny of India. Since his death in 1990, the influence of his teachings continues to expand, reaching seekers of all ages in virtually every country of the world.

**Maturity** Diamond Pocket Books (P) Ltd.

If there were one bookshelf that held history's greatest masterpieces of spiritual writing, what would be on it? From his library of over 150,000 books, best-selling author and mystic Osho selected 168 titles that had served as his beacons of inspiration when nothing else was shining in the darkness. 168 Books to Change Your Life is Osho's invaluable guide to the most profound and spiritually illuminating literature ever written. The book features: An eclectic and often surprising selection of books, including Whitman's Leaves of Grass, Lao Tzu's Tao Te Ching, and Richard Bach's Jonathan Livingston Seagull? Essential details about each classic and its author, and why their writings have left a lasting impact on readers around the world? Osho's own poetic commentary on the importance of these books in his life, with his insights on the deeper spiritual messages in every masterpiece on the list Osho created his list of classics to honor the writers who inspired him to become one of the most influential modern spiritual teachers. Spiritual seekers, recent graduates, and any lover of great literature will cherish 168 Books to Change Your Life as a trusted source of inspiration for years to come.

**Tantra** St. Martin's Griffin

Osho is one of the best-known spiritual teachers of our time. The Sunday Times named him one of the '1,000 makers of the twentieth century'; the novelist Tom Robbins has called him 'the most dangerous man since Jesus Christ'. Nearly two decades after his death in 1990, the influence of his teachings continues to grow, reaching seekers around the world. This inspiring compendium of spiritual wisdom and insight offers a way for everyone to access the enlightening message of the Buddha as Osho offers his unique take on his teachings, with a wisdom and wit that make it a wonderful read. When you engage with Osho's writing, you feel as if he is speaking to you. His conversational style is fluid and engaging, and while his acute perception often comes as a delight and a surprise, his shrewd insights will stay with you always. Whether he is discussing a complex philosophy, or the teachings of a great mystic, Osho always approaches the subject with his own distinctively irreverent, thought-provoking and inspiring perspectives. Covering subjects including Belief, Responsibility, Relationships, Doing Good and the Power of Consciousness, this is a book that offers real insight into leading a more spiritual life now.

**Everyday Osho** Macmillan

Taoist teachings on life and existence—presented by one of the best-known and provocative spiritual teachers of our time In this unique series of discourses, Osho unravels The Secret of the Golden Flowers, an ancient text that he describes as the essence of Taoism. It is the core of all religions and spiritual paths, belonging to no one and belonging to all. More than 2,500 years old, this remarkable text continues to be as relevant today as it was to its contemporaries. Osho demystifies the important terms used by the Chinese mystic Lu Tsu and shares his meditation exercises. He also outlines the qualities of animus and anima—our male and female energies—as delineated by Lu Tsu, explaining the importance of their relationships inside each of us. He also provides many valuable techniques and gives specific instructions on the Taoist Golden Light Meditation, which involves harmonizing the male and female elements and transmuting sexual energy. A timeless collection of Osho's talks on The Secret of the Golden Flower, this book will show you how to not remain a seed but to become what the Chinese called 'a golden flower.' Called the 'one thousand-petaled lotus' in India, the golden flower is a symbol that represents perfection, totality. It represents the actualization of potential—the beauty, the grandeur, and the splendor of being.

*The Book of Secrets* Diamond Pocket Books (P) Ltd.

How do you find your original self? Osho perceives man as becoming increasingly alienated from his inner self, gradually losing his natural innocence and creativity in the mindless quest for worldly power and success. To appear strong, the average man suppresses his innate qualities of love and compassion. For Osho, the ideal man is Zorba, the Buddha—a perfect blend of matter and soul. This seamless collection of discourses takes the reader through the various stages of man's evolution: from Adam to Slave, Son, Homosexual, Priest and Politician, until he attains the pinnacle of his consciousness as the Rebel or Zorba. Sparkling with anecdotes and enriched with brilliant repartee, The Book of Man is a remarkable blend of wisdom and wit.

**Being in Love** Osho Media International

A comprehensive and in-depth discussion of the human energy centers known as chakras. The book offers a unique understanding of how these centers, also referred to as "subtle bodies" can be identified and experienced, along with how they are related to personal transformation and health. In this volume, Osho gives an overview of the Eastern science of the subtle energy centers in the human body that are sometimes known as "chakras." It is a science that underlies traditional Chinese medicine, Indian Ayurveda, and the practice of kundalini yoga, among other disciplines that recognize the deep connection between mind and body. Osho also shows how these same principles apply to human psychological growth and maturation, and the evolution of consciousness. Self-help, Spirituality, Psychology, Meditation, Esoteric, New Age, Health, Yoga. The title will especially of

interest to the large group of people involved with Yoga, as the book describes in simple terms, using everyday experiences as examples, what underlies the Kundalini Yoga approach to the human energy system. The Chakra Book delivers the 'esoteric science' and understanding in the context of personal growth and transformation.

Pithy And Profound, Secrets Of Yoga Is An Invaluable Guide For Those Looking For Inner Peace And Harmony.

#### **The Book of Secrets** St. Martin's Essentials

This quest has been going on for countless lives. Sometimes you call it the search for truth. But you have never known truth, so how can you lose it? And sometimes you search for God. But your meeting with Him has never taken place, so how can you be separated from Him? You go in search to the temples, to the mosques, to Kashi and to Mecca; you knock on every door you come across in the hope you will find what you have lost. But as long as you do not know exactly what it is you have lost your search cannot be fulfilled. Love is the ability to experience. Love is sensitivity. Love is the experience in which all your impurities are washed away and you throw open all your doors, all your gates. Then whosoever stands at your door is no longer an enemy or a friend but a beloved, and you open your door to him. When you begin to feel the whole world is yours, when you begin to see the beloved in whosoever comes to your door, when you no longer see strangers or enemies, when you begin to see only friends everywhere – when this phenomenon takes place in you, know that you have found love.

#### *Watkins Masters of Wisdom: Osho Weiser Books*

"Tantra is freedom; freedom from all mind-constructs, from all mind-games; freedom from all structures; freedom from the other. Tantra is space to be. Tantra is liberation, a total orgasm of the whole being." —Osho The tradition of Tantra or Tantric Buddhism is known to have existed in India as early as the 5th century AD. In this all-time bestseller, using the contemporary idiom and his own unique blend of wisdom and humor, Osho talks about the mystical insights found in the ancient Tantric writings. He also explores many significant Tantric meditation techniques, demonstrating how they are as relevant to the modern-day seeker as they were to those in earlier times. No matter how complex, obscure, or mystical the subject, Osho always brings his uniquely refreshing perspective—introducing the most difficult concepts to the widest possible audience with irreverent wit and thought-provoking inspiration.

#### *A Course in Meditation* Watkins Media Limited

Discover your ability to be brave in times of adversity with *Courage: The Joy of Living Dangerously*—from one of the greatest spiritual teachers of the twentieth century. Courage is not the absence of fear, says Osho. It is, rather, the total presence of fear, with the courage to face it. This book provides a bird's-eye view of the whole terrain—where fears originate, how to understand them, and how to call on your inner strength to confront them. In the process, Osho proposes that whenever we are faced with uncertainty and change in our lives, it is actually a cause for celebration. Instead of trying to hang on to the familiar and the known, we can learn to enjoy these situations as opportunities for adventure and for deepening our understanding of ourselves and the world around us. Having courage is more than just heroic acts in exceptional circumstances. It's a necessity to lead authentic and fulfilling lives on a day-to-day basis. This is the courage to change when change is needed, the courage to stand up for our own truth, even against the opinions of others, and the courage to embrace the unknown in spite of our fears—in our relationships, in our careers, or in the ongoing journey of understanding who we are and why we are here. *Courage* also features meditation techniques specifically designed by Osho to help people cope with their fears. Osho challenges readers to examine and break free of the conditioned belief systems and prejudices that limit their capacity to enjoy life in all its richness. He has been described by the Sunday Times of London as one of the "1000 Makers of the 20th Century" and by Sunday Mid-Day (India) as one of the ten people—along with Gandhi, Nehru, and Buddha—who have changed the destiny of India. Since his death in 1990, the influence of his teachings continues to expand, reaching seekers of all ages in virtually every country of the world.

#### The Book Of Secrets Macmillan

WHAT IS MEDITATION? The question is answered here in 38 ways -- irreverent, provocative, insightful, profound. Those who have avoided meditation because it seems too serious and holy might enjoy discovering it can be "Fun." The resolutely secular can entertain the notion that it's "Scientific" and an "Experiment." And the skeptical might even be persuaded that it's "Cool." Whatever category you fall into, here's an opportunity to loosen the bindings of your preconceived notions of what meditation is, and begin to approach it with more playfulness and joy.

#### Courage Diamond Pocket Books (P) Ltd.

A 21-day course for modern meditators It can be difficult for the hyperactive 21st century mind to relax into an experience of silence and awareness. Recognizing this, the revered mystic Osho developed new meditation techniques to address the challenges of the modern mind. *A Course in Meditation* demonstrates these techniques in an easy-to-navigate format. Each day, learn a new aspect of meditative living followed by a simple, practical meditation and awareness practice. After each experience, reflect on the accompanying quote of the day, or use the provided space to take notes. Throughout the course, Osho imparts his unique insights on love, anger, relaxation, and more to guide you toward a space of inner acceptance, joy and mindfulness. *A Course in Meditation* shows how we can reclaim the meditative nature that we each come in to the world with, but lose over time as we are initiated into the ways of society. From beginners eager to find stillness to more experienced meditators who wish to elevate their practice, Osho's guide to meditation can teach everyone to separate themselves from their minds for a transformation of consciousness that brings a new understanding of what it means to be alert and responsive to whatever life brings. "Without meditation you do not know the secrets of life, you know only the surface of life." -OSHO Osho, known for his revolutionary contribution to the science of inner transformation, continues to inspire millions of people worldwide in their search to define a new approach to individual spirituality that is self-directed and responsive to the everyday challenges of contemporary life. Osho was described by UK's Sunday Times as one of the "1000

Makers of the 20th Century." His internationally bestselling works are available in 60 languages around the world.
