Cape Little, Brown Books for Young Readers
A lyrical, gorgeously illustrated look at the majesty of trees—and what humans can learn from them. Stand tall. Stretch your branches to the sun. Be a tree! We are all like trees: our spines, trunks; our skin, bark; our hearts giving us strength and support, like heartwood. We are fueled by air and sun. And, like humans, trees are social. They "talk" to spread information; they share food and resources. They shelter and take care of one another. They are stronger together. In this gorgeous and poetic celebration of one of nature's greatest creations, acclaimed author Maria Gianferrari and illustrator Felicita Sala both compare us to the beauty and majesty of trees—and gently share the ways in which trees can inspire us to be better people.

THE DEFINITIVE EDITION • Discovered in the attic in which she

spent the last years of her life, Anne Frank ' s remarkable diary has since become a world classic—a powerful reminder of the horrors of war and an eloquent testament to the human spirit. Updated for the 75th Anniversary of the Diary ' s first publication with a new introduction by Nobel Prize – winner Nadia Murad “ The single most compelling personal account of the Holocaust ... remains astonishing and excruciating. ” —The New York Times Book Review In 1942, with Nazis occupying Holland, a thirteen-year-old Jewish girl and her family fled their home in Amsterdam and went into hiding. For the next two years, until their whereabouts were betrayed to the Gestapo, they and another family lived cloistered in the “ Secret Annex ” of an old office building. Cut off from the outside world, they faced hunger, boredom, the constant cruelties of living in confined quarters, and the ever-present threat of discovery and death. In her diary Anne Frank recorded vivid impressions of her experiences during this period. By turns thoughtful, moving, and amusing, her account offers a fascinating commentary on human courage and frailty and a compelling self-portrait of a sensitive and spirited young woman whose promise was tragically cut short.

Read the series that's sold more than 2 million copies--if you dare! Warning: this description has not been authorized by Pseudonymous Bosch. As much as he'd love to sing the praises of his book (he is very vain), he wouldn't want you to hear about his brave 11-year old heroes, Cass and Max-Ernest. Or about how a mysterious box of vials, the Symphony of Smells, sends them on the trail of a magician who has vanished under strange (and stinky) circumstances. And he certainly wouldn't want you to know about the hair-raising adventures that follow and the nefarious villains they face. You see, not only is the name of this book secret, the story inside is, too. For it concerns a secret. A Big Secret.

Bad Luck Simon and Schuster

The plot thickens in this New York Times-bestselling sequel to Bad Magic! Some people have all the luck. Unfortunately, Clay isn't one of them: He's the only camper at Earth Ranch without a magical talent. As if feeling totally useless

isn't enough, Clay has to figure out what to do about Brett, a castaway boy who has just washed ashore and is determined to keep his presence a secret. Even as Clay helps his new friend hide in the remote volcanic island's wilderness, another fiery mystery begins to emerge, with all signs pointing to the impossible idea that dragons once roamed the island...and may still. Can Clay and his friends turn their luck around in time to uncover Price Island's secrets--and save it from a scorching end? Danger, adventure, mischief, mystery, old foes, new friends, and a delightfully elusive narrator make bestselling author Pseudonymous Bosch's latest novel completely irresistible.
