Be a Tree! Harper Collins

Read the series that's sold more than 2 million copies--if you dare!

Warning: this description has not been authorized by Pseudonymous Bosch. As much as he'd love to sing the praises of his book (he is very vain), he wouldn't want you to hear about his brave 11-year old heroes, Cass and Max-Ernest. Or about how a mysterious box of vials, the Symphony of Smells, sends them on the trail of a magician who has vanished under strange (and stinky) circumstances. And he

certainly wouldn't want you to know about the hair-raising adventures that follow and the nefarious villains they face. You see, not only is the name of this book secret, the story inside is, too. For it concerns a secret. A Big Secret.

Wonder Woman meets Hidden Figures in this action-packed adventure trilogy about a trio of young superheroes fighting for justice during World War II! In the midst of World War II, Josie, Akiko, and Mae are chosen by a top-secret agency to help crack puzzles for the government. The trio bonds over their shared love of female superhero celebrities, from Hauntima to Zenobia to Hopscotch. But during one

extraordinary afternoon, they find themselves transformed into the newest (and youngest!) superheroes in town. As the girls' abilities slowly begin to emerge, they learn that their skills will be crucial in thwarting a shapeshifting henchman of Hitler, and, just maybe, in solving an even larger mystery about the superheroes who've recently gone missing. This exciting and empowering hardcover boxed set includes: Cape Mask Boots *The Secret Mountain* Little, Brown Books for Young Readers The tale begins over three-hundred years ago, when the Fair People—the goblins, fairies, dragons, and other fabled and fantastic creatures of a dozen lands—fled the Old World for the New, seeking

haven from the ways of Man. With them came their precious jewels: diamonds, rubies, emeralds, pearls... But then the Fair People vanished, taking with them their twelve fabulous treasures. And they remained hidden until now... Across North America, these twelve treasures, over ten-thousand dollars in precious jewels in 1982 dollars, are buried. The key to finding each can be found within the twelve full-color paintings and verses of THE SECRET. Are you smart enough? THE SECRET: A TREASURE HUNT was published in 1982. The year before publication, the author and publisher Byron Preiss had traveled to 12 locations in the continental U.S. (and possibly Canada) to secretly bury a dozen ceramic casques. Each casque contained a small key that could be redeemed for one of 12 jewels Preiss kept in a safe deposit box in New York. The key to finding the casques was to match one of 12 paintings to one of 12 poetic verses, solve the resulting riddle, and start digging. Since 1982, only two of the 12 casques have been recovered. The first was located in Grant Park, Chicago, in 1984 by a group of students. The second was unearthed in 2004 in Cleveland by two members of the Quest4Treasure forum.

THE DEFINITIVE

EDITION • Discovered in the attic in which she spent the last years of her life,

Anne Frank's remarkable diary has since become a world classic—a powerful reminder of the horrors of war and an eloquent

testament to the human spirit. Updated for the 75th Anniversary of the Diary's first publication with a new introduction by Nobel

Prize-winner Nadia Murad “The single most

compelling personal account of the Holocaust ... remains astonishing and

excruciating.”—The New York Times Book Review

In 1942, with Nazis occupying Holland, a thirteen-year-old Jewish girl

and her family fled their home in Amsterdam and went into hiding. For the next two years, until their whereabouts were betrayed to the Gestapo, they and another family lived cloistered in the “Secret Annex” of an old office building. Cut off from the outside world, they faced hunger, boredom, the constant cruelties of living in confined quarters, and the ever-present threat of discovery and death. In her diary Anne Frank recorded vivid impressions of her experiences during this period. By turns thoughtful, moving, and amusing, her account offers a fascinating commentary on human courage and frailty and a compelling self-portrait of a sensitive and spirited young woman whose promise was tragically cut short.
