Book Summary. *The Sellout* is the first book by an American author to win the UK's prestigious Man Booker Prize. A biting satire about a young man's isolated upbringing and the race trial that sends him to the Supreme Court, Paul Beatty's *The Sellout* showcases a comic genius at the top of his game. It challenges the sacred tenets of the United States Constitution, urban life, the civil rights movement, the father-son relationship, and the holy grail of racial equality: the black Chinese restaurant.

THE SELLOUT is simply one of the best books I've read in years. Hilarious, thoughtful, and necessary, it's a novel that gets better and sharper with each turn of the page. Beatty's wit and wry acumen makes his prose a delight to read and his critical eye for our insular American condition highlights the many problems involving race in our society.
