The biggest collection of new Sherlock Holmes stories since Sir Arthur Conan Doyle laid down his pen - nearly 200,000 words of superb fiction featuring the Great Detective by masters of historical crime, including Stephen Baxter, H. R. F. Keating, Michael Moorcock and Amy Myers. Almost all the stories here are specially written; the cases presented in the order in which Holmes solved them. The result is a new life of Sherlock Holmes, with a continuous narrative alongside the stories that identifies the 'gaps' in the canon and places the new and hitherto unrecorded cases in sequence. Plus an invaluable complete Holmes chronology. Good Night, Mr. Holmes Anchor

Alex Rogo is a harried plant manager working ever more desperately to try and improve performance. His factory is rapidly heading for disaster. So is his marriage. He has ninety days to save his plant - or it will be closed by corporate HQ, with hundreds of job losses. It takes a chance meeting with a colleague from student days - Jonah - to help him break out of conventional ways of thinking to see what needs to be done. Described by Fortune as a 'guru to industry' and by Businessweek as a 'genius', Eliyahu M. Goldratt was an internationally recognized leader in the development of new business management concepts and systems. This 20th anniversary edition includes a series of detailed case study interviews by David Whitford, Editor at Large, Fortune Small Business, which explore how organizations around the world have been transformed by Eli Goldratt's ideas. The story of Alex's fight to save his plant contains a serious message for all managers in industry and explains the ideas which underline the Theory of Constraints (TOC) developed by Eli Goldratt. Written in a fast-paced thriller style, The Goal is the gripping novel which is transforming management thinking throughout the Western world. It is a book to recommend to your friends in industry - even to your bosses - but not to your competitors!

The Athenian Murders Forge Books

The inspiration for Chloé Zhao's 2020 Golden Lion award-winning film starring Frances McDormand. "People who thought the 2008 financial collapse was over a long time ago need to meet the people Jessica Bruder got to know in this scorching, beautifully written, vivid, disturbing (and occasionally wryly funny) book." —Rebecca Solnit From the beet fields of North Dakota to the campgrounds of California to Amazon’s CamperForce program in Texas, employers have discovered a new, low-cost labor pool, made up largely of transient older adults. These invisible casualties of the Great Recession have taken to the road by the tens of thousands in RVs and modified vans, forming a growing community of nomads. Nomadland tells a revelatory tale of the dark underbelly of the American economy—one which foreshadows the precarious future that may await many more of us. At the same time, it celebrates the exceptional resilience and creativity of these Americans who have given up ordinary rootedness to survive, but have not given up hope.

The Return of the Pharaoh Mulholland Books

"As authentically, irresistibly gripping as anything Conan Doyle ever wrote. . . . Don't miss it."-Cosmopolitan

The Lucifer Effect Bantam Books

In 1939, in rooms at All Saints College, Oxford - a certain Miss Adelina McWhirter paid a visit to another Dr. John Watson, leaving behind, after an exchange of money, a beat-up metal box full of old papers. But the volatile political circumstances of the day kept this second Watson, himself a Sherlockian scholar, from then publishing what he had fortuitously acquired. There are no such obstacles in the present day. And thanks to Aubrey B. Watson, heir to the precious cache, seven heretofore untold cases investigated by Sherlock Holmes with the assistance of the always estimable Watson can be laid before the expectant public.

The Seven-per-cent Solution Lindhardt og Ringhof

Millions of Americans use e-cigarettes. Despite their popularity, little is known about their health effects. Some suggest that e-cigarettes likely confer lower risk compared to combustible tobacco cigarettes, because they do not expose users to toxicants produced through combustion. Proponents of e-cigarette use also tout the potential benefits of e-cigarettes as devices that could help combustible tobacco cigarette smokers to quit and thereby reduce tobacco-related health risks. Others are concerned about the exposure to potentially toxic substances contained in e-cigarette emissions, especially in individuals who have never used tobacco products such as youth and young adults. Given their relatively recent introduction, there has been little time for a scientific body of evidence to develop on the health effects of e-cigarettes. Public Health Consequences of E-Cigarettes reviews and critically assesses the state of the emerging evidence about e-cigarettes and health. This report makes recommendations for the improvement of this research and highlights gaps that are a priority for future research.

W. W. Norton & Company

An engagingly illustrated account of immigrant Clara Lemlich's pivotal role in the influential 1909 women laborer's strike describes how she worked grueling hours to acquire an education and support her family before organizing a massive walkout to protest the unfair working conditions in New York's garment district. 25,000 first printing.

The Case-Book of Sherlock Holmes W. W. Norton & Company

In Nicholas Meyer's The Return of the Pharaoh, Sherlock Holmes returns in an adventure that takes him to Egypt in search of a missing nobleman, a previously undiscovered pharaoh's tomb, and a conspiracy that threatens his very life. With his international bestseller, The Seven Per Cent Solution, Nicholas Meyer brought to light a previously unpublished case of Sherlock Holmes that reinvigorated the world's interest in the first consulting detective. Now, many years later, Meyer is given exclusive access to Dr. Watson's unpublished journal, wherein he details a previously unknown case. In 1910, Dr. John Watson travels to Egypt with his wife Juliet. Her tuberculosis has returned and her doctor recommends a stay at a sanitarium in a dry climate. But while his wife undergoes treatment, Dr. Watson bumps into an old friend--Sherlock Holmes, in disguise and on a case. An English Duke with a penchant for egyptology has disappeared, leading to enquiries from his wife and the Home Office. Holmes has discovered that the missing duke has indeed vanished from his lavish rooms in Cairo and that he was on the trail of a previous undiscovered and unopened tomb. And that he's only the latest Egyptologist to die or disappear under odd circumstances. With the help of Howard Carter, Holmes and Watson are on the trail of something much bigger, more important, and more sinister than an errant lord.

A Seventy-Five Percent Solution CRC Press

Exploring Movie Construction & Production contains eight chapters of the major areas of film construction and production. The discussion covers theme, genre, narrative structure, character portrayal, story, plot, directing style, cinematography, and editing. Important terminology is defined and types of analysis are discussed and demonstrated. An extended example of how a movie description reflects the setting, narrative structure, or directing style is used throughout the book to illustrate building blocks of each theme. This approach to film instruction and analysis has proved beneficial to increasing students' learning, while enhancing the creativity and critical thinking of the student.

The House of Silk W. W. Norton & Company

A carefully researched vintage-style reimagining of the case of Jack the Ripper pits the nineteenth-century serial killer against Sherlock Holmes, who endeavors to identify and outmaneuver his adversary against a backdrop of their time and without modern technology.

CEO Excellence Random House Trade Paperbacks

In The Amazing Adventures of Kavalier and Clay, prose magician Michael Chabon conjured the golden age of comic books, intertwining history, legend and story-telling verve. In The Final Solution, he has condensed his boundless vision to create a short, suspenseful tale of compassion and wit that re-imagines the classic 19th-century detective story. In deep retirement in the English countryside, an 89-year old man, vaguely recollected by the locals as a once-famous detective, is more concerned with his bookkeeping than his fellow man. Into his life wanders Linus Steinman, nine years old and mute, who has escaped from Nazi Germany with his sole companion: an African grey parrot. What is the meaning of the mysterious strings of German numbers the bird spews out—a top-secret SS code? The keys to a series of Swiss bank accounts? Or do they hold a significance at once more prosaic and far more sinister? Though the solution to this last case may be beyond even the reach

of the once famed sleuth, the true story of the boy and his parrot is subtly revealed to the reader in a wrenching resolution to this brilliant homage. The Final Solution is a work from a master story-teller at the height of his powers.

The Seven Per Cent Solution Hachette UK

With her characteristic brilliance, grace and radical audacity, Angela Y. Davis has put the case for the latest abolition movement in American life: the abolition of the prison. As she quite correctly notes, American life is replete with abolition movements, and when they were engaged in these struggles, their chances of success seemed almost unthinkable. For generations of Americans, the abolition of slavery was sheerest illusion. Similarly,the entrenched system of racial segregation seemed to last forever, and generations lived in the midst of the practice, with few predicting its passage from custom. The brutal, exploitative (dare one say lucrative?) convict-lease system that succeeded formal slavery reaped millions to southern jurisdictions (and untold miseries for tens of thousands of men, and women). Few predicted its passing from the American penal landscape. Davis expertly argues how social movements transformed these social, political and cultural institutions, and made such practices untenable. In Are Prisons Obsolete?, Professor Davis seeks to illustrate that the time for the prison is approaching an end. She argues forthrightly for "decarceration", and argues for the transformation of the society as a whole.

The Mammoth Book of New Sherlock Holmes Adventures National Academies Press "Essential reading for any Star Trek and movie fan." -trekmovie.com When Nicholas Meyer was asked to direct the troubled second Star Trek film, he was something less than a true believer. A bestselling author and successful director, he had never been a fan of the TV series. But as he began to ponder the appeal of Kirk, Spock, et al., he realized that their story was a classical nautical adventure yarn transplanted into space and-armed with that insight-set out on his mission: to revitalize Trek.

Dust and Shadow Little Brown GBR

Moving to Los Angeles, Mr. Sydney Silchester has opened a professional decoding office but must call on the inscrutable Mr. Mycroft to discover the cause of an improbable and intriguing chain of events.

The Secret of Sherlock Holmes Seven Stories Press

On the most secret and dangerous assignment of their lives, Sherlock Holmes and Dr. Watson are sent into the newborn Soviet Union to rescue The Romanovs: Nicholas and Alexandra and their innocent children. Will Holmes and Watson be able to change history? Will they even be able to survive?

The Final Solution Simon and Schuster

At the request of Queen Victoria and aided by Dr. Watson, Sherlock Holmes uses his expertise as a chemist to explain a mysterious gap in Robert Louis Stevenson's account of Dr. Jekyll and Mr. Hyde

The Jungle Hachette UK

1906 bestseller shockingly reveals intolerable labor practices and unsanitary working conditions in the Chicago stockyards as it tells the brutally grim story of a Slavic family that emigrates to America full of optimism but soon descends into numbing poverty, moral degradation, and despair. A fiercely realistic American classic that will haunt readers long after they've finished the last page.

The View from the Bridge Minotaur Books

In 1893, Sherlock Holmes and Henry James come to America together to investigate the suicide of Clover Adams, wife of the esteemed historian Henry Adams - a member of the family that has given the United States two Presidents. Quickly, the investigators deduce that there's more to Clover's death than meets the eye - with issues of national importance at stake. Holmes is currently on his Great Hiatus - his three-year absence after Reichenbach Falls during which time the people of London believe him to be deceased. The disturbed Holmes has faked his own death and now, as he meets James, is questioning what is real and what is not. Holmes'

---

theories shake James to the core. What can this master storyteller do to fight against the sinister power - possibly Moriarty - that may or may not be controlling them from the shadows? And what was Holmes' role in Moriarty's rise? Conspiracy, action and mystery meet in this superb literary hall of mirrors from the author of Drood.

**Nomadland: Surviving America in the Twenty-First Century** Viking Press

New York Times Bestseller This "rediscovered" Sherlock Holmes adventure recounts the unique collaboration of Holmes and Sigmund Freud in the solution of a mystery on which the lives of millions may depend. First discovered and then painstakingly edited and annotated by Nicholas Meyer, The Seven-Per-Cent Solution related the astounding and previously unknown collaboration of Sigmund Freud with Sherlock Holmes, as recorded by Holmes's friend and chronicler, Dr. John H. Watson. In addition to its breathtaking account of their collaboration on a case of diabolic conspiracy in which the lives of millions hang in the balance, it reveals such matters as the real identity of the heinous professor Moriarty, the dark secret shared by Sherlock and his brother Mycroft Holmes, and the detective's true whereabouts during the Great Hiatus, when the world believed him to be dead.
