The Sexual Politics of Meat - 25th Anniversary Edition: A ...

The Sexual Politics of Meat: A Feminist-Vegetarian Critical Theory discusses how, especially in times of shortage, women often give men the meat they perceive to be the "best" food. She also discusses the connections between feminism and vegetarianism, and patriarchy and meat eating, historically and through the reading of literary texts.

First published in 1990, *The Sexual Politics of Meat* is a landmark text in the ongoing debates about animal rights. In the two decades since, the book has inspired controversy and heated debate. *The Sexual Politics of Meat* argues that what, or more precisely who, we eat is determined by the patriarchal politics of our culture, and that the meanings attached to meat eating are often clustered around virility.

[The Sexual Politics of Meat Quotes by Carol J. Adams](#)

In her ground-breaking work *The Sexual Politics of Meat*, Carol J. Adams explicitly addresses the interconnectedness of various levels of subjugation – racism, sexism, classism – and a relatively niche term to address the hierarchical divide between humans and non-humans – speciesism. Writing in the original edition's preface, Adams introduces how the practice of meat-eating is inherently connected to male dominance, and how animal oppression is linked to women oppression.

The Sexual Politics of Meat shows how closely the treatment of our lives and bodies are tied to those of animals in our cultural story. Language matters. Stories and narratives have power. What next?

The Sexual Politics Of Meat

The Sexual Politics of Meat shows how a process of objectification, fragmentation, and consumption enables the oppression of animals so that animals are rendered being-less through technology, language, and cultural representation. Objectification permits an oppressor to view another being as an object.
