The author of *Excellent Women* explores female friendship and the quiet yearnings of British middle-class life—a literary delight for fans of Jane Austen. Jane Cleveland and Prudence Bates were close friends at Oxford University, but now live very different lives. Forty-one-year-old Jane lives in the country, is married to a vicar, has a daughter she adores, and lives a very proper life in a very proper English parish. Prudence, a year shy of thirty, lives in London, has an office job, and is self-sufficient and fiercely independent—until Jane decides her friend should be married. Jane has the perfect husband in mind for her former pupil: a widower named Fabian Driver. But there are other women vying for Fabian’s attention. And Pru is nursing her own highly inappropriate desire for her older, married, and seemingly oblivious employer, Dr. Grampian. What follows is a witty, delightful, trenchant story of manners, morals, family, and female bonding that redefines the social novel for a new generation.

Whoever dares to seek the firebird may find the journey—and its ending—unexpected. Nicola Marter was born with a gift. When she touches an object, she sometimes sees images, glimpses of those who have owned it before. It’s never been a gift she wants, and she keeps it a secret from most people, including her practical boss Sebastian, one of London’s premier dealers in Russian art. But when a woman offers Sebastian a small wooden carving for sale, claiming it belonged to Russia’s

Empress Catherine, it's a problem. There's no proof. Sebastian believes that the plain carving—known as "The Firebird"—is worthless. But Nicola has held it, and she knows the woman is telling the truth and is in desperate need of the money the sale of the heirloom could bring. Compelled to help, Nicola turns to a man she once left and still loves: Rob McMorran, whose own psychic gifts are far greater than hers. With Rob to help her "see" the past, she follows a young girl named Anna from Scotland to Belgium and on into Russia. There, in St. Petersburg—the once-glistening capital of Peter the Great's Russia—Nicola and Rob unearth a tale of love and sacrifice, of courage and redemption . . . an old story that seems personal and small, perhaps, against the greater backdrops of the Jacobite and Russian courts, but one that will forever change their lives.
