'Shadowy Horses' is set in Scotland, a land steeped in atmosphere and primal forces, even now. Throw in the chance of finding the final battlesite of a long-lost legendary legion, and the stage is set for a fireside tale that could send a few shivers down your spine. And Susanna Kearsley doesn't disappoint.

The Shadowy Horses is set in Eyemouth, in the Scottish borders. You can visit the town's web site here. With its dark legends and passionate history, the windswept shores of Scotland are

an archaeologist's dream. Verity Grey is thrilled by the challenge of uncovering an ancient Roman campsite in a small village.
