One warm rainy summer, Freya Dane, a PhD candidate in archaeology, arrives on the ancient Scottish island of Findnar. Estranged as a child from her recently dead father, himself an archaeologist, Freya yearns to understand more about the man, his work on the island, and why he left her mother so many years ago. It seems Michael Dane uncovered much of Findnar's Viking and Christian past through his search for an elusive tomb, and Freya continues with his work. The discoveries she is destined to make, far greater than her father's, will teach her the true meaning of love and of loss. AD 800, and a

wandering comet, an omen of evil, shines down on Findnar. The fears of the locals are justified. In a Viking raid, Signy, a Pictish girl, loses her entire family. Taken in by survivors of the island's Christian community, she falls in love with an injured Viking youth left behind by the raiders and is cast out. Confused and bereft, eventually she becomes a nun, a decision that will unleash tragedy as she is plunged into the heart of a war between three religions. Forced to choose between her ancestors' Animist beliefs, her adopted faith, and the man she loves, Signy will call out to Freya across the centuries. Ancient wrongs must be laid to rest in the present and the mystery at the heart of Findnar's violent past exposed.

The Love That Dare Not Speak Its Name... We do it in the dark. Under the sheets. With a penlight. We wear sunglasses and a baseball hat at the bookstore. We have a "special place" where we store them. Let's face it: Not many folks are willing to publicly admit they love romance novels. Meanwhile, romance continues to be the bestselling fiction genre. Ever. So what's with all the shame? Sarah Wendell and Candy Tan -- the creators of the wildly popular blog Smart Bitches, Trashy Books -- have no shame! They look at the good, the bad, and the ugly in the world of romance novels and tackle the hard issues and questions: -- The heroine's irresistible Magic Hoo Hoo and the hero's untamable Wang of Mighty Lovin' -- Sexual trends. Simultaneous orgasms. Hymens. And is anal really the new oral? -- Romance novel cover requirements: man titty, camel toe, flowers, long hair, animals, and the O-face -- Are romance novels really candy-coated porn or vehicles by which we understand our sexual and gender politics? Peter Quinell was obsessively searching for the final resting place of the Ninth Legion, supposedly lost when sent north in the 2nd Century AD to deal with some rebellious Picts. The Ninth Legion lay here, thought Peter, because a local boy called Robbie saw and talked to the ghost of the Sentinel who stood guard over the bodies of his dead comrades. The worst of it was that Verity believed Peter, she believed Robbie, and she believed in the Sentinel. And when he stepped in to become her own protector, she believed in him even more.

*The Lantern* Harper Collins

A modern tale of love, war, and historical intrigue from New York Times and Globe and Mail bestselling author, Susanna Kearsley. When Verity Grey is asked to join archaeologist Peter Quinell's dig on the Scottish Borderlands, she is thrilled. She has long been drawn to the dark legends of the area, and Quinell has spent his whole life searching for the resting place of the invincible ninth Roman Legion, which marched from York to fight the Northern tribes before mysteriously vanishing from the pages of history. But after her first day on the job, Verity isn't sure she's made the right decision. Her eccentric boss is convinced he's finally found what he's been looking for—not because of any scientific evidence, but because a local boy has “seen” a Roman soldier walking in the fields, a ghostly sentinel guarding the bodies of his long-dead comrades. Despite Verity's misgivings, it soon becomes clear that there must indeed be

secrets lying beneath the windswept shores, because someone is intent on sabotaging the dig. What do the sentinel's urgent warnings mean? And who is trying so desperately to drive the team away and keep what is buried hidden?
