Surprised by Joy Crossway

Jim Elliot was a missionary--and then a martyr at the hands of the Auca Indians to whom he was witnessing. At the age of 28, he left behind a young wife, a baby daughter, and an incredible legacy of faith. Jim's volumes of personal journals, written over many years, reveal the inner struggles and victories that he experienced before his untimely death. In *The Journals of Jim Elliot*, you'll come to know this intelligent and articulate man who yearns to know God's plan for his life, details his fascinating missions work, and reveals his love for Elisabeth--first as a single man, then as a happily married one. Edited by his widow, Jim's personal yet universal musings about faith, love, and work will show you how to apply the Bible to the situations you face every day. They will inspire you to lead a life of obedience, regardless of the cost, and delight you with an amazing story of courage and determination. *Shaping the Christian Life* Moody Publishers

How can Christians live faithfully at the crossroads of the story of Scripture and postmodern culture? In *Living at the Crossroads*, authors Michael Goheen and Craig Bartholomew explore this question as they provide a general introduction to Christian worldview. Ideal for both students and lay readers, *Living at the Crossroads* lays out a brief summary of the biblical story and the most fundamental beliefs of Scripture. The book tells the story of Western culture from the classical period to postmodernity. The authors then provide an analysis of how Christians live in the tension that exists at the intersection of the biblical and cultural stories, exploring the important implications in key areas of life, such as education, scholarship, economics, politics, and church.

Christian Wisdom Baker Academic

An interdisciplinary study of Clement of Alexandria's Christian reception of the Classical miscellany genre, in comparison with Roman authors.

The Little Book of Christian Character & Manners Wipf and Stock Publishers

"This book is about how American religious parents approach the handing on of their religious practices and beliefs to their children. We know a lot about the importance of parents in faith transmission and factors that influence its effectiveness. But we know much less about the actual beliefs, feelings, and activities of the parents themselves when it comes to the intergenerational transmission of religious faith and practice"--Jewish and Christian Self-definition InterVarsity Press

Resurrecting Excellence aims to rekindle and encourage among Christian leaders an unselfish ambition for the gospel that shuns both competition and mediocrity and rightly focuses on the beauty, power, and excellence of living as faithful disciples of the crucified and risen Christ. Drawing on ancient traditions and on contemporary voices, L. Gregory Jones offer both a theology of excellence and portraits of pastors, lay leaders, and congregations that embody "a more excellent way."--Publisher's description.

The Journals of Jim Elliot Basic Books

A repackaged edition of the revered author ' s spiritual memoir, in which he recounts the story of his divine journey and eventual conversion to Christianity. C. S. Lewis—the great British writer, scholar, lay theologian, broadcaster, Christian apologist, and bestselling author of *Mere Christianity*, *The Screwtape Letters*, *The Great Divorce*, *The Chronicles of Narnia*, and many other beloved classics—takes readers on a spiritual journey through his early life and eventual embrace of the Christian faith. Lewis begins with his childhood in Belfast, surveys his boarding school years and his youthful atheism in England, reflects on his experience in World War I, and ends at Oxford, where he became "the most dejected and reluctant convert in all England." As he recounts his lifelong search for joy, Lewis demonstrates its role in guiding him to find God.

Bringing Up Girls Revell

Hibbard Publications

A "little" but thorough book which uses the foundation of the Bible (not popular psychology) to develop appropriate instruction on how to train children. The book is intended not to be an exhaustive child-training manual, but to give a biblical framework upon which to build practical standards for discipline and manners in the home.

Eschatology and the Shape of Christian Belief Wipf and Stock Publishers

2010 Christianity Today Book Award winner! With characteristic rigor and insight, in this book Mark Noll revisits the history of the American church in the context of world events. He makes the compelling case that how Americans have come to practice the Christian faith is just as globally important as what the American church has done in the world. He backs up this substantial claim with the scholarly attentiveness we've come to expect from him, lucidly explaining the relationship between the development of Christianity in North America and the development of Christianity in the rest of the world, with attention to recent transfigurations in world Christianity. Here is a book that will challenge your assumptions about the nature of the relationship between the American church and the global church in the past and predict what world Christianity may look like.

Shaping a Christian Worldview B&H Publishing Group

Merit winner in the 2006 Christianity Today Book Awards! "As the Father has sent me, so I send you." Those of us called to Christian ministry are commissioned and sent by Jesus, just as he himself was called and sent by the Father. Thus we naturally pattern our ministries after Christ's example. But distinctively Christian service involves the Spirit as well, just as Jesus himself accomplished his ministry in the power of the Spirit. Thus the whole Trinity--Father, Son and Holy Spirit--gives shape to truly authentic Christian ministry. Though as Christians we all affirm the doctrine of the Trinity, many of us might struggle to explain how understanding the Trinity could actually shape our ministry. Stephen Seamands demonstrates how a fully orb ed theology of the Trinity transforms our perception and practice of vocational ministry. Theological concepts like relationality and perichoresis have direct relevance to pastoral life and work, especially in unfolding a trinitarian approach to relationships, service and mission. A thoroughly trinitarian outlook provides the fuel for our ministry "of Jesus Christ, to the Father, through the Holy Spirit, on behalf of the church and the world." Essential reading for pastors, parachurch workers, counselors, missionaries, youth ministers and all who are called to any vocation of Christian ministry.

Clement of Alexandria and the Shaping of Christian Literary Practice Cambridge University Press

Newspapers are filled with stories about poorly educated children, ineffective teachers, and cash-strapped school districts. In this greatly expanded treatment of a topic he first dealt with in *Rediscovering the Lost Tools of Learning*, Douglas Wilson proposes an alternative to government-operated school by advocating a return to classical Christian education with its

discipline, hard work, and learning geared to child development stages. As an educator, Wilson is well-equipped to diagnose the cause of America's deteriorating school system and to propose remedies for those committed to their children's best interests in education. He maintains that education is essentially religious because it deals with the basic questions about life that require spiritual answers-reading and writing are simply the tools. Offering a review of classical education and the history of this movement, Wilson also reflects on his own involvement in the process of creating educational institutions that embrace that style of learning. He details elements needed in a useful curriculum, including a list of literary classics. Readers will see that classical education offers the best opportunity for academic achievement, character growth, and spiritual education, and that such quality cannot be duplicated in a religiously-neutral environment.

Metanoia InterVarsity Press

2019 Outreach Magazine Resource of the Year: Apologetics • 2018 The Gospel Coalition Book Award: Evangelism & Apologetics Apologetics at the Cross describes a much-needed approach to defending Christianity that uses Jesus as a model and the letter of 1 Peter as a guiding text. This is a guidebook for how to defend Christianity with Christ-like gentleness and respect toward those who persecute the faith, making you a stronger witness to the good news of the gospel than many other apologetics books that focus on crafting unbreachable arguments. Joshua D. Chatraw and Mark D. Allen first provide an introduction to the rich field of apologetics and Christian witness, acquainting students and lay learners with the rich history, biblical foundation, and ongoing relevance of apologetics. Unique in its approach, Apologetics at the Cross: Presents the biblical and historical foundations for apologetics. Explores various contemporary methods for approaching apologetics. Gives practical guidance in "how to" chapters that feature many real-life illustrations. But their approach pays special attention to the attitude and posture of the apologist, outlining instructions for the Christian community centered on reasoned answers, a humble spirit, and joy; rather than anger, arrogance, and aggression. Chatraw and Allen equip Christians to engage skeptics with the heart as well as the mind. Conversational in tone and balanced in approach, Apologetics at the Cross provides a readable introduction to the field of apologetics. You'll be informed and equipped for engaging a wide range of contemporary challenges with the best in Christian thought.
