They came from the poorest parts of Ireland and Italy, and met as rivals on the sidewalks of New York. Since its release in 1969, *The Godfather* has made an indelible mark on American crime fiction. From the mind of master storyteller Mario Puzo, it traces the Corleone family, whose brilliant and brutal portrayal illuminated the violent and seductive allure of power in American society. A tale of family and loyalty, law and order, obedience and rebellion, it has stood the test of time as the definitive novel of the Mafia underworld. Beyond the bestselling novel, Francis Ford Coppola's incomparable film adaptation and Academy Award winner for Best Picture cemented *The Godfather's* reputation as a triumph in storytelling and a seminal classic for the ages. With a legacy of blood and honor, it is a cultural touchstone that has resonated for generations, and still mesmerizes readers to this day.

The Los Angeles Times said it best: "Puzo [was] a man who . . . remained in the shadows throughout his long career as a novelist and screenwriter, only rarely speaking to the press." That may not seem like such an oddity until one is reminded that during the mid-1970s *The Godfather* sold more copies per year than any other book except the Bible...Puzo was also a writer who struggled for decades before any success occurred; and only after age 50 was he an author whose success was so prodigious that it affected, tainted, defined, and pigeonholed the artist who, out of economic desperation and romantic imagination (plus will power and the ability to follow through), created the single most recognizable of American protagonists. In the life of Puzo, all roads led to *The Godfather*. No other writer of his generation created such an internationally embraced, mythic, beloved tale. . . . Although Mario Puzo had received major critical praise for his first two novels (1955's *The Dark Arena* and 1965's *The Fortunate Pilgrim*), sales were all but flat. Then: Badly indebted, with five children, pushing 50 and plagued by stress, he vowed to write a best-seller. His third novel was *The Godfather*. "Backed up by hard facts and filled with behind-the-scenes stories, M. J. Moore's book is a definitive guide for all fans of Mario Puzo who want to know more about his life, work, and personal achievements." --Carol Gino, author of *The Nurse's Story*, *Rusty's Story*, and *Me & Mario* "Puzo's fans will appreciate this warm portrait." --Kirkus Reviews "Moore begins by recounting Puzo's Hell's Kitchen upbringing, his Army service as a clerk during and after WWII, his persistent money troubles . . . and his investigation by the FBI for selling draft deferments. Moore is at his best when using these details . . ." --Publishers Weekly

*The Making of the Godfather* G K Hall & Company

This "wickedly pacey page-turner" (Total Film) unfurls the behind-the-scenes story of the making of The Godfather, fifty years after the classic film's original release. The story of how The Godfather was made is as dramatic, operatic, and entertaining as the film itself. Over the years, many versions of various aspects of the movie's fiery creation have been told--sometimes conflicting, but always compelling. Mark Seal sifts through the evidence, has extensive new conversations with director Francis Ford Coppola and several heretofore silent sources, and complements them with colorful interviews with key players including actors Al Pacino, James Caan, Talia Shire, and others to write "the definitive look at the making of an American classic" (Library Journal, starred review). On top of the usual complications of filmmaking, the creators of The Godfather had to contend with the real-life members of its subject matter: the Mob. During production of the movie, location permits were inexplicably revoked, author Mario Puzo got into a public brawl with an irate Frank Sinatra, producer Al Ruddy's car was found riddled with bullets, men with "connections" vied to be in the cast, and some were given film roles. As Seal notes, this is the tale of a "movie that revolutionized filmmaking, saved Paramount Pictures, minted a new generation of movie stars, made its struggling author Mario Puzo rich and famous, and sparked a war between two of the mightiest powers in America: the sharks of Hollywood and the highest echelons of the Mob." "For fans of books about moviemaking, this is a definite must-read" (Booklist).

*The Godfather: The Lost Years* Ballantine Books

A masterful saga of the last great American Mafia family and its powerful reach into Hollywood and Las Vegas, from the author of The Godfather. The Last Don is Domenico Clericuzio, a wise and ruthless old man who is determined to see his heirs established in legitimate society but whose vision is threatened when secrets from the family's past spark a vicious war between two blood cousins. The Last Don is a mesmerizing tale that takes us inside the equally corrupt worlds of the mob, the movie industry, and the casinos where beautiful actresses and ruthless hitmen are ruled by lust and violence, where sleazy producers and greedy studio heads are drunk on power, where crooked cops and desperate gamblers play dangerous games of betrayal, and where one man controls them all. Praise for The Last Don "Puzo is in top form. . . . Head-long entertainment, bubbling over with corruption, betrayal, assassinations, Richter-scale romance, and, of course, family values."--Time "The most entertaining read since The Godfather."--The New York Times Book Review "Skillfully crafted. . . . It gives us Hollywood, Las Vegas, and the mob in one sweet dish."--Los Angeles Times Book Review "Puzo returns after a quarter century to the terrain of his greatest success, The Godfather, to tell a second masterful tale of Mafia life."--Variety "A compelling tale peopled by memorable characters. . . . Puzo is a master storyteller with an uncanny facility for details that force the reader to keep the pages turning."--USA Today
