Higher Authority Penguin

The final novel in the Martin Beck mystery series by Maj Sjöwall and Per Wahlöö is a masterful, all consuming tale that rushes toward a thrilling, unexpected climax. With a new introduction by Dennis Lehane: "Tension so thick the reader could crack a tooth." An American senator is visiting Stockholm and Martin Beck must lead a team to protect him from an international gang of terrorists. However, in the midst of the fervor

created by the diplomatic visit, a young, peace-loving woman is accused of robbing a bank. Beck is determined to prove her innocence, but gets trapped in the maze of police bureaucracy. To complicate matters a millionaire pornographer has been bludgeoned to death in his own bathtub. Filled with the twists and turns and the pulse pounding excitement that are the hallmarks of the Martin Beck novels, *The Terrorists* is the stunning conclusion to the incredible series that changed crime fiction forever.

Penguin

Dr. Alan Gregory tries to protect a traumatized patient from a killer who uses highly unorthodox methods

The Siege The Siege

In this rich analysis of the changing ideals of citizenship, Stephen K. White offers a path for the renewal of democratic life in

the twenty-first century. Looking beyond passive notions of citizenship defined in terms of voting or passport possession, White seeks a more aspirational portrait, both participatory and inclusive, that challenges citizens, especially in the middle class, to confront power structures to achieve greater justice. Using the Tea Party and followers of Donald Trump as foils, he shows how these groups' resentful and exclusivist conceptions of active citizenship undermine democratic aspirations. White explores how such deleterious influence might be effectively engaged by a robust counter-conception on the democratic left. The book makes this aspirational ideal conceptually clear, normatively compelling and aesthetically

attractive.

Habermas Penguin

From New York Times bestselling author Stephen White comes the sixth suspense thriller featuring psychologist Dr. Alan Gregory. Summoned to the hospital to learn the motives behind a teenage girl's suicide attempt, Alan discovers that the girl's young stepsister lies near death in another hospital with a heart disease. Denied an experimental new treatment that could save her life by her parent's managed-care provider, the stepsister has become a symbol of a health care system more concerned with costs than with the lives of its patients. And when a wealthy executive of the family's HMO is found dead, Alan and Denver detective Sam Purdy uncover the truth that links the teenage girl to his death, and the truth behind a family willing to kill in the name of love...and revenge.

Vertical Run Open Road Media

The instant #1 New York Times bestseller | A Washington Post Notable Book | One of NPR's Best Books of 2021 The definitive behind-the-scenes story of Trump's final year in office, by Phil Rucker and Carol Leonnig, the Pulitzer-Prize winning reporters and authors of *A Very Stable Genius*. “Chilling.” – Anderson Cooper “Jaw-dropping.” – John Berman “Shocking.” – John Heilemann “Explosive.” – Hallie Jackson “Blockbuster new reporting.” – Nicolle Wallace “Bracing new revelations.” – Brian Williams “Bombshell reporting.” – David Muir The true story of what took place in Donald Trump's White House during a disastrous 2020 has never before been told in full. What was really going on around the president, as the government failed to contain the coronavirus and over half a million Americans perished? Who was influencing Trump after he refused to concede an election he had clearly lost and spread lies about election fraud? To answer these questions, Phil Rucker and Carol Leonnig reveal a dysfunctional and bumbling presidency's inner workings in unprecedented, stunning detail. Focused on Trump and the key players around him—the doctors, generals, senior advisers, and Trump family members—Rucker and Leonnig provide a forensic account of the most devastating year in a presidency like no other. Their sources were in the room as time and time again Trump put his personal gain ahead of the good of the country. These witnesses to history tell the story of him longing to deploy the military to the streets of American cities to crush the protest

movement in the wake of the killing of George Floyd, all to bolster his image of strength ahead of the election. These sources saw firsthand his refusal to take the threat of the coronavirus seriously—even to the point of allowing himself and those around him to be infected. This is a story of a nation sabotaged—economically, medically, and politically—by its own leader, culminating with a groundbreaking, minute-by-minute account of exactly what went on in the Capitol building on January 6, as Trump's supporters so easily breached the most sacred halls of American democracy, and how the president reacted. With unparalleled access, Rucker and Leonnig explain and expose exactly who enabled—and who foiled—Trump as he sought desperately to cling to power. A classic and heart-racing work of investigative reporting, this book is destined to be read and studied by citizens and historians alike for decades to come.

Bone Deep National Geographic Books
When authorities reopen their investigation into the suicide of a woman named J. Winter Brown, Boulder psychologist Alan Gregory and his equally culpable friend Sam Purdy inadvertently disclose details of their involvement in her death. Now, the trail that leads back to Alan and Sam, once cold, has turned white-hot. With his vulnerability mounting daily, Alan begins to fear that a mesmerizing new patient may

be the catalyst that can cause everything he treasures—his marriage, family, friendship, and future—to implode. As the authorities close in, the story hurtles toward a conclusion that will set the stage for the most unexpected of outcomes: the final act of the Alan Gregory saga.

Private Practices Penguin

By the co-writer of the HBO miniseries *The Night Of* Richard Price's New York Times bestseller, *The Whites*, is an electrifying tale of a New York City police detective under siege—by an unsolved murder, by his own dark past, and by a violent stalker seeking revenge. Back in the run-and-gun days of the mid-1990s, when a young Billy Graves worked in the South Bronx as part of an aggressive anti-crime unit known as the Wild Geese, he made headlines by accidentally shooting a ten-year-old boy while struggling with an angel-dusted berserker on a crowded street. Branded as a loose cannon by his higher-ups, Billy spent years enduring one dead-end posting after another. Now in his early forties, he has somehow survived and become a sergeant in Manhattan Night Watch, a small team of detectives charged with responding to all post-midnight felonies from Wall Street to Harlem. Mostly, his unit acts as little more than a set-up crew for the incoming shift, but after years in police purgatory, Billy is content simply to do his job. Then comes a call that changes everything: Night Watch is summoned to the four a.m. fatal

slashing of a man in Penn Station, and this time Billy's investigation moves beyond the usual handoff to the day tour. And when he discovers that the victim was once a suspect in the unsolved murder of a twelve-year-old boy—a savage case with connections to the former members of the Wild Geese—the bad old days are back in Billy's life with a vengeance, tearing apart enduring friendships forged in the urban trenches and even threatening the safety of his family. Razor-sharp and propulsively written, *The Whites* introduces Harry Brandt—a new master of American crime fiction. *The Siege* Penguin

A woman accused of murder is caught in a tortuous psychological maze that leaves her only one escape—suicide. Or does it? Told in reverse chronological order, from its enigmatic end to its brilliant beginning, *In the Company of Liars* is a tantalizing tour de force—a “compelling new novel of intrigue, murder, and terrorism” (*The Philadelphia Inquirer*). *Bring the War Home* Signet Book
FROM THE NEW_YORK_TIMES
BESTSELLING AUTHOR OF *KILL ME*
Psychopath Michael McClelland escapes from a mental hospital to exact revenge against those responsible for his confinement, including psychologist Alan Gregory and his family. McClelland has the upper hand—secrets from Alan's past that set a diabolical game in motion. *Manner of Death* UPNE
Sometimes the warning signs come too late...

The brutal slaying of Boulder's controversial D.A. strikes deep in the heart of everything clinical psychologist Alan Gregory holds dear: After all, Alan's wife, Lauren, worked for the dead man. When a new patient walks into Alan's office—a terrified mother with an explosive secret—he finds himself edging even closer to the darkness. Soon her privileged exchanges convince Alan that a crime is about to be committed. And when he uncovers a shocking link to the D.A.'s slaying, Alan is suddenly locked in the ethical dilemma of his career, thrust into a desperate manhunt for a killer whose identity no one could have guessed. As the minutes tick down, *Warning Signs* explodes into a gripping story of crime and punishment, tragedy and retribution—and of human beings caught in the shattering cross fire of forces beyond their control...forces sometimes within themselves.

The Last Lie Penguin

A woman from Alan Gregory's past draws him into a deadly mystery in this exhilarating thriller from New York Times bestselling author Stephen White. Colorado psychologist Alan Gregory is struggling to repair his insecure marriage when he makes an unexpected connection with the past. His ex-wife Merideth needs his help. She claims that the surrogate mother of her unborn child has vanished without a trace—a mystery with unnerving connections to the disappearance of

another young woman several years earlier at the base of the Grand Canyon. As new demons, old betrayals, and unknown enemies surface, Alan unearths a series of secrets someone will kill to keep buried, and deceptions that will forever change his life.

Sleight Of Hand (A Barbara Holloway Novel, Book 3) Grove Press

‘ Jürgen Habermas ’, wrote the American philosopher Ronald Dworkin on the occasion of the great European thinker ’ s eightieth birthday, ‘ is not only the world ’ s most famous living philosopher. Even his fame is famous. ’ Now, after many years of intensive research and in-depth conversations with contemporaries, colleagues and Habermas himself, Stefan Müller-Doohm presents the first comprehensive biography of one of the most important public intellectuals of our time. From his political and philosophical awakening in West Germany to the formative relationships with Adorno and Horkheimer, Müller-Doohm masterfully traces the major forces that shaped Habermas ’ s intellectual development. He shows how Habermas ’ s life and work were conditioned by the possibilities offered to his generation in the unique circumstances of regained freedom that characterized postwar Germany. And yet Habermas ’ s career is fascinating precisely

because it amounts to more than a corpus of scholarly work, however original and influential that may be. For here is someone who continually left the protective space of the university in order to assume the role of a participant in controversial public debates – from the significance of the Holocaust to the future of Europe – and in this way sought to influence the development of social and political life in an arena much broader than the academy. The significance and virtuosity of Habermas ’ s many writings over the years are also fully and expertly documented, ranging from his early work on the public sphere to his more recent writings on communicative action, cosmopolitanism and the postnational condition. What emerges from this biography is a vivid portrait of one of the great public intellectuals of our time – a unique thinker who has made an immense and lasting philosophical contribution but who, when he perceives that society is not living up to its potential for creating free and just conditions for all, becomes one of its most rigorous and persistent critics.

Warning Signs Simon and Schuster

The stunning new thriller from the New York Times – bestselling author. When a Crow Indian acquaintance of Tomlinson ’ s asks him to help recover a relic stolen from his tribe,

Doc Ford is happy to tag along—but neither Doc nor Tomlinson realize what they ’ ve let themselves in for. Their search takes them to the part of Central Florida known as Bone Valley, famous primarily for two things: a ruthless subculture of black-marketers who trade in illegal artifacts and fossils, and a multibillion-dollar phosphate industry whose strip mines compromise the very ground they walk on. Neither enterprise tolerates nosy outsiders. For each, public exposure equals big financial losses—and in a region built on a million-year accumulation of bones, there is no shortage of spots in which to hide a corpse. Or two.

A Democratic Bearing Dell

After her father is assassinated, beautiful Emma Spire retreats to Colorado in search of privacy, but when someone stalking her is shot by a friend, the situation escalates, and Dr. Alan Gregory takes on the most personal case of his career

In the Company of Liars Henry Holt and Company

A retired Los Angeles homicide detective living in a rural Wisconsin town, Jack Sawyer is called in to assist the local police chief in solving a gruesome series of murders that causes Jack to experience inexplicable waking

nightmares.

Jonathan Livingston Seagull Penguin
Set against the turbulent backdrop of Leningrad in 1941, an intricately woven tapestry of love and war follows the Levin family--twenty-two-year-old Anna, her young brother Kolya, and their father, Mikhail--as they struggle to survive during the German siege. Reprint.

The Siege Penguin

New York Times bestselling author of *Dead Time* Disgraced Boulder detective Sam Purdy, FBI counter-terrorism specialist Christopher Poe, and CIA analyst Deirdre Drake are drawn to Yale University to investigate the disappearances of several students- including the sons of both the Secretary of the Army and a Supreme Court Justice. An unseen enemy is playing by no rules, making no demands, somehow anticipating every FBI move-and executing hostages, one by one...

The Siege Dell

Can Inspector C. D. Sloan find his man when a dismembered appendage appears at a local farm in this mystery by CWA Diamond Dagger winner Catherine Aird? When the Berebury Footpaths Society created their locally infamous motto, "Every walk a challenge," they couldn't have known just how apt it would be. Avid hikers Wendy Lamport and Gordon Briggs suffer from a good walk spoiled when, while reclaiming a public footpath from the greedy barbed-wire fences of

encroaching farmers, a crow drops a severed humanman's last words to New Orleans District Attorney finger at their feet. And where there ' s a finger, thinks Detective C. D. Sloan, a body can ' t be far behind. It would seem that there are a handful of bodies to whom the finger might belong. There is a suspiciously long list of people gone missing from Great Rooden ' s farming country: the tipling son of a local pillar of society, a financier who may have angered the wrong man, and even an old tramp or two who may have thieved one too many apples. Can the old tag team of Detective Inspector C. D. Sloan and his sidekick, Constable Crosby, solve the case?

Compound Fractures Bantam

The Program safeguards the truth, but when The Program has a hidden agenda, the protected become the hunted With his nuanced psychological insight, inscrutable plotting, and a captivating lead character that parallels Jonathan Kellerman's Alex Delaware, Stephen White's Alan Gregory novels have become perennial national bestsellers. But, with *The Program*, White has challenged himself and honed his craft with remarkable assurance to create a rare breed of thriller. A dazzling mix of first-person and omniscient voices rewards readers with an irresistible narrative momentum. But the heart and soul of the novel is an indomitable woman reevaluating the seemingly innocuous choices she's made in the past while confronting the horrifying circumstances that threaten her family's future survival. "Every precious thing I lose, you will lose two." *The Program* begins with a condemned

Kirsten Lord. After her husband is gunned down in front of her, Lord has no choice but to flee the wrath of the murderer's vengeance. Lord pulls up stakes, changes her name, and accepts the Witness Protection Program's offer to hide her and her young daughter in Boulder, Colorado. Soon thereafter, they are befriended by Program veteran Carl Luppo, a solitary mob assassin tormented by his former life who has nothing but time for regret. Sensing that someone inside the program has compromised Lord and her daughter's safety, Luppo takes on the role of sentinel, fully realizing that this may be his last shot at redemption. Even though Lord suspects that Luppo's warnings about the Program's dark side are justified and that she should believe the former hit man's instincts, the only people she can really trust are her nine-year-old daughter and perhaps her Program-appointed psychologist Alan Gregory. Fans of White's previous work will applaud the brilliant use of series favorite Alan Gregory in a seemingly secondary role in the novel, and new readers will find themselves compelled to find out what Gregory has encountered before. But all readers will agree that *The Program* is a superior thriller; a novel firmly grounded in the realities of three-dimensional characters in crisis and driven with the narrative pace of a guilty pleasure.
