Compound Fractures Penguin Dr. Alan Gregory tries to protect a traumatized patient from a killer who uses highly unorthodox methods

The Red Horseman Dell In 1951, the disappearance of Sam Vincent, a former prosecutor assigned to investigate a prison for violent African-American convicts in Thebes, Mississippi, draws his old friend Earl Swagger into a dangerous confrontation with a town that guards itself from strangers with a private army of brutal, Klan-type thugs and rednecks. Reprint.

Bring the War Home Penguin A fighter pilot races to stop a terrorist plot in Washington, DC, in this thriller by a New York Times–bestselling author hailed as “brilliant” by Tom Clancy. When the psychotic Colombian drug lord Chano Aldana is extradited to the United States for trial, he brings his army of vicious mercenaries with him. And as Aldana’s hit men target the President of the United States, the capital is plunged into chaos that only veteran fighter pilot Jake Grafton can stop. With the help of an investigative journalist and an undercover agent, Grafton must find the deadly assassins before they can strike again. But time is running out, and the future

of the country hangs in the balance. This ebook features an illustrated biography of Stephen Coonts, including rare photos from the author’s personal collection.

In the Company of Liars Open Road Media As a lovely weekend approaches on the Yale campus it appears that a number of students—including the sons of both the Secretary of the Army and newest Supreme Court justice--may have gone missing. Attention quickly focuses on the fortress-like tomb of one of Yale's secret societies. Suspended Boulder police detective Sam Purdy soon finds himself in New Haven, where he joins FBI agent Christopher Poe and CIA analyst Deirdre Drake to solve the riddle of what is going on inside the windowless stone tomb on the edge of campus as, one by one, students are sent out of the building's front door to die.

Remote Control Vintage Crime/Black Lizard Can Inspector C. D. Sloan find his man when a dismembered appendage appears at a local farm in this mystery by CWA Diamond Dagger winner Catherine Aird? When the Berebury Footpaths Society created their locally infamous motto, “Every walk a challenge,” they couldn’t have known just how apt it would be. Avid hikers Wendy Lamport and Gordon Briggs suffer from a good walk spoiled when, while reclaiming a public footpath from the greedy barbed-wire fences of encroaching farmers, a crow drops a severed human finger at their feet. And where there’s a finger, thinks Detective C. D. Sloan, a body can’t be far behind. It would seem that there are a handful of bodies to whom the finger might belong. There is a suspiciously long list of people gone missing from Great Rooden’s farming country: the tipling son of a local pillar of society, a financier who may have angered the wrong man, and even an old tramp or two who may have thieved one too many apples. Can the old tag team of Detective Inspector C. D. Sloan and his sidekick, Constable Crosby, solve the case?

Pinnacle Books “Kill Me is that rarest of creations—a thinking-person’s thriller. In this age of the same-old same-old-fiction, White’s novel stands dizzily above the pack. The concept is unique (and brilliant), the writing is sharp, observant, and wry (White’s trademark), and every page is filled with perfectly realized human emotion—about life, death, and family. Superb.”—New York Times bestselling author Jeffery Deaver He’s fabulously wealthy and lives life to the fullest—enjoying fast, expensive cars, the love of his beautiful wife, and adventures in every corner of the globe. When a friend is stricken down by a terrible illness, he realizes his only fear is to be diminished by disease. That’s when he meets the Death Angels, who promise to end his life should he ever face such a fate. The only hitch is that the contract is irrevocable. And once he signs it, he discovers he has one more all-important task to carry out before it’s executed...

The Best Revenge John Wiley & Sons In his latest masterwork of psychological suspense, the New York Times bestselling author of The Program, Warning Signs, and The Best Revenge peers into a troubled marriage to craft a shattering tale of secrecy, eroticism, betrayal, and murder. Psychologist Alan Gregory is juggling his responsibilities as a father, a husband, and doctor when a beautiful woman walks into his office with an astounding admission. Gibbs Storey believes that her husband may have murdered a woman. Then, Gibbs stuns Alan again with another revelation: She thinks there are other victims...and her husband is not finished killing yet.

Higher Authority Penguin The Program safeguards the truth, but when The Program has a hidden agenda, the protected become the hunted With his nuanced psychological insight, inscrutable plotting, and a captivating lead character that parallels Jonathan Kellerman's Alex Delaware, Stephen White's Alan Gregory novels have become perennial national bestsellers. But, with The Program, White has challenged himself and honed his craft with remarkable assurance to create a rare breed of thriller. A dazzling mix of first-person and omniscient voices rewards readers with an irresistible narrative momentum. But the heart and soul of the novel is an indomitable woman reevaluating the seemingly innocuous choices she's made in the past while confronting the horrifying circumstances that threaten her family's future survival. "Every precious thing I lose, you will lose two." The Program begins with a condemned man's last words to New Orleans District Attorney Kirsten Lord. After her husband is gunned down in front of her, Lord has no choice but to flee the wrath of the murderer's vengeance. Lord pulls up stakes, changes her name, and accepts the Witness Protection Program's offer to hide her and her young daughter in Boulder, Colorado. Soon thereafter, they are befriended by Program veteran Carl Luppó, a solitary mob assassin tormented by his former life who has nothing but time for regret. Sensing that someone inside the program has compromised Lord and her daughter's

safety, Luppó takes on the role of sentinel, fully realizing that this may be his last shot at redemption. Even though Lord suspects that Luppó's warnings about the Program's dark side are justified and that she should believe the former hit man's instincts, the only people she can really trust are her nine-year-old daughter and perhaps her Program-appointed psychologist Alan Gregory. Fans of White's previous work will applaud the brilliant use of series favorite Alan Gregory in a seemingly secondary role in the novel, and new readers will find themselves compelled to find out what Gregory has encountered before. But all readers will agree that The Program is a superior thriller; a novel firmly grounded in the realities of three-dimensional characters in crisis and driven with the narrative pace of a guilty pleasure.

The Siege Open Road Media Thankfully Alan and Lauren Gregory aren't on the guest list when their affluent new neighbors hold a housewarming party-because the next morning, a rape accusation rocks the town of Boulder. And though Alan discovers he has a most unusual perspective into what truly happened after the party-he may not be able to stop crucial witnesses-and people close to him-from being murdered...

Vertical Run Grove Press As the USSR collapses, thousands of nuclear warheads may end up in the wrong hands in this thriller from the New York Times–bestselling author of The Art of War. Jake Grafton has been promoted to deputy director of a new US intelligence agency—and the stakes of his commission are higher than ever before. With the Soviet Union on the brink of dissolution, a vast nuclear arsenal is suddenly ripe for the taking by mercenaries, rogue nations, and insane Russian nationalists. Grafton must stop them, and he may have to do it alone—because not everyone supposedly on his side wants him to succeed. From the “masterful storyteller” whose blockbuster tales of international suspense include Flight of the Intruder and Liars & Thieves, The Red Horseman is a startling vision of the apocalyptic danger that emerged at the end of the Cold War, a threat that still exists wherever weapons of mass destruction remain poorly secured. This ebook features an illustrated biography of Stephen Coonts, including rare photos from the author’s personal collection.

Jonathan Livingston Seagull Penguin In this rich analysis of the changing ideals of citizenship, Stephen K. White offers a path for the renewal of democratic life in the twenty-first century. Looking beyond passive notions of citizenship defined in terms of voting or passport possession, White seeks a more aspirational portrait, both participatory and inclusive, that challenges citizens, especially in the middle class, to confront power structures to achieve greater justice. Using the Tea Party and followers of Donald Trump as foils, he shows how these groups' resentful and exclusivist conceptions of active citizenship undermine democratic aspirations. White explores how such deleterious influence might be effectively engaged by a robust counter-conception on the democratic left. The book makes this aspirational ideal conceptually clear, normatively compelling and aesthetically attractive.

Under Siege Delacorte Press Cold honesty, grudging acceptance, and sweet revenge: facing down the demons in small-town New Hampshire.

The Best Revenge Cambridge University Press The instant #1 New York Times bestseller | A Washington Post Notable Book | One of NPR's Best Books of 2021 The definitive behind-the-scenes story of Trump's final year in office, by Phil Rucker and Carol Leonnig, the Pulitzer-Prize winning reporters and authors of A Very Stable Genius. “Chilling.” – Anderson Cooper “Jaw-dropping.” – John Berman “Shocking.” – John Heilemann “Explosive.” – Hallie Jackson “Blockbuster new reporting.” – Nicolle Wallace “Bracing new revelations.” – Brian Williams “Bombshell reporting.” – David Muir The true story of what took place in Donald Trump’s White House during a disastrous 2020 has never before been told in full. What was really going on around the president, as the government failed to contain the coronavirus and over half a million Americans perished? Who was influencing Trump after he refused to concede an election he had clearly lost and spread lies about election fraud? To answer these questions, Phil Rucker and Carol Leonnig reveal a dysfunctional and bumbling presidency’s inner workings in unprecedented, stunning detail. Focused on Trump and the key players around him—the doctors, generals, senior advisers, and Trump family members— Rucker and Leonnig provide a forensic account of the most devastating year in a presidency like no other. Their sources were in the room as time and time again Trump put his personal gain ahead of the good of the country. These witnesses to history tell the story of him longing to deploy the military to the streets of American cities to crush the protest movement in the wake of the killing of George Floyd, all to bolster his

image of strength ahead of the election. These sources saw firsthand his refusal to take the threat of the coronavirus seriously—even to the point of allowing himself and those around him to be infected. This is a story of a nation sabotaged—economically, medically, and politically—by its own leader, culminating with a groundbreaking, minute-by-minute account of exactly what went on in the Capitol building on January 6, as Trump’s supporters so easily breached the most sacred halls of American democracy, and how the president reacted. With unparalleled access, Rucker and Leonnig explain and expose exactly who enabled—and who foiled—Trump as he sought desperately to cling to power. A classic and heart-racing work of investigative reporting, this book is destined to be read and studied by citizens and historians alike for decades to come.
