A dramatic account of the deadly avalanche on Everest—and a return to reach the summit. On April 25, 2015, Jim Davidson was climbing Mount Everest when a 7.8-magnitude earthquake released avalanches all around him and his team, destroying their only escape route and trapping them at nearly 20,000 feet. It was the largest earthquake in Nepal in eighty-one years and killed nearly 8,900 people. That day also became the deadliest in the history of Everest, with eighteen people losing their lives on the mountain. After spending two unsettling days stranded on Everest, Davidson's team was rescued by helicopter. The experience left him shaken, and despite his thirty-three years of climbing and serving as an expedition leader, he wasn't sure that he would ever go back. But in the face of risk and uncertainty, he returned in 2017 and finally achieved his dream of reaching the summit. Suspenseful and engrossing, *The Next Everest* portrays the experience of living through the biggest disaster to ever hit the mountain. Davidson's background in geology and environmental science makes him uniquely qualified to explain why the seismic threats lurking beneath Nepal are even greater today. But this story is not about "conquering" the world's highest peak. Instead, it reveals how embracing change, challenge, and uncertainty prepares anyone to face their next "Everest" in life.

What to Text Him Back to Keep Him Hooked and Make Him BEG to See You Again Did you know that men secretly use texting as a way to "pre-screen" a woman's romantic value? A woman's texting habits can reveal a lot about her self-worth, confidence, intelligence, and even her level of class and emotional maturity. Because guys covertly appraise a woman's relationship potential this way, many women often have no idea that the way they communicate via text is actually sending the wrong message and thus, they unknowingly end up chasing men away. Discover the Secrets of Texting Men to Effortlessly Stand Out from EVERY Other Woman Men have their own unique way of interpreting a woman's communication attempts. Therefore, although many women mean well, they often do things when texting men that sometimes makes them appear too easy, too needy, too bossy, or too boring...even if these things aren't necessarily true about them. Texting is the one medium of communication in which a great guy can easily get the wrong idea about you. And as these wrong ideas pile up inside his mind, they usually coalesce into a single romance-killing thought: That he can do better than you. So, what's a girl supposed to do then? Simple really. All she needs to do is understand exactly how men appraise female texting habits and how to use this knowledge to differentiate herself as being a high-value woman. Doing so will make it easy for her to stand out from EVERY other woman who texts him. How to Use Texting to Tease, Flirt, and Entice Your Way into Becoming His TOP Priority If you want to arouse the kind of long-term desire in a man that makes him eager to pursue you for dates, romance, commitment, and more, you must take advantage of texting and use it to make subtle and seductive displays of your high-status, and thus, your high-value. Fortunately, this is exactly what you're going to learn in, *Texts So Good He Can't Ignore!* In this fun and insightful dating book, you'll learn the texting habits of high-value women and gain access to a vast collection of irresistible, man-melting text messages that make men EAGER to text you back and desperate to see you again. And because this in-depth guide focuses on how men think (unlike most dating books for women), it will give you a distinct advantage over your peers when it comes to texting men. Here's what you're going to learn inside: Exactly what to text a guy when he's stringing you along and only doing the BARE MINIMUM to keep you interested. How to use mischievous "Feisty Girl" texts to get a man to finally ask you out (or

ask you out AGAIN), while making it seem like it was all HIS idea. What to do (and what NOT to do) if a guy suddenly stops texting you or starts responding to your texts less and less. How to get him to CALL YOU instead of texting all the time. What to text a man to "let him down easy" but KEEP him interested whenever he sends an inappropriate or overly sexual text. Exactly what to text a guy who keeps "coming BACK from the DEAD" and suddenly starts taking an interest in you again. (Hint: These cheeky little texts can end his mind games for GOOD!) A simple method for starting conversations that IMMEDIATELY grabs his attention and makes him EAGER to text you back. What to text a guy you know and like to initiate his "Chase Mode" and make him see you as MORE than "just-a-friend." Game-changing answers to every woman's MOST PUZZLING questions about men's texting habits. And much, much more... Would You Like to Know More? Get started right away and discover how to text a man to finally get him OFF of his smartphone and ON more dates with you. Scroll to the top of the page and select the "buy button" now.

* Newbery Honor Book * #1 New York Times Bestseller * Winner of the Schneider Family Book Award * Wall Street Journal Best

Children's Books of the Year * New York Public Library's 100 Books for Reading and Sharing An exceptionally moving story of triumph against all odds set during World War II, from the acclaimed author of *Fighting Words*, and for fans of *Fish in a Tree* and *Number the Stars*. Ten-year-old Ada has never left her one-room apartment. Her mother is too humiliated by Ada ' s twisted foot to let her outside. So when her little brother Jamie is shipped out of London to escape the war, Ada doesn ' t waste a minute—she sneaks out to join him. So begins a new adventure for Ada, and for Susan Smith, the woman who is forced to take the two kids in. As Ada teaches herself to ride a pony, learns to read, and watches for German spies, she begins to trust Susan—and Susan begins to love Ada and Jamie. But in the end, will their bond be enough to hold them together through wartime? Or will Ada and her brother fall back into the cruel hands of their mother? This masterful work of historical fiction is equal parts adventure and a moving tale of family and identity—a classic in the making. "Achingly lovely...Nuanced and emotionally acute."—The Wall Street Journal "Unforgettable...unflinching."—Common Sense Media "Brisk and honest...Cause for celebration." —Kirkus, starred review "Poignant."—Publishers Weekly, starred review "Powerful."—The Horn Book, starred review "Affecting."—Booklist "Emotionally satisfying...[A] page-turner."—BCCB "Exquisitely written...Heart-lifting." —SLJ "Astounding...This book is remarkable."—Karen Cushman, author *The Midwife's Apprentice* "Beautifully told."—Patricia MacLachlan, author of *Sarah, Plain and Tall* "I read this novel in two big gulps."—Gary D. Schmidt, author of *Okay for Now* "I love Ada's bold heart...Her story's riveting."—Sheila Turnage, author of *Three Times Lucky*

A Beat Most Anticipated Graphic Novel of Fall 2020 The funny, exuberant, inspiring antidote to body shame--a full-color graphic memoir celebrating the imperfections of the author's female body in all its glory. Too tall. Too short. Too fat. Too thin. The message is everywhere--we need to pluck, wax, shrink, and hide ourselves, to not take up space, emotionally or literally; women are never "just right." Well, Ariella Elovic, feminist and illustrator extraordinaire, has had enough. In her full-color graphic memoir *Cheeky*, she takes an inspiring and exuberant head-to-toe look at her own body self-consciousness, and body part by body part, finds her way back to herself. How does Ariella learn not to see herself as a never-finished DIY project, but to accept and even love the physical attributes society taught her to hide? How does a mirror go from a "black hole of critique" to a "who's that girl" moment? Essential to her journey is her posse of girlfriends, her "yentas." Together, they discover that sharing "imperfections" and some of the gross and "unsightly" things our bodies produce can be a source of endless laughs and deep bonding. It helps to have a team with some outside perspectives to keep our inner bullies in check. Charming and hilarious, full of empathy and candor, and gorgeously illustrated, *Cheeky* aims to inspire all of us to embrace our bodies, flaws

and all, as well as our bodies' needs, desires, and inherent power.

[A Sassy Little Guide to Getting Over Him](#) Simon & Schuster

To seek, pursue, and fall in love with Jesus with radical abandon. Single Woman Mandy Hale shares with readers what can happen in their lives by praying this powerful prayer. She has shown women how important it is to be secure in singleness by being smart, strong, and independent. In this all new book, she will prompt readers to never settle and not miss out on the beauty that can be found in times of “ waiting. ” The Single Woman Says: “ Whether you ’ re idling in stubborn sinfulness or walking in seeming never-ending singleness or living with any sort of waiting: Waiting for love, waiting for babies, waiting for marriage, waiting for a cure, or a miracle, or a sign, or for GOD . . . I hope my journey will make the wait a little easier and the uncertainty a little bit more beautiful. ” Starting with relationships, but going beyond into areas like career, friendships, and life, Mandy will guide readers through what you can achieve if you look beyond your current circumstances, never settle for less than what God has for you, and find beauty in the waiting.

Don't let the swipe rule your life Online dating. Dating apps. Texting. Social media. Endless swiping in search of forever love. It seems like the more ways technology offers to "connect" us, the less connected we actually are. Modern dating is not for the faint of heart! Don't Believe the Swipe is not your mother's dating guide. It isn't about "landing a man" or learning to "think like a man" or "getting any man to fall in love with you"; it's about falling in love with yourself and then extending that love to every aspect of your life--including your love life. It's about learning to date without surrendering your power. It's about choosing yourself, regardless of whether someone swipes right or swipes left. Funny, fresh, and relevant to today's crazy dating world, this book is sure to become your go-to modern dating guide. New York Times bestselling author Mandy Hale draws on her own hilarious and often jaw-dropping experiences to illustrate what it means to stop believing the swipe and start finding love without losing yourself. There is a way to date with dignity, to refuse to let the swipe rule your life, to stand confident in your worth, and to not settle for less than you deserve. This book is that way. "I am so happy to have this new book by Mandy Hale to help me think and laugh my way to finding the love of my life."--Yvette Nicole Brown, actress, comedian, writer, and TV host "Where has this book been all my life? It's seriously the last dating book I'll ever need."--Krista Allen, actress, comedian, recovering believer in the swipe "This book cuts through the fog of modern dating and reconnects us to our single most important relationship--the relationship we have with ourselves."--Devyn Simone, celebrity matchmaker, dating expert, and TV host

“ Hilarious. ” —Cosmopolitan A laugh-out-loud, tongue-in-cheek guidebook filled with hilarious and helpful advice—from how to dodge family members ’ unwanted questions about babies to successfully creating a fake partner during wedding season—for anyone trying to survive and thrive in the midst of singledom. Perfect for fans of Hey Ladies! and Single State of Mind. So, you ’ re single. Whether existing sans partner is a new state of being or you ’ ve been on this solo journey for a while, the fact of the matter is this: being single is actually awesome. You can do whatever you want, travel wherever you want, and be your truest, most free self. But there are a lot of people out there—your mom, your married best friend, the wedding industry, society—who see things differently. To them, singledom is something to avoid at all cost, no matter how many times you tell them you love your life the way it is. The limit does not exist when it comes to telling Aunt Carol you still don ’ t want to be set up with her neighbor ’ s ex-stepson. Now, Melissa Croce gives you the tips, tricks, and sage advice you need to graciously endure all of the cringe-worthy scenarios your single self may dread, from awkward small talk with an ex to navigating well-meaning but insensitive relatives. And it helps you truly flourish in your singledom, offering activities like quizzes aimed at helping you find a new hobby and tarot spreads for that cozy Saturday night in. Part real-world guide, part commiseration, and part celebration, Single and Forced to Mingle will steer you through the ups and downs of being single, reminding you just how good it feels to be free.

Mandy Hale, the creator of The Single Woman, the social media movement that rewrote the rulebook about singleness, challenges every woman to see that she is sufficient, acceptable, and complete. After years of trying to prove she was enough in the world's eyes, even working alongside Oprah and hitting the New York Times bestseller list, Mandy hit rock bottom. But as it turned out, that very rock bottom became the most firm foundation she had ever planted her feet on. A foundation so solid, it finally provided the springboard she needed to outrun the taunting shadow of unworthiness that she'd tried to escape her whole life. Now she wants readers to see that though life may not always be lighthearted and happy and shiny, each woman is deserving of the life she dreams of and hopes for. Nothing readers do can ever take away from their worthiness or enough-ness in God's eyes. This book is for any woman who wants to overcome heartbreak, claim her healing and step into wholeness!

[Why Evolution is True](#) University of Illinois Press

An unsettling cold case investigation ensnares Cormoran Strike and his partner in a web of dangerous secrets in this #1 New York Times bestseller, the inspiration for HBO Max's acclaimed series C.B. Strike. When a troubled young man named Billy asks Cormoran Strike to help him investigate a crime he witnessed as a child, the private eye is left deeply troubled. While Billy is obviously mentally distressed and cannot remember many concrete details, there is something sincere about him and his story. But before Strike can question him further, Billy bolts from his office in a panic. Trying to get to the bottom of Billy's story, Strike and Robin Ellacott -- once his assistant, now a partner in the agency -- set off on a twisting trail that leads them through the backstreets of London, into a secretive inner sanctum within Parliament, and to a beautiful but sinister manor house deep in the countryside. And during this labyrinthine investigation, Strike's own life is far from straightforward. His newfound fame as a private eye means he can no longer operate behind the scenes as he once did. Plus, his relationship with his former assistant is more fraught than it ever has been; Robin is now invaluable to Strike in the business, but their personal relationship is much, much trickier than that. The most epic Robert Galbraith novel yet, Lethal White is "addictive, murderous fun" for British mystery lovers and crime fiction fans alike (Vox).

In the time of the #MeToo and #TimesUp movement, international bestselling author and leading global expert on mental strength Amy Morin turns her focus to feminism, explaining what it means—and what it takes—to be a mentally strong woman. The emergence of the #MeToo and #TimesUp movements have awakened society and encouraged women to find their voice and claim their power. But to do this, women must learn to improve their own mental strength. Contending with a host of difficult issues—from sexual assault on college campuses, to equal pay and pay gaps, to mastering different negotiation styles—demands psychological toughness. In this crucial book, prominent psychotherapist and licensed clinical social worker Amy Morin gives women the techniques to build mental muscle—and just as important, she teaches them what not to do. What does it mean to be a mentally strong woman? Delving into critical issues like sexism, social media, social comparison, and social pressure, Amy addresses this question and offers thoughtful, intelligent advice, practical tips, and specific strategies and combines them with personal experiences, stories from former patients, and both well-known and untold examples from women from across industries and pop culture. Throughout, she explores the areas women—and society at large—must focus on to become (and remain) mentally strong. Amy reveals that healthy, mentally tough women don ’ t insist on perfection; they don ’ t compare themselves to other people; they don ’ t see vulnerability as a weakness; they don ’ t let self-doubt stop them from reaching their goals. Wise, grounded, and essential, 13 Things Mentally Strong Women Don ’ t Do can help every woman flourish—and ultimately improve our society as well.

Mandy encourages her readers on subjects such as taking chances, building friendships, letting go, and finding a greater purpose. With her help, readers can stop worrying about happily ever after and discover a happy life instead.

[The Late Show Lightning Source](#) Incorporated

Since Dr. Brizendine wrote The Female Brain ten years ago, the response has been overwhelming. This New York Times bestseller has been translated into more than thirty languages, has sold nearly a million copies between editions, and has most recently inspired a romantic comedy starring Whitney Cummings and Sofia Vergara. And its profound scientific understanding of the nature and experience of the female brain continues to guide women as they pass through life stages, to help men better understand the girls and women in their lives, and to illuminate the delicate emotional machinery of a love relationship. Why are women more verbal than men? Why do women remember details of fights that men can ’ t remember at all? Why do women tend to form deeper bonds with their female friends than men do with their male counterparts? These and other questions have stumped both sexes throughout the ages. Now, pioneering neuropsychiatrist Louann Brizendine, M.D., brings together the latest findings to show how the unique structure of the female brain determines how women think, what they value, how they communicate, and who they love. While doing research as a medical student at Yale and then as a resident and faculty member at Harvard, Louann Brizendine discovered that almost all of the clinical data in existence on neurology, psychology, and neurobiology focused exclusively on males. In response to the overwhelming need for information on the female mind, Brizendine established the first clinic in the country to study and treat women ’ s brain function. In The Female Brain, Dr. Brizendine distills all her findings and the latest information from the scientific community in a highly accessible book that educates women about their unique brain/body/behavior. The result: women will come away from this book knowing that they have a lean, mean, communicating machine.

Men will develop a serious case of brain envy.

[Beautiful Uncertainty](#) Leslie Braswell

For all the discussion in the media about creationism and 'Intelligent Design', virtually nothing has been said about the evidence in question - the evidence for evolution by natural selection. Yet, as this succinct and important book shows, that evidence is vast, varied, and magnificent, and drawn from many disparate fields of science. The very latest research is uncovering a stream of evidence revealing evolution in action - from the actual observation of a species splitting into two, to new fossil discoveries, to the deciphering of the evidence stored in our genome. Why Evolution is True weaves together the many threads of modern work in genetics, palaeontology, geology, molecular biology, anatomy, and development to demonstrate the 'indelible stamp' of the processes first proposed by Darwin. It is a crisp, lucid, and accessible statement that will leave no one with an open mind in any doubt about the truth of evolution.
