new life into arid spreads of land. When husbands, sons and fathers fell, bold Texas women were there to take the reins. Throughout the centuries, the women of Texas's ranches defended home and hearth with cannon and shot. They rescued hostages. They nurtured livestock through hard winters and long droughts and drove them up the cattle trails. They built communities and saw to it that faith and education prevailed for their children and their communities. Join author Carmen Goldthwaite in an inspiring survey of fierce Lone Star ladies.

**"Baad Bitches" and Sassy Supermamas** Thomas Nelson

Journalist Rebecca Traister's New York Times bestselling exploration of the transformative power of female anger and its ability to transcend into a political movement is "a hopeful, maddening compendium of righteous feminine anger, and the good it can do when wielded efficiently—and collectively" (Vanity Fair). Long before Pantsuit Nation, before the Women's March, and before the #MeToo movement, women's anger was

The Single Woman: Life, Love, and a Dash of Sass Thomas Nelson

The author of Texas Dames shares a new collection of profiles featuring the incredible women who helped build the Lone Star State. Texas would not be Texas without the formidable women of its past. Beneath the sunbonnets and Stetsons, the women of the Lone Star State carved out ranches and breathed

---

not only politically catalytic—but politically problematic. The story of female fury and its cultural significance demonstrates its crucial role in women’s slow rise to political power in America, as well as the ways that anger is received when it comes from women as opposed to when it comes from men. “Urgent, enlightened...realistic and compelling...Traister eloquently highlights the challenge of blaming not just forces and systems, but individuals” (The Washington Post). In *Good and Mad*, Traister tracks the history of female anger as political fuel—from suffragettes marching on the White House to office workers vacating their buildings after Clarence Thomas was confirmed to the Supreme Court. Traister explores women’s anger at both men and other women; anger between ideological allies and foes; the varied ways anger is received based on who’s expressing it; and the way women’s collective fury has become transformative political fuel. She deconstructs society’s (and the media’s) condemnation of female emotion (especially rage) and the impact of their resulting repercussions. Highlighting a double standard perpetuated against women by all sexes, and its disastrous, stultifying effect, *Good and Mad* is “perfectly timed and inspiring” (People, Book of the Week). This “admirably rousing narrative” (The Atlantic) offers a glimpse into the galvanizing force of women’s collective anger, which, when harnessed, can change history.

### Single and Forced to Mingle Harmony

\* Newbery Honor Book \* #1 New York Times Bestseller \* Winner of the Schneider Family Book Award \* Wall Street Journal Best Children's Books of the Year \* New York Public Library's 100 Books for Reading and Sharing An exceptionally moving story of triumph against all odds set during World War II, from the acclaimed author of *Fighting Words*, and for fans of *Fish in a Tree* and *Number the Stars*. Ten-year-old Ada has never left her one-room apartment. Her mother is too humiliated by Ada’s twisted foot to let her outside. So when her little brother Jamie is shipped out of London to escape the war, Ada doesn’t waste a minute—she sneaks out to join him. So begins a new adventure for Ada, and for Susan Smith, the woman who is forced to take the two kids in. As

Ada teaches herself to ride a pony, learns to read, and watches for German spies, she begins to trust Susan—and Susan begins to love Ada and Jamie. But in the end, will their bond be enough to hold them together through wartime? Or will Ada and her brother fall back into the cruel hands of their mother? This masterful work of historical fiction is equal parts adventure and a moving tale of family and identity—a classic in the making. “Achingly lovely...Nuanced and emotionally acute.”—The Wall Street Journal “Unforgettable...unflinching.”—Common Sense Media “Brisk and honest...Cause for celebration.” —Kirkus, starred review “Poignant.”—Publishers Weekly, starred review “Powerful.”—The Horn Book, starred review “Affecting.”—Booklist “Emotionally satisfying...[A] page-turner.”—BCCB “Exquisitely written...Heart-lifting.” —SLJ “Astounding...This book is remarkable.”—Karen Cushman, author *The Midwife's Apprentice* “Beautifully told.”—Patricia MacLachlan, author of *Sarah, Plain and Tall* “I read this novel in two big gulps.”—Gary D. Schmidt, author of *Okay for Now* “I love Ada's bold heart...Her story's riveting.”—Sheila Turnage, author of *Three Times Lucky*

### Why Evolution is True Lightning Source Incorporated

Smart, strong, independent—single women can live a fabulous life. Husband not required. *The Female Brain* Simon & Schuster

A dramatic account of the deadly avalanche on Everest—and a return to reach the summit. On April 25, 2015, Jim Davidson was climbing Mount Everest when a 7.8-magnitude earthquake released avalanches all around him and his team, destroying their only escape route and trapping them at nearly 20,000 feet. It was the largest earthquake in Nepal in eighty-one years and killed nearly 8,900 people. That day also became the deadliest in the history of Everest, with eighteen people losing their lives on the mountain. After spending two unsettling days stranded on Everest, Davidson's team was rescued by helicopter. The experience left him shaken, and despite his thirty-three years of climbing and serving as an expedition leader, he wasn't sure that he would ever go back. But in the face of risk and uncertainty, he returned in 2017 and finally achieved his dream of reaching the summit. Suspenseful and engrossing, *The Next Everest* portrays the experience of living through the biggest disaster to ever hit the mountain. Davidson's background in geology and environmental science makes him uniquely qualified to explain why the seismic threats lurking beneath Nepal are even greater today. But this story is not about "conquering" the world's highest peak. Instead, it reveals how embracing change, challenge, and

uncertainty prepares anyone to face their next "Everest" in life.

*Bitch Up! Expect More, Get More* Little, Brown and Company

What to Text Him Back to Keep Him Hooked and Make Him BEG to See You Again Did you know that men secretly use texting as a way to "pre-screen" a woman's romantic value? A woman's texting habits can reveal a lot about her self-worth, confidence, intelligence, and even her level of class and emotional maturity. Because guys covertly appraise a woman's relationship potential this way, many women often have no idea that the way they communicate via text is actually sending the wrong message and thus, they unknowingly end up chasing men away. Discover the Secrets of Texting Men to Effortlessly Stand Out from EVERY Other Woman Men have their own unique way of interpreting a woman's communication attempts. Therefore, although many women mean well, they often do things when texting men that sometimes makes them appear too easy, too needy, too bossy, or too boring...even if these things aren't necessarily true about them. Texting is the one medium of communication in which a great guy can easily get the wrong idea about you. And as these wrong ideas pile up inside his mind, they usually coalesce into a single romance-killing thought: That he can do better than you. So, what's a girl supposed to do then? Simple really. All she needs to do is understand exactly how men appraise female texting habits and how to use this knowledge to

---

differentiate herself as being a high-value woman. Doing so will make it easy for her to stand out from EVERY other woman who texts him. How to Use Texting to Tease, Flirt, and Entice Your Way into Becoming His TOP Priority If you want to arouse the kind of long-term desire in a man that makes him eager to pursue you for dates, romance, commitment, and more, you must take advantage of texting and use it to make subtle and seductive displays of your high-status, and thus, your high-value. Fortunately, this is exactly what you're going to learn in, Texts So Good He Can't Ignore! In this fun and insightful dating book, you'll learn the texting habits of high-value women and gain access to a vast collection of irresistible, man-melting text messages that make men EAGER to text you back and desperate to see you again. And because this in-depth guide focuses on how men think (unlike most dating books for women), it will give you a distinct advantage over your peers when it comes to texting men. Here's what you're going to learn inside: Exactly what to text a guy when he's stringing you along and only doing the BARE MINIMUM to keep you interested. How to use mischievous "Feisty Girl" texts to get a man to finally ask you out (or ask you out AGAIN), while making it seem like it was all HIS idea. What to do (and what NOT to do) if a guy suddenly stops texting you or starts responding to your texts less and less. How to get him to CALL YOU instead of texting all the time. What to text a man to "let him down easy" but KEEP him interested whenever he sends an inappropriate or overly sexual text. Exactly what to text a guy who keeps "coming BACK from the DEAD" and suddenly starts taking an interest in you again. (Hint: These cheeky little texts can end his mind games for GOOD!) A simple method for starting conversations that IMMEDIATELY grabs his attention and makes him EAGER to text you back. What to text a guy you know and like to initiate his "Chase Mode" and make him see you as MORE than "just-a-friend." Game-changing answers to every woman's MOST PUZZLING questions about men's texting habits. And much, much more... Would You Like to Know More? Get started right away and discover how to text a man to finally get him OFF of his smartphone and ON more dates with you. Scroll to the top of the page and select the 'buy button' now.

**Sassy, Single, and Satisfied** HarperCollins  
A SASSY LITTLE GUIDE TO GETTING OVER HIM - 10 Steps to Heal Your Heart After an Unhappy Ending (SAME Ink) is a "reality check you can cash." Los Angeles-based writer Sandra Ann Miller mixes wit with wisdom gained from her own unhappy endings to help the newly single put the pain into amusing perspective. A SASSY LITTLE GUIDE TO GETTING OVER HIM sparks the revolution on how women handle the end of a relationship. The Guide's 10 Steps provide the survival skills required to make it through a breakup with dignity and pride intact. Laugh-out-loud humor is tempered with compassion as the reader is reminded that she determines her fate...not the man who broke her heart. A SASSY

---

LITTLE GUIDE TO GETTING OVER HIM is short, sweet and to the sharp point of how to manage the hurt - as well as the burgeoning insanity - and start the healing. "A wonderful and helpful guide that every woman should have on her bookshelf. The ten steps are right on the mark. A SASSY LITTLE GUIDE TO GETTING OVER HIM is a funny and empowering antidote for a broken heart." Ellen Fein and Sherrie Schneider Co-authors of THE RULES "I wish I could have read this book years ago. Whether you're looking for the next Mr. Right or not, every woman can learn from A SASSY LITTLE GUIDE TO GETTING OVER HIM. It's just brilliant." Cheryl Tiegs Supermodel/Icon The Late Show Bloomsbury Publishing USA

Since Dr. Brizendine wrote The Female Brain ten years ago, the response has been overwhelming. This New York Times bestseller has been translated into more than thirty languages, has sold nearly a million copies between editions, and has most recently inspired a romantic comedy starring Whitney Cummings and Sofia Vergara. And its profound scientific understanding of the nature and experience of the female brain continues to guide women as they pass through life stages, to help men better understand the girls and women in their lives, and to illuminate the delicate emotional machinery of a love relationship. Why are women more verbal than men? Why do women remember details of fights that men can't remember at all? Why do women tend to form deeper bonds with their female

friends than men do with their male counterparts? These and other questions have stumped both sexes throughout the ages. Now, pioneering neuropsychiatrist Louann Brizendine, M.D., brings together the latest findings to show how the unique structure of the female brain determines how women think, what they value, how they communicate, and who they love. While doing research as a medical student at Yale and then as a resident and faculty member at Harvard, Louann Brizendine discovered that almost all of the clinical data in existence on neurology, psychology, and neurobiology focused exclusively on males. In response to the overwhelming need for information on the female mind, Brizendine established the first clinic in the country to study and treat women's brain function. In The Female Brain, Dr. Brizendine distills all her findings and the latest information from the scientific community in a highly accessible book that educates women about their unique brain/body/behavior. The result: women will come away from this book knowing that they have a lean, mean, communicating machine. Men will develop a serious case of brain envy.

Don't let the swipe rule your life Online dating. Dating apps. Texting. Social media. Endless swiping in search of forever love. It seems like the more ways technology offers to "connect" us, the less connected we actually are. Modern dating is not for the faint of heart! Don't Believe the Swipe is not your

---

mother's dating guide. It isn't about "landing a relationship--the relationship we have with man" or learning to "think like a man" or "getting any man to fall in love with you"; it's about falling in love with yourself and then extending that love to every aspect of your life--including your love life. It's about learning to date without surrendering your power. It's about choosing yourself, regardless of whether someone swipes right or swipes left. Funny, fresh, and relevant to today's crazy dating world, this book is sure to become your go-to modern dating guide. New York Times bestselling author Mandy Hale draws on her own hilarious and often jaw-dropping experiences to illustrate what it means to stop believing the swipe and start finding love without losing yourself. There is a way to date with dignity, to refuse to let the swipe rule your life, to stand confident in your worth, and to not settle for less than you deserve. This book is that way. "I am so happy to have this new book by Mandy Hale to help me think and laugh my way to finding the love of my life."--Yvette Nicole Brown, actress, comedian, writer, and TV host "Where has this book been all my life? It's seriously the last dating book I'll ever need."--Krista Allen, actress, comedian, recovering believer in the swipe "This book cuts through the fog of modern dating and reconnects us to our single most important

ourselves."--Devyn Simone, celebrity matchmaker, dating expert, and TV host

Beautiful Uncertainty A&C Black

Trying to conceive is an exciting (read: excruciating) time in women's lives, but there is no more daunting a task during her cycle than the two week wait. It's a time when wanna-be mommas can find themselves anxious and emotionally wrecked. Enter The Two Week Wait Challenge: a handy guide to navigating the time between potential conception and the day you're able to test for pregnancy. Chock-full for easy, inexpensive self-care practices and positive affirmations, the challenge encourages women to take time for themselves (while simultaneously speeding up the 14 days) and allows their partners to be a part of the process in a loving, supportive way. Add a dash of sass and humor to help you survive and you've got a recipe for a successful (less painful) two week wait. Skyhorse Publishing Inc.

Being single isn't what it used to be... Now it means you're smart, sexy and selective. It means you have options and do not have to settle when it comes to matters of the heart. You can be a strong woman who knows and appreciates what a man brings to a relationship, but will not settle for anything less than the best. Women can learn how to obtain the relationships they want by earning the love and respect from any man they choose

---

and have the time of their lives in the process. Leslie Braswell's best selling book "Ignore the Guy, Get the Guy: The Art of No Contact" is a Woman's survival guide to mastering a breakup and taking back her power. In this book you'll learn... -Why silence is golden... -What a man secretly expects after a breakup... -Why a strong woman steals the show... -How to prevent a man from losing interest... -Why women lose the battle of the breakup... -How to make him miss you... -How to handle your emotions... -How he broke up and what it says about him... -How to handle a breakup through Facebook and Twitter... -How to SKY ROCKET your self confidence... -What the biggest attraction killer is... -How to be on Mr. Ex's Mind... -What you should do to get him back ... -Fatal mistakes you might be making without knowing it... If you have ever let yourself fall to pieces, cried, begged and pleaded for a man to take you back after a breakup, or if you have ever sought closure, you have never learned the art, or the power of no contact. A must read for every woman.

**Texts So Good He Can't Ignore** Simon and Schuster

Part manual, part manifesto, a humorous yet incisive guide to navigating subtle sexism at work—a pocketbook Lean In for the BuzzFeed generation that provides real-life career

advice and humorous reinforcement for a new generation of professional women. It was a fight club—but without the fighting and without the men. Every month, the women would huddle in a friend's apartment to share sexist job frustrations and trade tips for how best to tackle them. Once upon a time, you might have called them a consciousness-raising group. But the problems of today's working world are more subtle, less pronounced, harder to identify—and, if Ellen Pao is any indication, harder to prove—than those of their foremothers. These women weren't just there to vent. They needed battle tactics. And so the fight club was born. Hard-hitting and entertaining, Feminist Fight Club blends personal stories with research, statistics, infographics, and no-bullsh\*t expert advice. Bennett offers a new vocabulary for the sexist workplace archetypes women encounter everyday—such as the Manterrupter who talks over female colleagues in meetings or the Himitator who appropriates their ideas—and provides practical hacks for navigating other gender landmines in today's working world. With original illustrations, Feminist Mad Libs, a Negotiation Cheat Sheet, as well as fascinating historical research and a kit for "How to Start Your Own Club," Feminist Fight Club tackles both the external (sexist) and internal (self-sabotaging) behaviors that plague today's

---

women—as well as the system that perpetuates them.

**Survival of the Thickest** Penguin

Dublin, Ireland, 1880. Tired of treating rich hypochondriacs, Dr Will Fitzgerald left his father's medical practice and his home on Merrion Square to live and practice medicine in the Liberties. His parents were appalled and his fiancée broke off their engagement. But when Will spends a night in a brothel on the eve of his best friend's wedding, little does he know that the scarred and disgraced young woman he meets there will alter the course of his life. Isobel Stevens was schooled to be a lady, but a seduction put an end to all her father's hopes for her. Disowned, she left Co Galway for Dublin and fell into prostitution. On the advice of a handsome young doctor, she leaves the brothel and enters domestic service. But can Isobel escape her past and adapt to life and the chance of love on Merrion Square? Or will she always be seen as a scarlet woman?

Ignore the Guy, Get the Guy - The Art of No Contact  
Leslie Braswell

For all the discussion in the media about creationism and 'Intelligent Design', virtually nothing has been said about the evidence in question - the evidence for evolution by natural selection. Yet, as this succinct and important book shows, that evidence is vast, varied, and magnificent, and drawn from many disparate fields of science. The very latest research is uncovering a stream of evidence revealing evolution in action

- from the actual observation of a species splitting into two, to new fossil discoveries, to the deciphering of the evidence stored in our genome. Why Evolution is True weaves together the many threads of modern work in genetics, palaeontology, geology, molecular biology, anatomy, and development to demonstrate the 'indelible stamp' of the processes first proposed by Darwin. It is a crisp, lucid, and accessible statement that will leave no one with an open mind in any doubt about the truth of evolution.

*Don't Believe the Swipe* Riverhead Books

"Hilarious."—Cosmopolitan A laugh-out-loud, tongue-in-cheek guidebook filled with hilarious and helpful advice—from how to dodge family members' unwanted questions about babies to successfully creating a fake partner during wedding season—for anyone trying to survive and thrive in the midst of singledom. Perfect for fans of Hey Ladies! and Single State of Mind. So, you're single. Whether existing sans partner is a new state of being or you've been on this solo journey for a while, the fact of the matter is this: being single is actually awesome. You can do whatever you want, travel wherever you want, and be your truest, most free self. But there are a lot of people out there—your mom, your married best friend, the wedding industry, society—who see things differently. To them, singledom is something to avoid at all cost, no matter how many times you tell them you love your life the way it is. The limit does not exist when it comes to telling Aunt Carol you still don't want to be set up with her

---

neighbor's ex-stepson. Now, Melissa Croce gives you the tips, tricks, and sage advice you need to graciously endure all of the cringe-worthy scenarios your single self may dread, from awkward small talk with an ex to navigating well-meaning but insensitive relatives. And it helps you truly flourish in your singledom, offering activities like quizzes aimed at helping you find a new hobby and tarot spreads for that cozy Saturday night in. Part real-world guide, part commiseration, and part celebration, *Single and Forced to Mingle* will steer you through the ups and downs of being single, reminding you just how good it feels to be free.

Women in Clothes Createspace Independent Publishing Platform

When a young girl ventures through a hidden door, she finds another life with shocking similarities to her own. Coraline has moved to a new house with her parents and she is fascinated by the fact that their 'house' is in fact only half a house! Divided into flats years before, there is a brick wall behind a door where once there was a corridor. One day it is a corridor again and the intrepid Coraline wanders down it. And so a nightmare-

ish mystery begins that takes Coraline into the arms of counterfeit parents and a life that isn't quite right. Can Coraline get out? Can she find her real parents? Will life ever be the same again?

Cheeky Simon and Schuster

In this irresistible #1 New York Times best-selling novel, Anne Tyler explores the slippery alchemy of attracting opposites, and the struggle to rebuild one's life after unspeakable tragedy. Travel writer Macon Leary hates travel, adventure, surprises, and anything outside of his routine. Immobilized by grief, Macon is becoming increasingly prickly and alone, anchored by his solitude and an unwillingness to compromise his creature comforts. Then he meets Muriel, an eccentric dog trainer too optimistic to let Macon disappear into himself. Despite Macon's best efforts to remain insulated, Muriel up-ends his solitary, systemized life, catapulting him into the center of a messy, beautiful love story he never imagined. A fresh and timeless tale of unexpected bliss, *The Accidental Tourist* showcases Tyler's talents for making characters—and their relationships—feel both real and magical. "Incandescent, heartbreaking, exhilarating...One cannot reasonably expect fiction to be much better than this." —The Washington Post Look for *Clock Dance*, the

charming new novel from Anne Tyler, available now.

*13 Things Mentally Strong Women Don't Do*

HarperCollins

Offers humorous advice to single women, with attention given to work, family, friends, and relationships.

**Hollow Kingdom** University of Illinois Press

It's the most annoying question and they just can't help asking you. You'll be asked it at family gatherings, weddings, and on first dates. And you'll ask yourself far too often.

It's the question that has no good answer. It's the question that when people stop asking it, makes you feel even worse: Why are you single?

On a brisk October morning in New York, Julie Jenson, a single thirty-eight-year-old book publicist, is on her way to work when she gets a hysterical phone call from her friend Georgia. Reeling from her husband's

announcement that he is leaving her for a samba teacher, Georgia convinces a reluctant Julie to organize a fun girls' night out with all their single friends to remind her why it is so much fun not to be tied down. But the night, which starts with steaks and martinis and ends with a trip to the hospital, becomes a wake-up call for Julie. Because none of her friends seems to be having much fun right now: Alice, a former legal aid attorney, has recently quit her job

to start dating for a living; Serena is so busy becoming a fully realized person that she can't find time to look for a mate; and Ruby, a curvy and passionate woman, has been mourning the death of her cat for months. So, fed up with the dysfunction and disappointments of being single in Manhattan, Julie quits her job and sets off to find out how women around the world are dealing with this dreaded phenomenon. From Paris to Rio to Sydney, Bali, Beijing, Mumbai, and Reykjavik, Julie falls in love, gets her heart broken, sees the world, and learns more than she ever dreamed possible. Back in New York, her friends are grappling with their own issues—bad blind dates, loveless engagements, custody battles, and single motherhood. Through their journeys, all these women fight to redefine their vision of love, happiness, and a fulfilled life. Written in Liz Tuccillo's pitch-perfect, hilarious, and relatable voice, *How to Be Single* is the ultimate novel for the adventurer in us all.
