The Sinking Of Titanic 1912
The Sinking of the Titanic is a
work by British minimalist
composer Gavin Bryars.
Inspired by the story that the
band on the RMS Titanic
continued to perform as the ship
sank in April 1912, it recreates
how the music performed by the
band would reverberate through
the water some time after they
ceased performing. Composed

between 1969 and 1972, the work is now considered one of the classics of British experimental music.
