The author of the bestseller *White Mischief* tells the story of the beautiful Langhorne sisters, who lived at the Pinnacle of high and powerful society from the end of the Civil War through the Second World War. Making their way across two continents, they left in their wakes rich husbands, fame, adoration, and scandal. Lizzie, Irene, Nancy, Phyllis, and Nora were born in Virginia to a family impoverished by the Civil War. Their father remade his fortune by collaborating with the Yankees and building rail-roads; the sisters became southern belles and northern debutantes. James Fox draws on unpublished correspondence between the sisters and their husbands, lovers, children, and the powerful and glamorous of their day to construct a plural topography with the scope of a grand novel and the pace of a historical thriller. At its center is the most famous sister, Nancy, who married Waldorf Astor, one of the richest men in the world. Heroic, hilarious, magnetically charming, and a bully, Lady Astor became Britain's first female MP, championing women's rights and the poor. The beautiful Irene married Charles Dana Gibson and was the model for the Gibson Girl. The author's grandmother, Phyllis, married a famous economist, one of the architects of modern Europe. Fox has written an absorbing and spirited, intimate and sweeping account of extraordinary women at the highest reaches of society, their adventures set against the background of a tumultuous century.

Set in 1954, Towles uses the story of two brothers to show that our personal journeys are never as linear or predictable as we might hope. ” —Bill Gates “ A real joyride . . . elegantly constructed and compulsively readable. ” —NPR The bestselling author of *A Gentleman in Moscow* and *Rules of Civility* and master of absorbing, sophisticated fiction returns with a stylish and propulsive novel set in 1950s America In June, 1954, eighteen-year-old Emmett Watson is driven home to Nebraska by the warden of the juvenile work farm where he has just served fifteen months for involuntary manslaughter. His mother long gone, his father recently deceased, and the family farm foreclosed upon by the bank, Emmett's intention is to pick up his eight-year-old brother, Billy, and head to California where they can start their lives anew. But when the warden drives away, Emmett discovers that two friends from the work farm have hidden themselves in the trunk of the warden's car. Together, they have hatched an altogether different plan for Emmett's future, one that will take them all on a fateful journey in the opposite direction—to the City of New York. Spanning just ten days and told from multiple points of view, Towles's third novel will satisfy fans of his multi-layered literary styling while providing them an array of new and richly imagined settings, characters, and themes. “ Once again, I was wowed by Towles ’ s writing—especially because The Lincoln Highway is so different from A Gentleman in Moscow in terms of setting, plot, and themes. Towles is not a one-trick pony. Like all the best storytellers, he has range. He takes inspiration from famous hero ’ s journeys, including The Iliad, The Odyssey, Hamlet, Huckleberry Finn, and Of Mice and Men. He seems to be saying that our personal journeys are

never as linear or predictable as an interstate highway. But, he suggests, when something (or someone) tries to steer us off course, it is possible to take the wheel. ” – Bill Gates

The Lincoln Highway Harlequin

An instant New York Times bestseller and Reese Witherspoon Book Club pick from beloved author Alice Hoffman—the spellbinding prequel to Practical Magic. Find your magic. For the Owens family, love is a curse that began in 1620, when Maria Owens was charged with witchery for loving the wrong man. Hundreds of years later, in New York City at the cusp of the sixties, when the whole world is about to change, Susanna Owens knows that her three children are dangerously unique. Difficult Franny, with skin as pale as milk and blood red hair, shy and beautiful Jet, who can read other people's thoughts, and charismatic Vincent, who began looking for trouble on the day he could walk. From the start Susanna sets down rules for her children: No walking in the moonlight, no red shoes, no wearing black, no cats, no crows, no candles, no books about magic. And most importantly, never, ever, fall in love. But when her children visit their Aunt Isabelle, in the small Massachusetts town where the Owens family has been blamed for everything that has ever gone wrong, they uncover family secrets and begin to understand the truth of who they are. Yet, the children cannot escape love even if they try, just as they cannot escape the pains of the human heart. The two beautiful sisters will grow up to be the memorable aunts in Practical Magic, while Vincent, their beloved brother, will leave an unexpected legacy. Alice Hoffman delivers “fairy-tale promise with real-life struggle” (The New York Times Book Review) in a story how the only remedy for being human is to be true to yourself.
