Basilisk Vol. 1 SC Oni Press

The year is 2054, and life has been reduced to a data feed. The fusing of virtual reality and cybernetics has ushered in

the era of the surrogate, a new technology that lets users interact with the world without ever leaving their homes. It's a perfect world, and it's up to Detectives Harvey Greer and Pete Ford of the Metro Police Department to keep it that way. But to do so they'll need to stop a techno-terrorist bent on returning society to a time when people lived their lives instead of merely experiencing them. Welcome to *The Surrogates*, a daring, five-issue, full-color miniseries from Top Shelf Productions. First released ten years ago, when social media was in its infancy, *The Surrogates* anticipated numerous trends that have emerged with the ever-increasing confluence of technology and social connection. Nowhere is this more evident than in its exploration of identity, remote interaction, and the masks we hide behind. Now is the time to discover—or rediscover—this

ground-breaking modern classic; it's never been more relevant.
