Sister Jane Arnold tracks clues during an outbreak of crimes related to the world of competitive hunting and the tobacco industry. Hadrian and the Triumph of Rome Simon and Schuster This timeless memoir documents two sisters '

bravery leading up to WWII—a singular historical account that shines a light on one of humanity’s darkest hours. Ida and Louise Cook are two ordinary Englishwomen, seemingly destined never to stray from their quiet London suburb and comfortable jobs—Ida as a budding romance novelist and Louise as a civil service typist. But in 1923, a chance hearing of an aria from *Madame Butterfly* sparked a passion for opera in the sisters that led to the formation of friendships with some of Europe’s leading singers and their network, many of them Jewish. As the Nazis rose to power, Ida and Louise began working with the opera world’s insiders to save members of the community from persecution and death. Through ingenuity, thrift and bottomless goodwill, the sisters eluded the suspicion of the Nazis and helped secure safe passage for dozens of refugees. No one would have predicted such daring lives for Ida and Louise Cook—but that underestimation is exactly how they were able to save lives. First published in 1950, Ida’s memoir of the adventures she and Louise shared remains as fresh, vital and entertaining as the woman who wrote it, and is a moving testament to the

extraordinary acts of
courage by two
everyday heroes.

Four brothers learn four different trades. They travel home to show their father the skills they have developed. And then suddenly a princess is taken away by a dragon. Of course the brothers would step in and try to rescue the poor princess. They don't compete. They help each other and manage to save the princess. The question now is whose trade was of most important use? Who will get the princess after all? Find out in "The Four Skillful Brothers". Children and adults alike, immerse yourselves into Grimm's world of folktales and legends! Come, discover the little-known tales and treasured classics in this collection of 210 fairy tales. Brothers Grimm are probably the best-known storytellers in the world. Some of their most popular fairy tales are "Cinderella", "Beauty and the Beast" and "Little Red Riding Hood" and there is hardly

anybody who has not grown up with the adventures of Hansel and Gretel, Rapunzel and Snow White. Jacob and Wilhelm Grimm's exceptional literature legacy consists of recorded German and European folktales and legends. Their collections have been translated into all European languages in their lifetime and into every living language today.

"A fascinating insight into the mind of the Roman emperor."—Sunday Telegraph (London) Born in A.D. 76, Hadrian lived through and ruled during a tempestuous era, a time when the Colosseum was opened to the public and Pompeii was buried under a mountain of lava and ash. Acclaimed author Anthony Everitt vividly recounts Hadrian's thrilling life, in which the emperor brings a century of disorder and costly warfare to a peaceful conclusion while

demonstrating how a monarchy can be compatible with good governance. What distinguished Hadrian's rule, according to Everitt, were two insights that inevitably ensured the empire's long and prosperous future: He ended Rome's territorial expansion, which had become strategically and economically untenable, by fortifying her boundaries (the many famed Walls of Hadrian), and he effectively "Hellenized" Rome by anointing Athens the empire's cultural center, thereby making Greek learning and art vastly more prominent in Roman life. By making splendid use of recently discovered archaeological materials and his own exhaustive research, Everitt sheds new light on one of the most important figures of the

ancient world.

Visual Development of a Grimm Tale at Art Center College of Design New York
Review of Books

She's lost her work, her home and her freedom. Now, harboring a mysterious newborn, she could lose her life.

In 17th Century Germany on the brink of the Thirty Years War, 24-year-old Katarina is traded to the patrician Sebald Tucher by her fiancé Willi Prutt in order to pay his debts.

En route to her forced relocation to the Tucher country estate, Katarina is met by a crazed archer, Hans-

Wolfgang, carrying a baby under his cloak. He tells her an incredible story of how his beloved was executed by a Jesuit priest for witchcraft right after the birth and makes Katarina-at sword point-swear on her life to protect the child.

But protecting the child puts Katarina at risk. She could fall in disfavor with her master. She

could be hunted by the zealots who killed his beloved. She could be executed for witchcraft herself. Can Katarina's love for the baby and Sebald Tucher's desire for her keep the wrath of the zealots at bay? Set in Franconia, *The Master and the Maid* is an accurate, authentic account of a young woman's life in Germany in the 1600's, her struggle for freedom and her fight for those she loves.

From New York Times best-selling author of the *Dinotopia* series, James Gurney, comes a carefully crafted and researched study on color and light in paintings. This art instruction book will accompany the acclaimed *Imaginative Realism: How to Paint What Doesn't Exist*. James Gurney, New York Times best-selling author and artist of the *Dinotopia* series, follows *Imaginative Realism*

with his second art-instruction book, *Color and Light: A Guide for the Realist Painter*. A researched study on two of art's most fundamental themes, *Color and Light* bridges the gap between abstract theory and practical knowledge. Beginning with a survey of underappreciated masters who perfected the use of color and light, the book examines how light reveals form, the properties of color and pigments, and the wide variety of atmospheric effects. Gurney cuts through the confusing and contradictory dogma about color, testing it in the light of science and observation. A glossary, pigment index, and bibliography complete what will ultimately become an indispensable tool for any artist. This book is the second in a series based on his blog, gurneyjourney.com. His first

in the series, Imaginative Realism, was widely acclaimed in the fantastical art world, and was ranked the #1 Bestseller on the Amazon list for art instruction. "James Gurney's new book, Color and Light, cleverly bridges the gap between artistic observation and scientific explanation. Not only does he eloquently describe all the effects of color and light an artist might encounter, but he thrills us with his striking paintings in the process."

My Art Book is a superb introduction for young children to the history and techniques of art. It is a beautiful and inspiring art book that will be loved by children, and their parents! Full of project ideas to fire the imaginations of children, including mosaics inspired by Diego Rivera, figure sculptures

inspired by Henry Moore, and aboriginal dreamtime art. Each project idea is introduced with spreads about a particular masterpiece or artistic style of famous artists and sculptors throughout history. These Artist and Art-style spreads inform the reader about the artists' inspirations, and zooms up close to look at the details in the work or explains the story or subject matter the artists' have chosen. My Art Book covers a range of artistic styles, skills, and subjects such as impressionist scenes, watercolor landscapes, and pastel portraits. Children can experiment with art materials from making their own colors just like those used for cave art to creating a large land art sculpture from natural materials. Other projects explore the ideas of abstract art, such as drawing music like Kandinsky or conveying emotion through color like Klee. The step-by-step photography and clear instructions guides the children through the process for producing results that they can display with pride.

Born in Concrete The Skillful Huntsman Visual Development of

a Grimm Tale at Art Center College of Design
A tale from the Brothers Grimm provides inspiration for three gifted students from the world-renowned Art Center College of Design in Pasadena, California. Khang Le, Mike Yamada, and Felix Yoon were guided by their instructor, Scott Robertson, to create original design solutions for the environments, characters, props, and vehicles found within The Skillful Huntsman. The trio's sketches and full-color renderings thoroughly document the creative process of concept design, revealing a host of intriguing places - from sci-fi cities to castles - and people - from giants to royalty. A must for artists, aspiring entertainment designers, comic aficionados, and anyone interested in the creative process, The Skillful Huntsman offers insight into the mysterious world of the imagination. Do you aspire to become a concept artist in the video game industry but don't know where to start? **The Big Bad World of Concept Art for Video Games: An Insider's Guide for Students** is a comprehensive book that gives aspiring artists an honest, informative, and concise look at what it takes to do just that. Author Elliott Lilly uses his own student work as a teaching tool along with personal experiences to help you on your journey. From finding the right school and getting the most out of your

education, to preparing your portfolio and landing your first job, the advice and strategies Elliott offers are organized for easy reference and review. The book also features an extensive list of resources that students will find useful, as well as interviews with renowned concept artists David Levy, Sparth, Stephan Martiniere, Ben Mauro, and Farzad Varahramyan, all offering their own invaluable advice. With his firsthand knowledge about the ins and outs of the video game industry, Elliott Lilly is an exceptional guide who can help prepare you for the long journey toward realizing your ambitions."

Visual Development of an Epic Adventure by Steambot Studios Penguin
Sophia Willoughby, a young Englishwoman from an aristocratic family and a person of strong opinions and even stronger will, has packed her cheating husband off to Paris. He can have his tawdry mistress. She intends to devote herself to the

serious business of raising her two children in proper Tory fashion. Then tragedy strikes: the children die, and Sophia, in despair, finds her way to Paris, arriving just in time for the revolution of 1848. Before long she has formed the unlikeliest of close relations with Minna, her husband's sometime mistress, whose dramatic recitations, based on her hair-raising childhood in czarist Russia, electrify audiences in drawing rooms and on the street alike. Minna, "magnanimous and unscrupulous, fickle, ardent, and interfering," leads Sophia on a wild adventure through bohemian and revolutionary Paris, in a story that reaches an unforgettable conclusion amidst the bullets, bloodshed, and hope of the barricades. Sylvia Townsend Warner was one of the most original and inventive of

twentieth-century English novelists. At once an adventure story, a love story, and a novel of ideas, *Summer Will Show* is a brilliant reimagining of the possibilities of historical fiction.

Prince Brier Snow 's sabbatical to train under Roland, a huntsman and outcast, leads to the conception of an unexpected heir—and a scandal Brier 's enemies will use to their advantage.

The Art of Sparth Lindhardt og Ringhof

After a 12 year absence from creating his own art, Derek started to focus on his personal work in 2009. His first personal project, Born in Concrete, was undertaken to dispel his biases towards expressive art, overcome his own perceived limitations and to rejuvenate his creative spirit. This collision of Soviet inspired retro sci-fi and Jewish mystical and qabalistic symbolism has evolved into a filter, or framework, that emotions, ideas and images are pushed through to be given shape and form. This project has been well received, being featured in numerous exhibits, international publications, as well as book and album covers, It continues to

unfold and expand. . . . This book will feature a gallery section of artwork, a chapter on the artwork created for use as graphics on snowboards, the snowboards and the corresponding marketing material as well as a chapter on the creation of a resin model kit by Industria Mechanika. A section of the book will also be dedicated to a step-by-step breakdown of how one of the art pieces was created. *A Study of Composition in Art* Andrews McMeel Publishing

In the vein of Naomi Novik ' s *New York Times* bestseller *Spinning Silver* and Katherine Arden ' s national bestseller *The Bear and the Nightingale*, this unforgettable debut—inspired by Hungarian history and Jewish mythology—follows a young pagan woman with hidden powers and a one-eyed captain of the Woodsmen as they form an unlikely alliance to thwart a tyrant. In her forest-veiled pagan village, É vike is the only woman without power, making her an outcast clearly abandoned by the gods. The

villagers blame her corrupted bloodline—her father was a Yehuli man, one of the much-loathed servants of the fanatical king. When soldiers arrive from the Holy Order of Woodsmen to claim a pagan girl for the king ' s blood sacrifice, É vike is betrayed by her fellow villagers and surrendered. But when monsters attack the Woodsmen and their captive en route, slaughtering everyone but É vike and the cold, one-eyed captain, they have no choice but to rely on each other. Except he ' s no ordinary Woodsman—he ' s the disgraced prince, G á sp á r B á r á ny, whose father needs pagan magic to consolidate his power. G á sp á r fears that his cruelly zealous brother plans to seize the throne and instigate a violent reign that would damn the pagans and the Yehuli alike. As the son of a reviled foreign queen, G á sp á r understands what it ' s like to be an outcast, and he and É vike make a

tenuous pact to stop his brother. As their mission takes them from the bitter northern tundra to the smog-choked capital, their mutual loathing slowly turns to affection, bound by a shared history of alienation and oppression. However, trust can easily turn to betrayal, and as É vike reconnects with her estranged father and discovers her own hidden magic, she and G á sp á r need to decide whose side they ' re on, and what they ' re willing to give up for a nation that never cared for them at all.
