The key is the Skin Map—but where it leads and what it means, Kit has no idea. The pieces have been scattered throughout this universe and beyond. Mina, from her outpost in seventeenth-century Prague, is quickly gaining both the experience and the means to succeed in the quest.

The Skin Map (Bright Empires, #1) by Stephen R. Lawhead

Stephen Lawhead has started a new fantasy series called Bright Empires, beginning with the book The Skin Map. I read this quite quickly and will probably take the next one out of the library when it is released, but it isn't that memorable. Compared to the last book I read, characterization is virtually non-existent and the story flies.

The Skin Map (Bright Empires Series #1) by Stephen R ...

Lawhead embarks on a fascinating story in his new Bright Empires series. The Skin Map is a great start to it...but I will say it is merely a start. Though there is some resolution at the end, the grander conflicts Lawhead introduces have merely become intertwined quite thoroughly by the end. He is a masterful storyteller, and it shows.

“The Skin Map” is the first book in the “Bright Empires” series that came out in 2010. Kit

Livingston's great-grandfather (named Coismo) visits him in an alley during a very bad storm in London, and tells him that ley lines that are going through Britain are not the hobby of the deluded, or the stuff of legend.

The Skin Map (Bright Empires) by Stephen R. Lawhead ...

But the Skin Map itself is not the ultimate goal. It is merely the beginning of a vast and marvelous quest for a prize beyond imagining. The Bright Empires series—from acclaimed author Stephen R.

Lawhead—is a unique blend of epic treasure hunt, ancient history, alternate realities, cutting-edge physics, philosophy, and mystery.

BRIGHT EMPIRES / Stephen R Lawhead

“The Skin Map” is part of his five-book “Bright Empires” series, so there is plenty more to this adventure. All in all, I found “The Skin Map” to be a delightful story that showed a lot of promise for the series. It’s also further proof that Stephen R. Lawhead is among the great writers of historical fantasy right now.
