At twenty-seven, Tamelik has been a slave more than half his life, having witnessed his family being murdered in front of him when he was just a child. Naturally submissive, although with a petulant streak, he can't help but fall in love with the master who treats him kindly. Tam's dreams come true when his mistress walks out, leaving her husband behind. For six glorious months, he and his master get to be together. Then Tam is ordered to purchase another slave.

He wants to hate Kai for being unruly and ungrateful. For being of the same race as the men who murdered his family. For being his eventual replacement in their master's bed. But it's hard to hate a man who cries himself to sleep, flinches at the slightest touch, and blushes beautifully when he's kissed. Seducing Kai has suddenly become more challenge than chore, and with his master's encouragement, Tam finds himself falling for his new companion. Except... nobody can be in love with two people at once, can they?

New American Commentary series, New Testament professor Mark Taylor offers his exposition of the popular book of 1 Corinthians to give readers a deeper understanding of its content and context.

Slave Hunter Princeton University Press

There is no sun. There is no moon. There is only gray—the smog belched from coal-fueled factories. The Workers silently shuffle to their assigned posts. The Outcasts watch from the alley walls. On every corner, a Watcher stands stone-faced, a rifle in hand. This is the only life that exists. Beyond the mountains is a dream. But dreams are foolish in a place like this. Hannah has spent nineteen years dodging Watchers and doing as she is told. Do not look Watchers in the eye. Don't give them a reason to notice you. When she wakes to the valley exploding in revolution, Hannah is forced onto a dangerous path, where nothing is what she believed. Suddenly freedom is in her grasp, and the

way there requires working with the men she once feared.

"Having been born a freeman, and for more than thirty years enjoyed the blessings of liberty in a free State—and having at the end of that time been

kidnapped and sold into Slavery, where I remained, until happily rescued in the month of January, 1853, after a bondage of twelve years—it has been suggested that an account of my life and fortunes would not be uninteresting to the public." -an excerpt

Narrative of the Life of Frederick Douglass

Createspace Independent Publishing Platform

Rio de Janeiro in the first half of the nineteenth century had the largest population of urban slaves in the Americas—primary contributors to the atmosphere and vitality of the city. Although most urban historians have ignored these inhabitants of Rio, Mary Karasch's generously illustrated study provides a comprehensive description and analysis of the city's rich Afro-Cariocan culture, including its folklore, its songs, and accounts of its oral history. Professor Karasch's investigation of the origins of Rio's slaves demonstrates the importance of the "Central Africaness" of the slave population to an understanding of its culture. Challenging the thesis of the comparative mildness of the Brazilian slave

system, other chapters discuss the marketing of Africans in the Valongo, the principal slave market, and the causes of early slave mortality, including the single greatest killer, tuberculosis. Also examined in detail are adaptation and resistance to slavery, occupations and roles of slaves in an urban economy, and art, religion, and associational life. Mary C. Karasch is Associate Professor of History at Oakland University in Rochester, Michigan. Originally published in 1987. The Princeton Legacy Library uses the latest print-on-demand technology to again make available previously out-of-print books from the distinguished backlist of Princeton University Press. These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions. The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905.

France in the 1800s is a brutal time to be an omega. Kept as a slave for most of his life, Dante has suffered far too much brutality, and even he would admit that the harshness of life has turned him from a civilised, obedient omega into a broken man bent on violence and revenge. However, an odd twist of fate leads to Dante being bought by Antoine, a wealthy alpha with a soft spot for brutalised omegas. He sees the potential in the suffering young man and takes him back to his estate, determined to help him recover from the cruelty of his past. But winning Dante's trust was never going to be an easy task, and even less so in a society that refuses to acknowledge that an omega could ever be anything other

than a slave.

BEYOND BOOKS HUB

Combines a sweeping narrative history of the Civil War with a bold new look at the war's significance for American society. Professor Hummel sees the Civil War as America's turning point: simultaneously the culmination and repudiation of the American revolution. A unique feature of the book is the bibliographical essays which follow every chapter. Here the author surveys the literature and points out where his own interpretation fits into the continuing clash of viewpoints which informs historical debate on the Civil War.

Slave Life in Rio de Janeiro, 1808-1850 Penguin
Narrative of the Life of Frederick Douglass First
published in 1845, Narrative of the Life of
Frederick Douglass is an eye-opening depiction
of American slavery. Part autobiography, part
human-rights treatise, it describes the everyday
horrors inflicted on captive laborers, as well as the
strength and courage needed to survive.

Narrative of the Life of Frederick Douglass Born
into slavery on a Maryland plantation in 1818,
Frederick Douglass spent years secretly teaching
himself to read and write—a crime for which he
risked life and limb. After two failed escapes,
Douglass finally, blessedly boarded a train in 1838
that would eventually lead him to New York City
and freedom. Narrative of the Life of Frederick
Douglass Few books have done more to change
America ' s notion of African Americans than
this seminal work. Beyond its historical and social

relevancy, it is admired today for its gripping
stories, the intensity of spirit, and heartfelt
humanity. Narrative of the Life of Frederick
Douglass This ebook has been professionally
proofread to ensure accuracy and readability on
all devices. Narrative of the Life of Frederick
Douglass Born into a life of bondage, Frederick
Douglass secretly taught himself to read and write.
It was a crime punishable by death, but it resulted
in one of the most eloquent indictments of slavery
ever recorded. His gripping narrative takes us into
the fields, cabins, and manors of pre – Civil War
plantations in the South and reveals the daily
terrors he suffered. Narrative of the Life of
Frederick Douglass Written more than a century
and a half ago by a Black man who went on to
become a famous orator, U.S. minister to Haiti,
and leader of his people, this timeless classic still
speaks directly to our age. It is a record of

savagery and inhumanity that goes far to explain why America still suffers from the great injustices of the past. Narrative of the Life of Frederick Douglass

An Inquiry into the Nature and Causes of the Wealth of Nations, Volume 2 Houghton Mifflin Harcourt

When Justinian became sole ruler of the Byzantine Empire in A.D. 527, he ordered the preparation of three compilations of Roman law that together formed the Corpus Juris Civilis. These works have become known individually as the Code, which collected the legal pronouncements of the Roman emperors, the Institutes, an elementary student's textbook, and the Digest, by far the largest and most highly prized of the three compilations. The Digest was assembled by a team of sixteen academic lawyers commissioned by Justinian in 533 to cull

everything of value from earlier Roman law. It was for centuries the focal point of legal education in the West and remains today an unprecedented collection of the commentaries of Roman jurists on the civil law.

Commissioned by the Commonwealth Fund in 1978, Alan Watson assembled a team of thirty specialists to produce this magisterial translation, which was first completed and published in 1985 with Theodor Mommsen's Latin text of 1878 on facing pages. This paperback edition presents a corrected English-language text alone, with an introduction by Alan Watson. From living the rock star life to wading through the world's war zones, refugee camps, and brothels, Aaron Cohen left behind his closest friends, his dying father, and his partnership with a legendary musician to take on treacherous rescue missions in search of modern-day slaves. Years of drug addiction and late-night partying led Aaron Cohen, one-time best friend and business partner to Jane's Addiction frontman Perry Farrell, on a path of spiritual discovery that has both transformed and endangered his life -- a path that has drawn him into the shantytowns of Cambodia and the hidden brothels of Latin America, across the sweltering savannahs of Sudan, up to the Dalai Lama's Himalayan retreat, and through the unforgiving jungles of Burma and the deserts of Iraq. At a time when more people than ever before are enslaved somewhere

on the planet, Aaron Cohen is a slave hunter -- working to find and free human beings from various forms of bondage. The flesh trade is the world's fastest-growing and most deadly illegal enterprise -- even more profitable and easier to hide than guns, drugs, and precious gems. Free from diplomatic restrictions and political agendas, Cohen is a unique asset to government agencies, think tanks, and anti-slavery organizations. He navigates the oppressive territory of pimps and drug lords, cloaked in the all-too-familiar world of substance abuse, oversized egos, and changing rules. Working alone and posing as a sex tourist, he slips into brothels, urged by madams to select from a lineup of women and girls as young as six. Sometimes he can save them from their captors, but more often than not, he must leave them behind, taking only the evidence he hopes will eventually lead to their rescue. Struggling to make

ends meet on his own negligible salary, Cohen faces temptations few could resist and witnesses atrocities his friends and family cannot understand. And though many assignments over the years carry him away from his ailing father, his commitment to protect, assist, and empower human trafficking victims -- and to disrupt the patterns that lead to all forms of enslavement -- is unyielding. In a remarkable expos é of a sinister trade most of us will never experience first-hand, rocker-turned-antislavery activist Aaron Cohen reveals the fast-paced, timely, inspiring, and unforgettable story of a real life Slave Hunter. The Greek Commonwealth Sherri Hayes This book uses primary sources to capture the ways Africans experienced and were influenced by the slave trade. The Laws of the Kings of England from Edmund to Henry I Open Court

Book 1 of a 4 book series. Stephan Coleman knows what his future holds as the president of a not-for-profit foundation and he knows what he wants out of life. All that changes when a simple lunch with his college friend, mentor, and fellow Dominant, Daren, leads him to buying a slave. Thrust into a situation he never thought he ' d be in, Stephan can ' t walk away. He is compelled to help this girl in the only way he knows how. Brianna knows only one thing: she is a slave. She has nothing. She is nothing. Can Stephan help Brianna realize that she is much more than just a slave?

1 Corinthians Bantam
THE FIRST PSY/CHANGELING NOVEL
from the New York Times bestselling author of Shards of Hope, Shield of Winter, and Heart of Obsidian... The book that Christine Feehan called "a must-read for all of my fans."
In a world that denies emotions, where the ruling Psy punish any sign of desire, Sascha

Duncan must conceal the feelings that brand her as flawed. To reveal them would be to sentence herself to the horror of “rehabilitation”—the complete psychic erasure of everything she ever was... Both human and animal, Lucas Hunter is a Changeling hungry for the very sensations the Psy disdain. After centuries of uneasy coexistence, these two races are now on the verge of war over the brutal murders of several Changeling women. Lucas is determined to find the Psy killer who butchered his packmate, and Sascha is his ticket into their closely guarded society. But he soon discovers that this ice-cold Psy is very capable of passion—and that the animal in him is fascinated by her. Caught between their conflicting worlds, Lucas and Sascha must

remain bound to their identities—or sacrifice everything for a taste of darkest temptation...

A Free Man of Color Plantagenet Publishing
A lush and haunting novel of a city steeped in decadent pleasures . . . and of a man, proud and defiant, caught in a web of murder and betrayal. It is 1833. In the midst of Mardi Gras, Benjamin January, a Creole physician and music teacher, is playing piano at the Salle d'Orleans when the evenings festivities are interrupted—by murder. Ravishing Angelique Crozat, a notorious octoroon who travels in the city's finest company, has been strangled to death. With the authorities reluctant to become involved, Ben begins his own inquiry, which will take him through the

seamy haunts of riverboatmen and into the huts of voodoo-worshipping slaves. But soon the eyes of suspicion turn toward Ben—for, black as the slave who fathered him, this free man of color is still the perfect scapegoat. . . .

Praise for *A Free Man of Color* “ A smashing debut. Rich and exciting with both substance and spice. ” —Star Tribune, Minneapolis “ A sparkling gem. ” —King Features Syndicate
