The Snow Angel Penguin

Coming on the threshold of what promises to be the most acrimonious presidential election in American history, Diamond and Silk ' s book will be a rallying cry for tens of millions of Americans who are tired of being told what to think and whom to vote for. Diamond and Silk ' s story is one of overcoming poverty and shame and choosing victory over victimhood. Theirs is a story that defies the left ' s narrative and that the mainstream media refuses to acknowledge, accept, and respect.

An Inconvenient Book Simon and Schuster

A plan to destroy America, a hundred years in the

making, is about to be unleashed . . . can it be stopped? There is a powerful technique called the Overton Window that can shape our lives, our laws, and our future. It works by manipulating public perception so that ideas previously thought of as radical begin to seem acceptable over time. Move the Window and you change the debate. Change the debate and you change the country. For Noah Gardner, a twentysomething public relations executive, it ' s safe to say that political theory is the furthest thing from his mind. Smart, single, handsome, and insulated from the world ' s problems by the wealth and power of his father, Noah is far more concerned about the future of his social life than the future of his country. But all of that changes when Noah meets Molly Ross, a woman who is consumed by the knowledge that the America we know is about to be lost forever. She and her

---

group of patriots have vowed to remember the past and fight for the future—but Noah, convinced they're just misguided conspiracy-theorists, isn't interested in lending his considerable skills to their cause. And then the world changes. An unprecedented attack on U.S. soil shakes the country to the core and puts into motion a frightening plan, decades in the making, to transform America and demonize all those who stand in the way. Amidst the chaos, many don't know the difference between conspiracy theory and conspiracy fact—or, more important, which side to fight for. But for Noah, the choice is clear: Exposing the plan, and revealing the conspirators behind it, is the only way to save both the woman he loves and the individual freedoms he once took for granted. After five back-to-back #1 New York Times bestsellers, national radio and Fox News television host Glenn Beck has delivered a ripped-from-the-headlines thriller that seamlessly weaves together American history, frightening facts about our present condition, and a heart-stopping plot. The Overton Window will educate, enlighten, and, most important, entertain—with twists and revelations no one will see coming.

**Two Nights in Lisbon** Simon and Schuster

When the government comes for her mother, Emmeline embarks on a plan to save her family and expose the truth behind the objectives of the United Nations' agenda 21.

**Being George Washington** Henry Holt

Combining biography and George Washington's own writings with his own trademark insights, comments and sidebars, a controversial TV host asserts that Washington's beliefs and values are especially important to remember as the 2012 election approaches. Reprint.

**Open Borders Inc.** Prewett Biemann GmbH

A picture-book edition of Glenn Beck's tale of family, resilience, and love across distance, following in the footsteps of his #1 New York Times bestselling *The Christmas Sweater*. Adapted from the newest Glenn Beck release, *Snow Angel* is the story of two siblings, who yearn for new toys and a fun vacation, but their parents are struggling and cannot give them what they want. Though their disappointment is obvious, their grandmother tells them the story of a young girl whose family also went through hard times. Before her father has to leave to find work, he makes a snow angel, telling his little girl that no matter where he is, there will always be an angel looking out for her and her mother, helping the brother and sister realize the true meaning of family. Ultimately, it's a story of family, resilience, and knowing that the ones you love are never too far away.

**Liars** Simon and Schuster

Love is a driving passion. So is hate. Ex DCI Beatrice Stubbs is adjusting to retirement in Devon. But when a local author is poisoned, she investigates. After all, a true detective never really retires.

**The War on the West** Simon and Schuster

A thrilling epic about an ancient clash reignited in our time- between a hidden society and heaven's darkest creatures There were giants in the earth in those days; and also after that, when the sons of God came in unto the daughters of men, and they bore children to them. Genesis 6:5 Sister Evangeline was just a girl when her father entrusted her to the Franciscan

---

Sisters of Perpetual Adoration in upstate New York. Now, at twenty-three, her discovery of a 1943 letter from the famous philanthropist Abigail Rockefeller to the late mother superior of Saint Rose Convent plunges Evangeline into a secret history that stretches back a thousand years: an ancient conflict between the Society of Angelologists and the monstrously beautiful descendants of angels and humans, the Nephilim. For the secrets these letters guard are desperately coveted by the once-powerful Nephilim, who aim to perpetuate war, subvert the good in humanity, and dominate mankind. Generations of angelologists have devoted their lives to stopping them, and their shared mission, which Evangeline has long been destined to join, reaches from her bucolic abbey on the Hudson to the apex of insular wealth in New York, to the Montparnasse cemetery in Paris and the mountains of Bulgaria. Rich in history, full of mesmerizing characters, and wondrously conceived, Angelology blends biblical lore, the myth of Orpheus and the Miltonic visions of Paradise Lost into a riveting tale of ordinary people engaged in a battle that will determine the fate of the world.

#### Don't Burn This Country Simon and Schuster

"Bestselling author Glenn Beck re-tells the story of Santa Claus, imagining him at the first Christmas and casting him as a guardian for the infant and adult Jesus"--

#### **The Daily Show (The Book)** Threshold Editions

Born in 1927 to daringly enterprising parents in the Deep South, Coretta Scott had always felt called to a special purpose. While enrolled as one of the first black scholarship students recruited to Antioch College, she became politically and socially active and committed to the peace movement. As a graduate student at the New England Conservatory of Music, determined to pursue her own career as a concert singer, she met Martin Luther King Jr., a Baptist minister insistent that his wife stay home with the children. But in love and devoted to shared Christian beliefs as

well as shared racial and economic justice goals, she married Dr. King, and events promptly thrust her into a maelstrom of history throughout which she was a strategic partner, a standard bearer, and so much more. As a widow and single mother of four, she worked tirelessly to found and develop The King Center as a citadel for world peace, lobbied for fifteen years for the US national holiday in honor of her husband, championed for women's, workers' and gay rights and was a powerful international voice for nonviolence, freedom and human dignity.

#### *Eurotrash* Simon and Schuster

Washington Post columnist Dana Milbank takes a fair and balanced look at the unsettling rise of the silly Fox News host Glenn Beck. Thomas Jefferson famously wrote that "the tree of Liberty must be refreshed from time to time with the blood of patriots and tyrants. It is its natural manure." In America in 2010, Glenn Beck provides the very refreshment Jefferson had in mind: Whether he's the patriot or the tyrant, he's definitely full of manure. The wildly popular Fox News host with three million daily viewers perfectly captures the vitriol of our time and the fact-free state of our political culture. The secret to his success is his willingness to traffic in the fringe conspiracies and Internet hearsay that others wouldn't touch with a ten-foot pole: death panels, government health insurance for dogs, FEMA concentration camps, an Obama security force like Hitler's SS. But Beck, who is, according to a recent Gallup poll, admired by more Americans than the Pope, has nothing in his background that identifies him as an ideologue, giving rise to the speculation that his right-wing shtick is just that—the act of a brilliant showman,

---

known for both his over-the-top daily outrages and for weeping on the air. Milbank describes, with lacerating wit, just how the former shock jock without a college degree has managed to become the most recognizable leader of antigovernment conservatives and exposes him as the guy who is single-handedly giving patriotism a bad name.

#### Snow Angel Simon and Schuster

In this short primer, Gorski and Perry explain what white Christian nationalism is and is not; when it first emerged and how it has changed; where it's headed and why it threatens democracy. Tracing the development of this ideology over the course of three centuries--and especially its influence over the last three decades--they show how white Christian nationalism motivates the anti-democratic, authoritarian, and violent impulses on display in our current political moment.

#### **Glenn Beck's Common Sense** HarperCollins

Glenn Beck's heart-pounding sequel to his #1 bestselling novel *The Overton Window* The last battle for freedom is under way. An unlikely band of ordinary Americans is ready to make its last stand in defense of self-rule, freedom, and liberty. Among them is Molly Ross, a young rebel who exposed a shadow war for the nation's fate that is waged by aging trillionaire Aaron Doyle and an elite cabal of self-styled tyrants. Marked as traitors and hunted down, Ross and her allies are cornered and standing alone. But the fight is far from over. As Doyle prepares to fulfill his dark global vision for humanity's future, Molly and her small but devoted team bravely infiltrate one of the most secure locations on Earth—a place holding longstanding secrets that, if revealed,

will forever change the way Americans view their extraordinary place in history. Glenn Beck takes the sizzling suspense and roller-coaster twists of *The Overton Window* to new heights in this electrifying thriller.

#### *The Christmas Sweater* Aladdin

Glenn Beck, the New York Times bestselling author of *The Great Reset*, returns with his contemporary adaptation of *The Federalist Papers* with the inclusion of his own commentary and annotations to help readers interpret and understand the Constitution. Glenn Beck revisited Thomas Paine's famous pre-Revolutionary War call to action in his #1 New York Times bestseller *Glenn Beck's Common Sense*. Now he brings his historical acumen and political savvy to this fresh, new interpretation of *The Federalist Papers*, the 18th-century collection of political essays that defined and shaped our Constitution and laid bare the “original argument” between states' rights and big federal government—a debate as relevant and urgent today as it was at the birth of our nation. Adapting a selection of these essential essays—pseudonymously authored by the now well-documented triumvirate of Alexander Hamilton, James Madison, and John Jay—for a contemporary audience, Glenn Beck has had them reworked into “modern” English so as to be thoroughly accessible to anyone seeking a better understanding of the Founding Fathers' intent and meaning when laying the groundwork of our government. Beck provides his own illuminating commentary and annotations and, for a number of the essays, has brought together the viewpoints of both liberal and conservative historians and scholars, making this a fair and insightful perspective on the historical works that remain the

---

primary source for interpreting Constitutional law and the rights of American citizens.

**My Life, My Love, My Legacy** Threshold Editions

Glenn Beck argues that the American way of life will not survive the Great Reset and warns us to stop it before it's too late to reverse course.

**Don't Lie to Me** Simon and Schuster

Details some of the little-known stories from American history that explain the American identity and where the country is headed in the future.

**Miracles and Massacres** Simon and Schuster

Years after losing her mother in a car accident that rendered her father emotionally distant, Rachel resolves to escape from an abusive marriage to protect her young daughter.

***The Snow Angel*** Grand Central Publishing

Judge Jeanine Pirro, author of two New York Times bestsellers, exposes the lies and distortions of the president's enemies. It's been nearly four years since President Trump took office, and Judge Jeanine Pirro has had enough of the left's countless lies and false accusations. She is now forced to ask: How could anyone vote against President Trump this November? What more could you possibly want? In *Don't Lie to Me*, Judge Jeanine brings her signature writing style and acute legal mind to topics such as the impeachment inquiry, the military, and the road to the 2020 presidential election. She will highlight President Trump's triumphs and his strength during the coronavirus crisis.

***The Immortal Nicholas*** Thomas Nelson Inc

Adapted from the bestselling adult novel, *The Christmas Sweater*: A

Picture Book is the story of a young boy who finds the true meaning of Christmas in the most unlikely of places. Eddie wants a bicycle for Christmas, but his mother knits him a homemade sweater instead. His disappointment is obvious, but a magical journey with his whimsical grandfather makes Eddie realize that the sweater is far more than it seems. He ultimately learns that the greatest gift of all is one that is given with love..

**Agenda 21** Crown

"Thomas Jefferson stands falsely accused of several crimes, among them infidelity and disbelief. Noted historian David Barton now sets the record straight. Having borne the brunt of a smear campaign that started more than two centuries ago, the reputation and character of American president Thomas Jefferson shows considerable tarnish, as lies and misunderstandings have gathered on his legacy. Noted early-America historian David Barton scours out the truth. Jefferson and Sally: Did he really have children by his slave, Sally Hemings? Jefferson and Jesus: Did he really abandon the faith of his family? Jefferson and the Bible: Did he really want to rewrite the Scripture? Jefferson and the church: Did he really advocate separation? Jefferson and slaves: What is the truth about his slaveholding and his statements that all are created equal? Jefferson and education: Did Jefferson really found the first secular, irreligious university? All of these questions deserve the cleansing light of truth. Barton has gone through the historical records, combed the original documents and letters, and examined the recent evidence, and his findings will upset the establishment. Barton shows the true man, the real Thomas Jefferson. Most readers will have the joy and surprise of meeting him for the very first time"--

**The Christmas Sweater** The Snow Angel

Little Pup's wolf family is on their way to a special reunion—with

---

lots of cousins, games, roasting marshmallows, and fun! As the young wolf thinks about different kinds of families, it's the perfect opportunity for Mama and Papa to teach their inquisitive child about the families that God brings together. Some families are big and others are small, some are led by grandparents or just one parent, and some families include adopted little ones— yet each family is truly special. Even the members of Little Pup's pack make up an important role in his family, although they sometimes pester him. Papa gently reminds his son... "We need to love the family God gave us." A heartwarming and colorful addition to the best-selling God Gave Us series, this tale will delight young hearts and help them understand how families of all types reflect God's unconditional love.
