Snowy Owl Mountain Press Publishing Company

In a remote part of the Cascade Mountains in Washington State, an owl named Oscar learns about life and befriends a little girl named Madoline, who has just moved to a newly built cabin in the area. The two of them have a unique connection and begin a friendship. A sudden winter storm causes much destruction to the local forest and Oscar begins to worry

about the little girl and Olivia, another owl he has recently made friends with. Oscar learns the advantages of being polite and wise with his animal neighbors and with Madoline. Meanwhile, Madoline learns that the forest can have some heartwarming surprises. "The Story of Oscar the Owl" is a bedtime story that provokes a child's imagination and sparks curiosity about the natural world we live in.

Snowy owl: Amazing Pictures and Facts About Snowy owl

Snowy Owl Lerner Publications TM

Oliver is a barn owl and he is growing up. The day he learns to fly is a great day and his new skill gives him the ability to observe the world. For instance, he watches the deer in the forest. He watches the children around the barn. He's wary of the banging machine that's used to scare the birds away from the crops. But most of all, he learns how things can help each other. When he discovers two old scarecrows in the barn, he discovers how great it can be to make other people's lives better.

Snowy Owl Independently Published

Discover the fascinating and mysterious world of owls with this stunning full-color, encyclopedic visual guide that explores all 225 known species, packed with maps, photographs, illustrations, informative scientific details, and a bonus 35½" x 12" accordion poster illustrated with the true-to-size wing span of the largest owl, overlaid with the wing span of the smallest owl and several owls in-between. Humans have long been fascinated by owls. From prehistoric cave paintings to popular modern children's stories, these magnificent predators have been seen as harbingers of good fortune and impending disaster, as icons of fear and wisdom, and as the powerful sidekicks of magic-makers, including the beloved Harry Potter. Scientists have faced tremendous challenges trying to document the lives of these solitary, nocturnal, and highly elusive creatures. New species are still being discovered, as are new insights into the habits of even the most familiar varieties. Visually spectacular and authoritative, *Owls* includes full descriptions and maps of key viewing locations for all 225 owl species in the world, and is illustrated with drawings and stunning full-color images from some of the leading wildlife photographers from around the world which capture these birds' breathtaking beauty and power. The book also features a special section on the art of hiding—a highly honed skill set of the owl. Throughout, Marianne Taylor provides a wealth of detail on each type of bird's hunting and breeding behavior, habitat, and conservation. Inside, are dozens of fun facts, such as: Only nineteen of the

225 known species of owls are found in North America; Owls can be found on all continents except Antarctica; Owls, like humans, have binocular vision; Owls cannot turn their eyes, but are able to rotate their heads up to 270 degrees; Owls are carnivorous and are known to eat rodents, small mammals, nocturnal insects, fish, and other birds. Lavishly illustrated and educational, this breathtaking volume is essential for readers interested in natural science, devout birders, professional ornithologists, and all owl lovers. *The Great Gray Owl* Templar Publishing

Rainbow Books Abdo Jumbo is

“ A charming personal account, accompanied by nearly 100 illustrations, that underscores how owls and other birds enrich our lives. ” —Kirkus Reviews Winner of the National Outdoor Book Award For a quarter of a century, Tony Angell and his family shared the remarkable experience of closely observing pairs of western screech owls that occupied a nesting box outside the window of their forest home. The journals in which the author recorded his observations, and the captivating drawings he created, form the heart of this compelling book—a personal account of an artist-naturalist's life with owls. Angell's extensive illustrations show owls engaged in what owls do—hunting, courting, raising families, and exercising their inquisitive natures—and reveal his immeasurable respect for their secret lives and daunting challenges. Angell discusses the unique characteristics that distinguish owls from other bird species and provides a fascinating overview of the impact owls have had on human culture and thought.

He also offers detailed scientific descriptions of the nineteen species of owls found in North America, as well as their close relatives elsewhere. Always emphasizing the interaction of humans and owls, the author affirms the power of these birds to both beguile and inspire. “ Endearing...provides a lot of fascinating information about these reclusive creatures. ” —The New York Times Book Review “ Angell writes (and draws) with the absolute authority of one who has studied, rehabilitated, lived with and loved the animals his whole life. ” —The Wall Street Journal

“ Steeped in the tradition of Alexander Wilson and John James Audubon, it blends taxonomy, ornithology, biogeography and autobiography. ” —Times Literary Supplement

Snowy Owl: An Amazing Animal Picture Book about Snowy Owl for Kids

The Story of Oscar the Owl Mountain Press

Every child loves a snow day - no school and snowball fights galore! But Sam has to wait for his Grandad. Trying to hurry him up, Sam tells Grandad all the other kids have gone to the park... and all the local dogs... and all the zoo animals! Only when they finally arrive does Grandad see Sam was telling the truth - and both of them get stuck in having fun on their snow day!

Snowy Owl Austin MacAuley

Young Michael goes to sleep dreaming of a snow day, only to awaken to bare roads and clear skies. He heads to school in his clunky, black snow boots and prepares for an ordinary day in the classroom. About halfway through the day, though, the storm hits and the snow piles up, making it impossible for anyone to leave. Michael's teacher, classmates, and school staff make feelings of anxiety and uncertainty disappear as they come together for a night filled with games, imagination, and storytelling. Snow Night is a picture book about an emergency sleepover inside an elementary school that will teach children how to cope with the unexpected and how to have fun in new situations. It will make a valuable and delightful addition to personal and school libraries!

Snowy Owls Pebble

A historic snowstorm decimated an American Indian tribe in the nineteenth century. Thousands died, some ultimately

eating their own in order to survive. Now the snowstorm has returned, and something sinister hides within it. Something detective Jacob Schmidt will witness firsthand.

Angry Owl ABDO

Owls Comparing Animal Traits

Any animal that lives in the Arctic is tough!

This title looks into how the snowy owl survives such cold and unforgiving conditions, what it eats, and more. The book is complete with large colorful photographs and a more facts section.

Snowy Owls Lulu.com

The Huntsman is hired to win Snow White's heart, but loses his own instead. Princess Snow White is hiding from her sister; the evil Snow Queen, in a village of dwarfs, along with her trusty owl Roger. She's living a simple life, forgetting all about the horrors of her past, when she stumbles upon a handsome huntsman, Emmett, who sweeps her off her feet. Literally. While Emmett wants to escape the Chanted Forest and never look back, Snow seeks to restore peace in the Chanted Kingdom and save her twisted sister from her evil ways.

And Emmett's safe passage to the Northern

Realm depends on helping Snow find the one person who can save her sister: Jack Frost. Emmett and Snow join forces, facing deadly enemies, and in order to survive, they will need to rely on each other, and of course, on the animals of the forest, who only Snow can communicate with. But not all is as it seems... And when secrets, deception, and lies are unearthed, will Emmett and Snow go their separate ways, or will they save the kingdom from an eternal winter and risk their own lives for the chance at a happy ending? Pure as Snow is the thrilling fourth installment of the Fairytale Reimagined series. This heart-pounding fantasy romance is full of adventure, sizzling kisses, and suspense. Scroll up and one-click now! Note: This interconnected series is best enjoyed when read in order.

The Owl and the Swan Quintin

Follows an owl family as the eggs are laid, the babies hatch, the parents care for young owls, and the babies learn about their surroundings.
