"Don't expect just tulle and toe shoes. In this fascinating insider's tale, NYCB dancer Pazcoguin reveals her world. . . . A striking debut." —People Award-winning New York City Ballet soloist Georgina Pazcoguin, aka the Rogue Ballerina, gives readers a backstage tour of the real world of elite ballet—the gritty, hilarious, sometimes shocking truth you don't see from the orchestra circle. In this love letter to the art of dance and the sport that has been her livelihood, NYCB's first Asian American female soloist Georgina Pazcoguin lays bare her unfiltered story of leaving small-town Pennsylvania for New York City and training amid the unique demands of being a hybrid professional athlete/artist, all before finishing high school. She pitches us into the fascinating, whirling shoes of dancers in one of the most revered ballet companies in the world with an unapologetic sense of humor about the cutthroat, survival-of-the-fittest mentality at NYCB. Some swan dives are literal: even in the ballet, there are plenty of face-plants, backstage fights, late-night parties, and raucous company bonding sessions. Rocked by scandal in the wake of the #MeToo movement, NYCB sits at an inflection point, inching toward progress in a strictly traditional culture, and Pazcoguin doesn't shy away from ballet's dark side. She continues to be one of the few dancers openly speaking up against the sexual harassment, mental abuse, and racism that in the past went unrecognized or was tacitly accepted as par for the course—all of which she has painfully experienced firsthand. Tying together Pazcoguin's fight for equality in the ballet with her infectious and deeply moving passion for her craft, *Swan Dive* is a page-turning, one-of-a-kind account that guarantees you'll never view a ballerina or a ballet the same way again.

From the author of *Iron & Silk* comes a charming and frequently uproarious account of an American adolescence in the age of Bruce Lee, Ozzy Osborne, and Kung Fu. As Salzman recalls coming of age with one foot in Connecticut and the other in China (he wanted to become a wandering Zen monk), he tells the story of a teenager trying to attain enlightenment before he's learned to drive.

One day, Richard LeMieux had a happy marriage, a palatial home, and took \$40,000 Greek vacations. The next, he was living out of a van with only his dog, Willow, for company. This astonishingly frank memoir tells the story of one man's resilience in the face of economic disaster. Penniless, a failed suicide, estranged from his family, and living "the vehicular lifestyle" in Washington state, LeMieux chronicles his journey from the Salvation Army kitchens to his days with "C"—a philosopher in a homeless man's clothing—to his run-ins with Pastor Bob and other characters he meets on the streets. Along the way, he finds time to haunt public libraries and discover his desire to write. LeMieux's quiet determination and his almost pious willingness to live with his situation are only a part of this politically and socially charged memoir. The real story of an all-too-common American condition, this is a heartfelt and stirring read.

Book Three in the Touched Series Colchis Books

Emotion-focused therapy (EFT) views clinical disorders as, at base, emotional disorders. Case formulation in EFT represents an organizing

framework and a map to help therapists specifically address these emotional problems. This book presents a detailed, concrete, step-by-step process for constructing an emotion-focused case formulation, ready for use with clients. EFT case formulation focuses on the client's narrative content (the stories they tell) as well as emotional processing (how the client feels). By attending to the interaction between these two things and paying particular attention to the painful emotion underlying the presenting problem, therapists can make moment-to-moment decisions about how to proceed in therapy. As a result, clients change maladaptive emotions and create more adaptive meaning of events and feelings. The chapters present each stage of case formulation in depth, followed by case examples that apply the case formulation method to a cross-section of clinical disorders, including depression, anxiety, trauma, and eating disorders.

An eye-opening biography of one of the most influential psychiatrists of the modern age, drawing from his lectures, conversations, and own writings. In the spring of 1957, when he was eighty-one years old, Carl Gustav Jung undertook the telling of his life story. *Memories, Dreams, Reflections* is that book, composed of conversations with his colleague and friend Aniela Jaffé, as well as chapters written in his own hand, and other materials. Jung continued to work on the final stages of the manuscript until shortly before his death on June 6, 1961, making this a uniquely comprehensive reflection on a remarkable life. Fully corrected, this edition also includes Jung's VII Sermones ad Mortuos.

Living and Loving Out Loud, a Memoir Little, Brown

In the spirit of *The Known World* and *The Underground Railroad*, "a miraculous debut" (*Washington Post*) and "a towering achievement of imagination" (*CBS This Morning*) about the unlikely bond between two freedmen who are brothers and the Georgia farmer whose alliance will alter their lives, and his, forever. In the waning days of the Civil War, brothers Prentiss and Landry—freed by the Emancipation Proclamation—seek refuge on the homestead of George Walker and his wife, Isabelle. The Walkers, wracked by the loss of their only son to the war, hire the brothers to work their farm, hoping through an unexpected friendship to stanch their grief. Prentiss and Landry, meanwhile, plan to save money for the journey north and a chance to reunite with their mother, who was sold away when they were boys. Parallel to their story runs a forbidden romance between two Confederate soldiers. The young men, recently returned from the war to the town of Old Ox, hold their trysts in the woods. But when their secret is discovered, the resulting chaos, including a murder, unleashes convulsive repercussions on the entire community. In the aftermath of so much turmoil, it is Isabelle who emerges as an unlikely leader, proffering a healing vision for the land and for the newly free citizens of Old Ox. With candor and sympathy, debut novelist Nathan Harris creates an unforgettable cast of characters, depicting Georgia in the violent crucible of Reconstruction. Equal parts beauty and terror, as gripping as it is moving, *The Sweetness of Water* is an epic whose grandeur locates humanity and love amid the most harrowing circumstances. The idea of "The Green Book" is to give the Motorist and Tourist a Guide not only of the Hotels and Tourist Homes in all of the large cities, but other classifications that will be found useful wherever he may be. Also facts and information that the Negro Motorist can use and depend upon. There are thousands of places that the public doesn't know about and aren't listed. Perhaps you know of some? If so send in their names and addresses and the kind of business, so that we might pass it along to the rest of your fellow Motorists. You will find it handy on your travels, whether at home or in some other state, and is up to date. Each year we are compiling new lists as some of these places move, or go out of business and new business places are started giving added employment to members of our race.

NEW YORK TIMES BESTSELLER • An unprecedented look into the personal and creative life of the visionary auteur David Lynch, through his own words and those of his closest colleagues, friends, and family "Insightful . . . an impressively industrious and comprehensive account of Lynch's career."—The New York Times Book Review In this unique hybrid of biography and memoir, David Lynch opens up for the first time about a life lived in pursuit of his singular vision, and the many heartaches and struggles he's faced to bring his unorthodox projects to fruition. Lynch's lyrical, intimate, and unfiltered personal reflections riff off biographical sections written by close collaborator Kristine McKenna and based on more than one hundred new interviews with surprisingly candid ex-wives, family members, actors, agents, musicians, and colleagues in various fields who all have their own takes on what happened. *Room to Dream* is a landmark book that offers a onetime all-access pass into the life and mind of one of our most enigmatic and utterly original living artists. With insights into . . . Eraserhead *The Elephant Man* *Dune* *Blue Velvet* *Wild at Heart* *Twin Peaks* *Twin Peaks: Fire Walk with Me* *Lost Highway* *The Straight Story* *Mulholland Drive* *INLAND EMPIRE* *Twin Peaks: The Return* Praise for *Room to Dream* "A memorable portrait of one of cinema's great auteurs . . . provides a remarkable insight into [David] Lynch's intense commitment to the 'art life.'"—The Guardian "This is the best book by and about a movie director since Elia Kazan's *A Life* (1988) and Michael Powell's *A Life in Movies* (1986). But *Room to Dream* is more enchanting or appealing than those classics. . . . What makes this book endearing is its chatty, calm account of how genius in America can be a matter-of-fact defiance of reality that won't alarm your dog or save mankind. It's the only way to dream in so disturbed a country."—San Francisco Chronicle

"Oh, what a web Jonathan Santlofer weaves...The Last Mona Lisa brings together past and present, seasons it with intriguing characters, and brushes it with plot twists that you don't see coming to create an unstoppable what-happens-next momentum. Santlofer has outdone himself this time."—Michael Connelly, #1 New York Times bestselling author of the Harry Bosch and Mickey Haller series August, 1911: The Mona Lisa is stolen by Vincent Peruggia. Exactly what happens in the two years before its recovery is a mystery. Many replicas of the Mona Lisa

exist, and more than one historian has wondered if the painting now returned to the Louvre is a fake, switched in 1911. Present day: Art professor Luke Perrone digs for the truth behind his most famous ancestor: Peruggia. His search attracts an Interpol detective with something to prove and an unfamiliar but curiously helpful woman. Soon, Luke tumbles deep into the world of art and forgery, a land of obsession and danger. A gripping novel exploring the Mona Lisa's very real theft in 1911 and the present underbelly of the art world, *The Last Mona Lisa* is a suspenseful tale, tapping into our universal fascination with da Vinci's enigma, why people are driven to possess certain works of art, and our fascination with the authentic and the fake.

Cello Playing for Music Lovers Henry Holt and Company

Cello Playing for Music Lovers provides beginners and intermediate students with an authoritative, step-by-step guide to learning to play the cello. Diliانا Momtchilova, a graduate of Julliard, provides technical explanations and many photos. Gifted cellist Erik Friedlander plays the 116 musical figures discussed in the book on the accompanying play along CD. The book includes musical examples from folk, Broadway and classical traditions. Written from the student's viewpoint, it teaches all the required skills, including reading music, using the bow effectively, analyzing musical structures, The book starts from scratch with songs transcribed for beginners and advances gradually to 4th position. Included are folk songs, hymns, Broadway standards like "Some Enchanted Evening," and classical selections like a Bach Prelude and Sarabande. Later sections explore some music theory and how to play in chamber music groups. The author, a Ph.D. and experienced teacher, presents this fascinating material in small, logical steps. As cellist Aaron Minsky said, "Your idea that the cello can be enjoyed on a simple level even within a few weeks of study is very true. . . This book will bring the joys of cello playing to many people who would not have believed it possible." Playing the cello will give any music lover unparalleled satisfaction. If you always wished you could do it "in your next life," do it now.
