It's totally unexpected, and totally throws her off her game. And something else happens that Nadia can't explain: Her amulet starts glowing! She soon

discovers that the hippo Content is holding a hilarious -- and helpful -- secret. Can she use it to confront the new kid and win the contest? to team up against him. But their usual weapons and spells aren't going to cut it this time. Will the heroes be taken down by a wannabe god who looks like Elvis, or will they rise to the challenge?
