Spiritual Disciplines within the

Church Moody Publishers

Drawing on the writings of

Augustine, John of the Cross, Teresa of Avila and others, Keith R. Anderson and Randy D. Reese show that the age-old practice of Christian mentoring is meant to facilitate our growth throughout life. They provide motivation, principles and plans for starting and continuing mentoring relationships.

**A Man's Guide to the
Spiritual Disciplines**

Zondervan

The Divine Conspiracy has revolutionized how we think about the true meaning of discipleship. In this classic, one of the most brilliant Christian thinkers of our

times and author of the acclaimed *The Spirit of Disciplines*, Dallas Willard, skillfully weaves together biblical teaching, popular culture, science, scholarship, and spiritual practice, revealing what it means to "apprentice" ourselves to Jesus. Using Jesus's Sermon of the Mount as his foundation, Willard masterfully explores life-changing ways to experience and be guided by God on a daily basis, resulting in a more authentic and dynamic faith.

Ragged Everest Media LLC
Best-selling author Richard J. Foster offers a warm, compelling, and sensitive primer on prayer, helping us to understand, experience, and practice it in its many forms—from the simple prayer of beginning again to unceasing prayer. He clarifies the prayer process, answers common misconceptions, and shows the way into prayers of contemplation, healing, blessing, forgiveness, and rest. Coming to prayer is like coming home, Foster says. "Nothing feels more right, more like what we are created to be and to do. Yet at the same time we are confronted with great mysteries. Who hasn't struggled with the puzzle of unanswered prayer? Who

hasn't wondered how a finite person can commune with the infinite Creator of the universe? Who hasn't questioned whether prayer isn't merely psychological manipulation after all? We do our best, of course, to answer these knotty questions but when all is said and done, there is a sense in which these mysteries remain unanswered and unanswerable . . . At such times we must learn to become comfortable with the mystery." Foster shows how prayer can move us inward into personal transformation, upward toward intimacy with God, and outward to minister to others. He leads us beyond questions to a deeper understanding and practice of prayer, bringing us closer to God,

to ourselves, and to our community.
[Spiritual Disciplines Companion](#)

At a time when popular atheism books are talking about the irrationality of believing in God, Willard makes a rigorous intellectual case for why it makes sense to believe in God and in Jesus, the Son.
Disciplines of the Spirit
Zondervan
'You're worth it.' 'You deserve a break today.' 'Do something nice for yourself.'
Commonly heard phrases in this society committed to self-gratification and individual rights. Doing things for other

people is a waste of precious time, and asking for help, weak. So how do we build the church described in the Scriptures? In this day and age, how can we be a genuine community based on self-sacrifice and mutual commitment? In *Spiritual Disciplines Within the Church*, seminary professor, author, and former pastor Don Whitney shows us how to build a sense of community and be active participants instead of passive attendees. Whitney looks at such frequently asked questions as:

Why can't I get by on my own? Why should I go to church? Why should I give of myself to the church? Why do I need to worship in church? Couldn't I just worship in nature? Why does it matter whether I become a member of the church? Committed love must mark the local expression of the body of Christ. By putting spiritual disciplines into practice in the church, congregations can return to the depth of community present in the New Testament church, where they 'devoted themselves to the apostles'

teaching and to the fellowship, to the breaking of bread and to prayer.'

The Making of an Ordinary Saint
Deeper Life Ministries,
Incorporated
Drawn from a rich heritage, *Spiritual Disciplines for the Christian Life* will guide you through a carefully selected array of disciplines. By illustrating why the disciplines are important, showing how each one will help you grow in godliness, and offering practical suggestions for cultivating them, *Spiritual Disciplines for the Christian Life* will provide you with a refreshing opportunity to become more like Christ and grow in character and maturity. Now

updated and revised to equip a new generation of readers, this anniversary edition features in-depth discussions on each of the key disciplines.

Habits of Grace Zondervan

"Explains the spiritual discipline of keeping watch over one's heart and how Christians can practice it today"--

Conformed to His Image
Harper Collins

Insightful and heart-warming, this classic book is written for those who seek to know God better. It unfolds life-impacting, biblical truths and has been called a "soul-stirring celebration of the pleasures of knowing God."

Summary of Dallas Willard's *The Spirit of the Disciplines* Harper Collins

How to Live as Jesus Lived
Dallas Willard, one of today's most brilliant Christian thinkers and author of *The Divine Conspiracy* (Christianity Today's 1999 Book of the Year), presents a way of living that enables ordinary men and women to enjoy the fruit of the Christian life. He reveals how the key to self-transformation resides in the practice of the spiritual disciplines, and how their practice affirms human life to the fullest. *The Spirit of the Disciplines* is for everyone who

strives to be a disciple of Jesus in thought and action as well as intention.

Prayer - 10th Anniversary Edition
Tyndale House Publishers, Inc.
The Brightest Lights of the Christian Tradition St. Augustine, Thomas Merton, Fredrick Buechner, Evelyn Underhill, A.W. Tozer, G.K. Chesterton, Thomas More, Martin Luther King, Jr., Amy Carmichael, Simone Weil, Pierre Teilhard de Chardin, Hildegard of Bingen, John Milton, Dorothy Day, Leo Tolstoy, Gerard Manley Hopkins, and more. . .
From nearly two thousand years of Christian writing comes *Spiritual Classics*, fifty – two selections complete with a profile of each author, guided meditations for

group and individual use, and reflections containing questions and exercises. Editors Richard Foster and Emilie Griffith offer their expertise by selecting inspirational writings and including their own commentary and recommendations for further guided reading and exploration.

Disciplines for the Inner Life
Monarch Books

Gathering together for worship is an indispensable part of your family's spiritual life. It is a means for God to reveal himself to you and your loved ones in a powerful way. This practical guide by Donald S. Whitney will prove invaluable to families—with or without

children in the home—as they practice God-glorifying, Christ-exalting worship through Bible reading, prayer, and singing.

Includes a discussion guide in the back for small groups.

The Theology of Dallas
Willard Moody Publishers

Ignite a deeper, more vibrant relationship with God that impacts not just your spiritual life but every aspect of your daily life. John Ortberg calls readers back to the dynamic heartbeat of

Christianity--God's power to bring change and growth--and reveals how and

why transformation takes place. The Life You've Always Wanted offers modern perspectives on the ancient path of the spiritual disciplines. But it is more than just a book about things to do to be a good Christian. It's a road map toward true transformation that starts not with the individual but with the person at the journey's end--Jesus Christ. As with a marathon runner, the secret to finishing a race lies not in trying harder, but in training consistently--training with the spiritual disciplines. The

disciplines are neither taskmasters nor ends in themselves. Rather they are exercises that build strength and endurance for the road of growth. The fruit of the Spirit--joy, peace, kindness, etc.--are the signposts along the way. Paved with humor and sparkling anecdotes, *The Life You've Always Wanted* is an encouraging and challenging approach to a Christian life that's worth living--a life on the edge that fills an ordinary world with new meaning, hope, change, and joy.

Living the Spirit-Formed Life
Zondervan Academic
The quiet radiance and certainty that illuminated Howard Thurman's faith shine like a beacon through every page of 'Disciplines of the Spirit'. Dr. Thurman explores five major dimensions of the spiritual life: commitment, growing in wisdom and stature, suffering, prayer, and reconciliation. (Back cover).
Practices of Love Multnomah
New Look for Landmark Teaching on Living the Spirit- Empowered Life In our

instant-gratification culture, we consume a fleeting, shallow diet of media, relationships, entertainment, and spirituality. Our souls go hungry, longing for a fuller, more satisfying life. Bestselling author and beloved pastor Jack Hayford shows, in what has become a modern-day classic, how we can feed our deepest places with the sustaining Bread of Life. With warmth and wisdom, he reveals how we can link our souls to timeless practices and principles set forth in Scripture. He invites you to rediscover the power and

blessing of these spiritual disciplines--of true Spirit-fulness. Even more, he shows how these spiritual disciplines are relevant for today and how we can practice them in our quick-paced, surface-level culture. When we take time to fast and pray, worship daily, feed on God's Word, and more, we fully enter the rich adventure of becoming an effective disciple of Christ--ensuring that our souls will never go hungry. Eat this Book Zondervan Spiritual disciplines are often viewed primarily as a means to

draw us closer to God. While these practices do deepen and enrich our "vertical" relationship with God, Kyle David Bennett argues that they were originally designed to positively impact our "horizontal" relationships--with neighbors, strangers, enemies, friends, family, animals, and even the earth. Bennett explains that this "horizontal" dimension has often been overlooked or forgotten in contemporary discussions of the spiritual disciplines. This book offers an alternative way of understanding the classic spiritual disciplines that makes them relevant, doable, and meaningful for

everyday Christians. Bennett shows how the disciplines are remedial practices that correct the malformed ways we do everyday things, such as think, eat, talk, own, work, and rest. Through personal anecdotes, engagement with Scripture, and vivid cultural references, he invites us to practice the spiritual disciplines wholesale and shows how changing the way we do basic human activities can bring healing, renewal, and transformation to our day-to-day lives and the world around us. Spiritual Disciplines for the Christian Life Chosen Books

Evangelical Christianity in the United States is currently in a dramatic state of change. Yet amidst this sometimes tumultuous religious environment a rather unique blend of both ancient and contemporary Christian theology has found its way into the hearts and minds of emerging generations of Christians. The Theology of Dallas Willard both describes and conveys the essence of this increasingly popular and perhaps mediating view of the gospel of Jesus Christ. Blending both a prophetic

critique with pastoral encouragement, Willard's unique understanding of the reality present within a life lived as a disciple of Jesus in the kingdom of God is attracting both new and traditional Christians to reconsider their faith. Harper Collins Presents the second volume in Eugene Peterson's series on Spiritual Theology and is entitled "Eat This Book." Becomes a conversation about spiritual reading and the nature of language as well as the ancient practice of

"lectio divina," and the place of Scripture translations. Celebration of Discipline Zondervan For those who want to develop a deeper, more joyful inner life through the practice of Christian spiritual disciplines, this one-year journal-workbook helps readers find new ways to reflect on, experience, and integrate the disciplines into their lives.
