The Ipress File Penguin Classics

A 2018 FINALIST FOR THE PULITZER PRIZE " [Hitler in Los Angeles] is part thriller and all chiller, about how close the California Reich came to succeeding " (Los Angeles Times). No American city was more important to the Nazis than Los Angeles, home to Hollywood, the greatest propaganda machine in the world. The Nazis plotted to kill the city's Jews and to sabotage the nation's military installations: Plans existed for murdering twenty-four prominent Hollywood figures, such as Al Jolson, Charlie Chaplin, and Louis B. Mayer; for driving through Boyle Heights and machine-gunning as many Jews as possible; and for blowing up defense installations and seizing munitions from National Guard armories along the Pacific Coast. U.S. law enforcement agencies were not paying close attention--preferring to monitor Reds rather than Nazis--and only attorney Leon Lewis and his daring ring of spies stood in the way. From 1933 until the end of World War II, Lewis, the man Nazis would come to call " the most dangerous Jew in Los Angeles, " ran a spy operation comprised of military veterans and their wives who infiltrated every Nazi and fascist group in Los Angeles. Often rising to leadership positions, they uncovered and foiled the Nazi's disturbing plans for death and destruction. Featuring a large cast of Nazis, undercover agents, and colorful supporting players, the Los Angeles Times bestselling *Hitler in Los Angeles*, by acclaimed historian Steven J. Ross, tells the story of Lewis's daring spy network in a time when hate groups had moved from the margins to the mainstream.

Slightly Shady Bantam

A debut international thriller about a Pakistani terrorist's nuclear threat to blow up the White House.

The Faithful Spy Bantam

William Le Queux (1864-1927) was a famous and incredibly visionary writer who wrote in the genres of mystery, thriller, and espionage - in the years leading up to World War I. His best-known works are the invasion thrillers "The Great War in England in 1897 " and the anti-German invasion fantasy "The Invasion of 1910." - all written before the war... Novels *The Great War in*

The hidden history of an ordinary American girl who became one of the OSS's most daring World War II spies before marrying into European nobility.

The Politics of Revenge Black Inc.

Amanda Quick's bestselling trademark is a combination of suspense and passion in historical tales alight with sparkling wit and brimming with dangerous intrigue. Now she serves up the most tantalizing novel of her career as an enterprising woman allies herself with a mysterious spy, only to be caught in a seething brew of treachery — and temptation.... From the moment he burst into her antiquities shop in Rome, Lavinia Lake knew the stranger was nothing but trouble. He said he was in pursuit of a killer. He swore he was only trying to save her. Yet no matter what he claimed, Lavinia was convinced that Mr. Tobias March was bent instead on destroying her. And when the self-described spy hustled her and her niece out of the shop and back to England, Lavinia could only hope that one day she would find a way to repay Mr. March in full. But Lavinia never imagined the shocking circumstances under which they would meet again ... or that soon he would become more deadly — and more compelling — with each passing day. In the business of making private inquiries, Tobias March had been hired to trade down a powerful villain who even now was intent on assuming control of a vast criminal organization. Yet in his search he had found nothing but one dead end — and one dead body — after another. And then, just as his investigation was heating up once more, he found his mission and his life complicated by the most ungovernable, unpredictable, exasperating woman he had ever met. Faced with a tangled web of deceit and danger, Tobias had no choice but to form a

partnership with Lavinia, a lady whose past could only be described as slightly shady. Yet when he persuaded her to become his associate, neither Tobias nor Lavinia realized that their heated disputes would spark a sizzling desire — or that the deeper they kept digging for the truth, the deeper they were digging their own graves....

Clouds of Witness by Dorothy L. Sayers is the second novel in the acclaimed Lord Peter Wimsey mystery series. Published in 1926, this novel follows the amateur detective Lord Peter Wimsey as he investigates a murder that has taken place at his family's ancestral home. Set in the idyllic English countryside, this novel is a perfect blend of a classic whodunit mystery and a social commentary on the changing landscape of the British aristocracy. The story begins with Lord Peter's brother, the Duke of Denver, being accused of murdering his sister's fiancé, Captain Denis Cathcart. Despite the strong evidence against the Duke, Lord Peter is convinced of his brother's innocence and is determined to clear his name. The investigation takes Lord Peter and his faithful manservant Bunter to the family's estate, where they must navigate through a tangled web of family secrets, old grudges, and potential motives for the murder. One of the most striking aspects of Clouds of Witness is its vivid and richly detailed setting. Sayers expertly captures the beauty and tranquility of the English countryside, while also highlighting the stark contrast between the lavish lifestyle of the aristocracy and the struggles of the working class. Through her descriptions of the grand estate and its inhabitants, Sayers paints a picture of a society in transition, with the looming threat of the First World War and the changing values of the younger generation. The characters in this novel are also incredibly well-developed, each with their own distinct personalities and motivations. Lord Peter, with his sharp wit and deductive skills, is an endearing and charming protagonist, while his brother, the Duke, is portrayed as a troubled and emotionally distant character. The rest of the Wimsey family, as well as the various suspects and witnesses, are all well-crafted and add depth to the overall story. In addition to its well-crafted plot and characters, Clouds of Witness also delves into deeper themes such as loyalty, honor, and justice. As Lord Peter unravels the truth behind the murder, he is forced to confront his own beliefs and biases, and question the loyalty of those closest to him. Sayers also provides a scathing commentary on the shallow and superficial nature of the British aristocracy, and the ways in which their actions can have far-reaching consequences. Overall, Clouds of Witness is a masterfully written mystery novel that combines a gripping plot, well-developed characters, and thought-provoking themes. Sayers' writing is sharp, witty, and engaging, making this novel a must-read for fans of the genre and anyone interested in exploring the intricacies of British society in the early 20th century. It is a timeless classic that continues to captivate readers with its intricate plot twists, compelling characters, and beautiful prose.

Agent Storm Zebra Books

An insider's tour of the past half-century's espionage technologies also recounts some of the CIA's most secretive operations and how they have been performed using state-of-the-art spy instruments.

The Mammoth Book of Short Spy Novels Robinson

Drafted against her will to serve the regime of Vladimir Putin as an intelligence seductress, Dominika Egorova engages in a charged effort of deception and tradecraft with first-tour CIA officer Nathaniel Nash before a forbidden attraction threatens their careers.

The Lisbon Route Macmillan

The Lisbon Route tells of the extraordinary World War II transformation of Portugal's tranquil port city into the great escape hatch of Nazi Europe. Royalty, celebrities, diplomats, fleeing troops, and ordinary citizens desperately slogged their way across France and Spain to reach the neutral nation. As well as offering freedom from war, Lisbon provided spies, smugglers, relief workers, military figures, and adventurers with an avenue into the conflict and its opportunities. Yet an ever-present shadow behind the gaiety was the fragile nature of Portuguese neutrality.

Spy Sub Yearling

The only American ever to crack al Qaeda, John Wells has been undercover so long that the CIA is no longer sure he's loyal - or even alive. Now, on the orders of Omar Khadri - the mastermind spearheading al Qaeda's attacks on American - Wells is coming home. And no-one knows what to expect.

Daring rescues and intense covert flirting ensue.

Spy/counterspy DigiCat

Sixteen-year-old Ilse and her older brother Wolf must hone their magical skills to sabotage Hitler's attempt to build an atom bomb and uncover a spy using dark magic to thwart them.

They Died on My Watch Bloomsbury Publishing USA

I was no James Bond with a licence to kill, but I worked with the British intelligence services and with, and for, the CIA. I had guns pointed at me, death threats issued, a price placed on my head. In 1971, Rod Barton applied for a junior scientist role in the Australian Department of Defence. Little did he know what it entailed: as the Cold War intensified, Barton was inducted into the murky world of espionage. For the next few decades, Barton lived a life straight from an adventure novel. In war-torn Mogadishu, he disarmed militia, while sleeping in rat-infested barracks. As a UN weapons inspector, he flew to

Baghdad on special missions, interviewing top scientists to uncover an illegal weapons program, and raced across Europe, tracking materials sold to the Iraqis. After the disastrous 2003 invasion of Iraq, the CIA engaged him as its special adviser in the hunt for Iraq's weapons of mass destruction. But he soon clashed with the agency over what he saw – and what he didn't find. It prompted him to step from the shadows and share the truth with the world, and to tussle with the Australian government. This is an extraordinary behind-the-scenes account of a world marked by risk, secrecy and individual acts of courage. Written with passion, humour and candour, *The Life of a Spy* will introduce you to a man of principle in a time of chaos, and take you to the frontlines of politics and war. 'No Australian intelligence officer in recent times has been closer to the centre of world affairs than Barton, or better placed to observe the intense political pressures applied, from all sides, on those searching for Saddam Hussein's elusive weapons of mass destruction.' —Robert Manne

The Life of a Spy Putnam Publishing Group

A high-ranking scientist has been kidnapped, and a secret British intelligence agency has just recruited Deighton's iconic unnamed protagonist—later christened Harry Palmer—to find out why. His search begins in a grimy Soho club and brings him to the other side of the world. When he ends up amongst the Soviets in Beirut, what seemed a straightforward mission turns into something far more sinister. With its sardonic, cool, working-class hero, Len Deighton's sensational debut and first bestseller *The IPCRESS File* broke the mold of thriller writing and became the defining novel of 1960s London.

The Red Mass Random House

The author recalls the adventure and danger of his espionage activities during the Second World War as a British agent posing as a Nazi supporter.

[To Wed A Scandalous Spy](#) Simon and Schuster

Spanning more than 75 years of espionage writing in USA and the UK, here are gripping tales by classic writers in the field including W. Somerset Maugham, Ian Fleming, Leslie Charteris, and Erle Stanley Gardner. They are presented complete and unabridged.
