Ancestor THE STARTER

"In *Alive*, Scott Sigler introduced readers to an unforgettable young heroine and a mysterious new world reminiscent of those of *The Hunger Games*, *Divergent*, and *Red Rising*. Now he expands his singular vision in the next thrilling novel of this powerful sci-fi adventure series."--

Infected Crown Archetype

Scott Sigler is the voice in modern horror - and the *INFECTED* trilogy is a terrifying, menacing series that will leave you sleepless. They dropped from the atmosphere like microscopic snow. Billions of seeds, smaller than specks of dust, spiraling down from the heavens. Most didn't survive the journey. But not all. And those that made it... began to grow. Now three people face a race against time. Dew Phillips, an agent with a classified unit of the CIA, and Margaret Montoya, a government biologist, must try to stop a modern plague that drives its victims to insanity, murder and suicide. And Perry Dawsey, a former athlete in a dead-end job, must race to find a cure for the rash that has appeared on his arm. And his back. And his neck. It's growing every day. And then the voices start. Scott Sigler is the voice in modern horror - and the *INFECTED* trilogy is a terrifying, menacing series that will leave you sleepless.

Pandemic Crown

As America reels from the bizarre presidential assassination committed by a child, seven men are abducted from their normal lives and delivered to a secret government facility. Each man has his own career, his own specialty. All are identical in appearance. The seven strangers were grown--- unwitting human clones---as part of a project called 7th Son. The government now wants something from these "John Michael Smiths." They share the flesh as well as the implanted memories of the psychopath responsible for the president's murder. The killer has bigger plans, and only these seven have the unique qualifications to track and stop him. But when their progenitor makes the battle personal, it becomes clear he may know the seven better than they know themselves.

THE ALL-PRO Crown

From the acclaimed author of *Infected* comes an epic and exhilarating story of humanity's secret battle against a horrific enemy. Across America, a mysterious pathogen transforms ordinary people into raging killers, psychopaths driven by a terrifying, alien agenda. The human race fights back, yet after every battle the disease responds, adapts, using sophisticated strategies and brilliant ruses to fool its

pursuers. The only possible explanation: the epidemic is driven not by evolution but by some malevolent intelligence. Standing against this unimaginable threat is a small group, assembled under the strictest secrecy. Their best weapon is hulking former football star Perry Dawsey, left psychologically shattered by his own struggles with this terrible enemy, who possesses an unexplainable ability to locate the disease's hosts. Violent and unpredictable, Perry is both the nation's best hope and a terrifying liability. Hardened CIA veteran Dew Phillips must somehow forge a connection with him if they're going to stand a chance against this maddeningly adaptable opponent. Alongside them is Margaret Montoya, a brilliant epidemiologist who fights for a cure even as she reels under the weight of endless horrors. These three and their team have kept humanity in the game, but that's not good enough anymore, not when the disease turns contagious, triggering a fast countdown to Armageddon. Meanwhile, other enemies join the battle, and a new threat — one that comes from a most unexpected source — may ultimately prove the most dangerous of all. Catapulting the reader into a world where humanity's life span is measured in hours and the president's finger hovers over the nuclear button, rising star Scott Sigler takes us on a breathtaking, hyper-adrenalized ride filled with terror and jaw-dropping action. *Contagious* is a truly grand work of suspense, science, and horror from a new master.

Undefeated galactic heavyweight champion Korak the Cutter has defeated all challengers, destroying everyone in his path, but the wins aren't as easy as they used to be. After a decade of perfect fighting, his age is catching up with him. For a Quyth Warrior, that means he's slowing down, and speed is the name of the game in mixed martial arts. At this late stage in his career, he faces a nightmare savage and unpredictable Chiyal "The Heretic" North. As crime lords and promoters try to fix the fight, and as managers cling to dreams of lost glory, Korak and Chiyal must find their way into the octagon to decide once and for all who is the greatest of all time. Co-written with Parsec Award-winning author Matt Wallace, *TITLE FIGHT* delivers a scifi/mma one-two knockout. This novella is part of the Galactic Football League series, which is described as *THE BLIND SIDE* meets *THE GODFATHER* meets *STAR WARS*.

Call of the Herald Harper Collins

You hold in your hands a recently discovered poetry journal the poetry journal of a vampire. William Butten was en route to a new land on the *Mayflower* when he was turned into a vampire by a fellow passenger, a beautiful woman named Katherine. These pages contain his heartbreaking story the story of a vampire who has lived through (and perhaps caused) some of America's defining events. As he travels the country and as centuries pass, he searches for his lost love and records his

adventures and misadventures using the form of poetry known as haiku. As Butten documents bloody wars, a certain tea party in Boston, living the high life during the Great Depression, two Woodstock festivals, the corruption of Emily Dickinson, and hanging out with Davy Crockett, he keeps to the classic 5-7-5 syllable structure of haiku. The resulting poems are hilarious, repulsive, oddly romantic, and bizarre. Read along, and you just may find a new appreciation for—and insight into—various events in American history. And blood.

Fourteen-year-old Mona isn't like the wizards charged with defending the city. She can't control lightning or speak to water. Her familiar is a sourdough starter and her magic only works on bread. She has a comfortable life in her aunt's bakery making gingerbread men dance. But Mona's life is turned upside down when she finds a dead body on the bakery floor. An assassin is stalking the streets of Mona's city, preying on magic folk, and it appears that Mona is his next target. And in an embattled city suddenly bereft of wizards, the assassin may be the least of Mona's worries ;

“ Gripping and poignant, A Matter of Days takes readers on a heart-stopping journey of love and survival. ” — New York Times bestselling author Carrie Jones Their new reality begins in just a matter of days. On Day 56 of the Blustar Pandemic, sixteen-year-old Nadia ' s mother dies, leaving Nadia to fend for herself and her younger brother, Rabbit. Both have been immunized against the virus, but they can ' t be protected from what comes next. Their father taught them to “ be the cockroach ” —to adapt to and survive whatever comes their way. And that ' s their mission. Facing a lawless world of destruction and deprivation, Nadia and Rabbit drive from Seattle to their grandfather ' s compound in West Virginia. The illness, fatigue, and hunger they endure along the way will all be worth it once they reach the compound. Unless no one is waiting for them . . . “ Fans of Rick Yancey ' s The 5th Wave, S. D. Crockett ' s After the Snow, or Cormac McCarthy ' s adult novel The Road will find this a satisfying read. ” —SL

“ An exciting apocalyptic road trip. ” —Publishers Weekly

Take a wonderfully crazed excursion into the demented heart of a tropical paradise—a world of cargo cults, cannibals, mad scientists, ninjas, and talking fruit bats. Our bumbling hero is Tucker Case, a hopeless geek trapped in a cool guy's body, who makes a living as a pilot for the Mary Jean Cosmetics Corporation. But when he demolishes his boss's pink plane during a drunken airborne liaison, Tuck must run for his life from Mary Jean's goons. Now there's only one employment opportunity left for him: piloting shady secret missions for an unscrupulous medical missionary and a sexy blond high priestess on the remotest of Micronesian hells. Here is a brazen, ingenious, irreverent, and wickedly funny novel from a modern master of the outrageous.

A Primer on Reptiles and Amphibians is an innovative educational resource designed to forge a connection between the reader and the creeping critters of the world.

Turtles, frogs, lizards, salamanders, snakes, and crocodiles ; these animals evoke fear and fascination. This primer dispels myths and unlocks mysteries surrounding

these diverse survivors which have mastered virtually every habitat on Earth.

Tragically, these animals now face pressures of unprecedented severity, but there is still time to make a difference if more of us work together. Micha Petty is an international award-winning Master Naturalist and wildlife rehabilitator. This critically-acclaimed debut volume is a collection of Micha's interpretive writings, carefully crafted to make learning easy for everyone. These bulletins display his passion for Conservation Through Education while covering topics such as living harmoniously with wildlife, physiology, natural history, observation, and conservation. Flip to any page to be instantly introduced to new facets of reptiles, amphibians, the perils they face, and how you can join the fight to save them.

Johnny U Apress

“ The ancestors are out there...you have to believe me. ” From acclaimed author Scott Sigler—New York Times bestselling creator of Infected and Contagious—comes a tale of genetic experimentation ' s worst nightmare come true. Every five minutes, a transplant candidate dies while waiting for a heart, a liver, a kidney. Imagine a technology that could provide those life-saving transplant organs for a nominal fee ... and imagine what a company would do to get a monopoly on that technology. On a remote island in the Canadian Arctic, PJ Colding leads a group of geneticists who have discovered this holy grail of medicine. By reverse-engineering the genomes of thousands of mammals, Colding's team has dialed back the evolutionary clock to re-create humankind ' s common ancestor. The method? Illegal. The result? A computer-engineered living creature, an animal whose organs can be implanted in any person, and with no chance of transplant rejection. There's just one problem: these ancestors are not the docile herd animals that Colding's team envisioned. Instead, Colding ' s work has given birth to something big, something evil. With these killer creatures on the prowl, Colding and the woman he loves must fight to survive — even as government agents close in to shut the project down, and the deep-pocketed company backing this research proves to have its own cold-blooded agenda. As the creators become the prey in the ultimate battle for survival, Scott Sigler takes readers on the ultimate thrill-ride—and offers a chilling cautionary account of what can happen when hubris, greed, and madness drive scientific experimentation past the brink of reason.

Alight IGI Global

NEW YORK TIMES BESTSELLER • Pierce Brown ' s relentlessly entertaining debut channels the excitement of The Hunger Games by Suzanne Collins and Ender ' s Game by Orson Scott Card. “ Red Rising ascends above a crowded dystopian field. ” —USA Today ONE OF THE BEST BOOKS OF THE YEAR—Entertainment Weekly, BuzzFeed, Shelf Awareness “ I live for the dream that my children will be born free, ” she says. “ That they will be what they like. That they will own the land their father gave them. ” “ I live for you, ” I say sadly. Eo kisses my cheek. “ Then you must live for more. ” Darrow is a Red, a member of the lowest caste in the color-coded society of the future. Like his fellow Reds, he works all day, believing that he and his people are making the surface of Mars livable for future generations. Yet he toils willingly, trusting that his blood and sweat will one day result in a better world for his children. But Darrow and his kind have been betrayed. Soon he discovers that humanity reached the surface generations ago. Vast cities and lush wilds spread across the planet. Darrow—and Reds like him—are nothing more than slaves to a

decadent ruling class. Inspired by a longing for justice, and driven by the memory of lost love, Darrow sacrifices everything to infiltrate the legendary Institute, a proving ground for the dominant Gold caste, where the next generation of humanity's overlords struggle for power. He will be forced to compete for his life and the very future of civilization against the best and most brutal of Society's ruling class. There, he will stop at nothing to bring down his enemies . . . even if it means he has to become one of them to do so. Praise for Red Rising " [A] spectacular adventure . . . one heart-pounding ride . . . Pierce Brown's dizzyingly good debut novel evokes The Hunger Games, Lord of the Flies, and Ender's Game. . . . [Red Rising] has everything it needs to become meteoric. " —Entertainment Weekly " Ender, Katniss, and now Darrow. " —Scott Sigler " Red Rising is a sophisticated vision. . . . Brown will find a devoted audience. " —Richmond Times-Dispatch Don't miss any of Pierce Brown's Red Rising Saga: RED RISING • GOLDEN SON • MORNING STAR • IRON GOLD • DARK AGE Earthcore Crown

In a time " when men played football for something less than a living and something more than money, " John Uitas was the ultimate quarterback. Rejected by Notre Dame, discarded by the Pittsburgh Steelers, he started on a Pennsylvania sandlot making six dollars a game and ended as the most commanding presence in the National Football League, calling the critical plays and completing the crucial passes at the moment his sport came of age. Johnny U is the first authoritative biography of Uitas, based on hundreds of hours of interviews with teammates and opponents, coaches, family and friends. The depth of Tom Callahan's research allows him to present something more than a biography, something approaching an oral history of a bygone sporting era. It was a time when players were paid a pittance and superstars painted houses and tiled floors in the off-season—when ex-soldiers and marines like Gino Marchetti, Art Donovan, and " Big Daddy " Lipscomb fell in behind a special field general in Baltimore. Few took more punishment than Uitas. His refusal to leave the field, even when savagely bloodied by opposing linemen, won his teammates' respect. His insistence on taking the blame for others' mistakes inspired their love. His encyclopedic football mind, in which he'd filed every play the Colts had ever run, was a wonder. In the seminal championship game of 1958, when Uitas led the Colts over the Giants in the NFL's first sudden-death overtime, Sundays changed. John didn't. As one teammate said, " It was one of the best things about him. "

Podcasting is like blogging out loud! It gives you a voice—one that can be heard worldwide on computers, iPods, or other MP3 players. You can podcast to boost your business, promote your passion, share your opinions, or just have fun. The point is to say what you want to say to those who want to hear it. With step-by-step explanations, screen shots, and tons of examples, this guide clues you in on recording, producing, and hosting your very own podcast with info on: Finding your voice and your niche, whether you want to talk tech, make your own kinds of music, educate listeners, make people laugh, do soundseeing tours, serialize your novel, or invent a new podcasting genre Getting the bare necessities (if you don't already have them), including a microphone, recording software, and an audio card Audio editing software such as Audacity, Cakewalk for PCs, GarageBand for musicality, and Audio HiJack Pro for Macs Recording,

including understanding dB (decibel levels), capturing or minimizing ambient noise, and more Editing with GarageBand or Audacity, adding bed music, and including intros and outros for a signature finishing touch You want your podcast to be heard. Podcasting For Dummies helps you launch and promote it with info on how to: Downsize your audio files with MP3 compression Change bit rates and sample rates in Audacity and iTunes Create and edit your ID3 tags in Audacity or iTunes Post your show notes using Movable Type or Libsyn Simplify the RSS 2.0 feed by using blogging software or a podcast-hosting company such as Audioblog.com, Podcastamatic, and Feeder Ping for publicity Communicate with your listeners on your blog, through online discussion groups such as Yahoo! Groups or Google Groups, or on online forums Of course, if you want to be a podcatcher (a listener) and subscribe to podcasts, this guide shows you how to do that, too! Complete with a companion podcast—a free weekly audio commentary that will keep you up to speed on the podsphere—this guide helps you get your message heard, loud and clear.

THE CHAMPION Titan Books (US, CA)

In the final book in the Infected trilogy, the entire human race balances on the razor's edge of annihilation, beset by an enemy that turns our own bodies against us, that changes normal people into psychopaths or transforms them into nightmares. To some, Doctor Margaret Montoya is a hero—a brilliant scientist who saved the human race from an alien intelligence determined to exterminate all of humanity. To others, she's a monster—a mass murderer single-handedly responsible for the worst atrocity ever to take place on American soil. All Margaret knows is that she's broken. The blood of a million deaths is on her hands. Guilt and nightmares have turned her into a shut-in, too mired in self-hatred even to salvage her marriage, let alone be the warrior she once was. But she is about to be called into action again. Because before the murderous intelligence was destroyed, it launched one last payload: a soda can-sized container filled with deadly microorganisms that make humans feed upon their own kind. That harmless-looking container has languished a thousand feet below the surface of Lake Michigan, undisturbed and impotent . . . until now. Part Cthulhu epic, part zombie apocalypse and part blockbuster alien-invasion tale, Pandemic completes the Infected trilogy and sets a new high-water mark in the world of horror fiction.

The Gangster Apress

We've always imagined the world coming to an end in spectacular, explosive fashion. But what if - instead - humanity is just destined to slowly crumble? For Jasper and his nomadic tribe, their former life as middle-class Americans seems like a distant memory. Their world took a turn for the worse - and then never got better. Resources are running out, jobs keep getting scarcer, and the fabric of society is slowly disintegrating But in the midst of this all, Jasper's just a guy trying to make ends meet, find a nice girl who won't screw him around, and keep his group safe on the violent streets. Soft Apocalypse follows the tribe's struggle to find a place for themselves and their children in the dangerous new place their world has become.

Aliens: Phalanx HOW Books

Deep below a desolate Utah mountain lies the largest platinum deposit ever discovered. A billion-dollar find, it waits for any company that can drill a world's record, three-mile-deep mine shaft. EarthCore is the company with the technology, the resources and the guts to go after the mother lode. Young executive Connell Kirkland is the company's driving force, pushing himself and those around him to uncover the massive treasure. But at three miles below the surface, where the rocks are so hot they burn bare skin, something has been waiting for centuries. Waiting ... and guarding. Kirkland and EarthCore are about to find out firsthand why this treasure has never been unearthed.

The Infinite Noise U of Nebraska Press

At age twenty-eight, when Tom Osborne agreed to join Bob Devaney's full-time coaching staff at the University of Nebraska, he resolved to be a head coach by the time he reached age thirty-five. Little did he know that this goal would chart his course toward becoming one of the nation's premier football coaches. Six years later in 1972, Devaney named Osborne as head coach of the Nebraska Cornhuskers. ø In high school and college, Osborne had been an outstanding athlete in his own right. He went on to play professional football and to earn his master's and doctorate degrees in educational psychology. Throughout all these years in sports and academics, he was developing his unusual and inspiring philosophy of coaching, which above all emphasizes the process of athletics. ø In *More Than Winning*, Osborne gives an in-depth personal account of his life—the forces that shaped his values, his own accomplishments in sports, and his experiences as a coach at Nebraska. He describes his philosophy of coaching, shares personal perspectives on football greats, and gives his view of key Nebraska games up through the 1984 Orange Bowl.

The Detective Empty Set Entmt

The #1 New York Times best-selling author of *Infected* delivers medieval carnage as a pre-industrial society fights extinction at the hands of a massive infestation of Xenomorphs. Ataegina was an isolated world of medieval castles, varied cultures, and conquests, vibrant until the demons rose and spread relentless destruction. Swarms of lethal creatures with black husks, murderous claws, barbed tails and dreaded "tooth-tongues" raged through the lowlands, killing ninety percent of the planet's population. Terrified survivors fled to hidden mountain keeps where they eke out a meager existence. When a trio of young warriors discovers a new weapon, they see a chance to end this curse. To save humanity, the trio must fight their way to the tunnels of Black Smoke Mountain--the lair of the mythical Demon Mother. Alien: Phalanx TM & © 2019 Twentieth Century Fox Film Corporation.
