In a time “ when men played football for something less than a living and something more than money,” John Unitas was the ultimate quarterback. Rejected by Notre Dame, discarded by the Pittsburgh Steelers, he started on a Pennsylvania sandlot making six dollars a game and ended as the most commanding presence in the National Football League, calling the critical plays and completing the crucial passes at the moment his sport came of age. Johnny U is the first authoritative biography of Unitas, based on hundreds of hours of interviews with teammates and opponents, coaches, family and friends. The depth of Tom Callahan ’ s research allows him to present something more than a biography, something approaching an oral history of a bygone sporting era. It was a time when players were paid a pittance and superstars painted houses and tiled floors in the off-season—when ex-soldiers and marines like Gino Marchetti, Art Donovan, and “ Big Daddy ” Lipscomb fell in behind a special field general in Baltimore. Few took more punishment than Unitas. His refusal to leave the field, even when savagely bloodied by opposing linemen, won his teammates ’ respect. His insistence on taking the blame for others ’ mistakes inspired their love. His encyclopedic football mind, in which he ’ d filed every play the Colts had ever run, was a wonder. In the seminal championship game of 1958, when Unitas led the Colts over the Giants in the NFL ’ s first sudden-death overtime, Sundays changed. John didn ’ t. As one teammate said, “ It was one of the best things about him.”

A terrifying thriller that will crawl beneath your skin . . . and leave fresh blood on every page. “Fraught with tension . . . Invasion of the Body Snatchers meets The Hot Zone.”—Rocky Mountain News Across America a mysterious disease is turning ordinary people into raving, paranoid murderers who inflict brutal horrors on strangers, themselves, and even their own families. Working under the government’s shroud of secrecy, CIA operative Dew Phillips crisscrosses the country trying in vain to capture a live victim. With only decomposing corpses for clues, CDC epidemiologist Margaret Montoya races to analyze the science behind this deadly contagion. She discovers that these killers all have one thing in common—they’ve been contaminated by a bioengineered parasite, shaped by a complexity far beyond the limits of known science. Meanwhile Perry Dawsey—a hulking former football star now resigned to life as a cubicle-bound desk jockey—awakens one morning to find several mysterious welts growing on his body. Soon Perry finds himself acting and thinking strangely, hearing voices . . . he is infected. The fate of the human race may well depend on the bloody war Perry must wage with his own body, because the parasites want something from him, something that goes beyond mere murder.

At age twenty-eight, when Tom Osborne agreed to join Bob Devaney’s full-time coaching staff at the University of Nebraska, he resolved to be a head coach by the time he reached age thirty-five. Little did he know that this goal would chart his course toward becoming one of the nation’s premier football coaches. Six years later in 1972, Devaney named Osborne as head coach of the Nebraska Cornhuskers. ø In high school and college, Osborne had been an outstanding athlete in his own right. He went on to play professional football and to earn his master’s and doctorate degrees in educational psychology. Throughout all these years in sports and academics, he was developing his unusual and inspiring philosophy of coaching, which above all emphasizes the process of athletics. ø In *More Than Winning*, Osborne gives an in-depth personal account of his life—the forces that shaped his values, his own accomplishments in sports, and his experiences as a coach at Nebraska. He describes his philosophy of coaching, shares personal perspectives on football greats, and gives his view of key Nebraska games up through the 1984 Orange Bowl.

Fourteen-year-old Mona isn’t like the wizards charged with defending the city. She can’t control lightning or speak to water. Her familiar is a sourdough starter and her magic only works on bread. She has a comfortable life in her aunt’s bakery making gingerbread men dance. But Mona’s life is turned upside down when she finds a dead body on the bakery floor. An assassin is stalking the streets of Mona’s city, preying on magic folk, and it appears that Mona is his next target. And in an embattled city suddenly bereft of wizards, the assassin may be the least of Mona’s worries;

THE DETECTIVE is a bit of back story for Frederico Esteban Guissepe Gonzaga and his search for the family of Quentin Barnes. THE DETECTIVE takes place from roughly March 2683, to March 2684. Where applicable, the chapters are named to map to the action in THE ALL-PRO (Book III in the Galactic Football League series). The story actually begins, however, on unknown dates during Book II, THE STARTER. In terms of the GFL timeline, THE DETECTIVE runs from roughly Week Seven of the 2683 regular season in THE STARTER through Week Ten of the 2684 regular season in THE ALL-PRO. This novella is part of the Galactic Football League series, which is described as THE BLIND SIDE meets THE GODFATHER meets STAR WARS.

The #1 New York Times best-selling author of *Infected* delivers medieval carnage as a pre-industrial society fights extinction at the hands of a massive infestation of Xenomorphs. Ataegina was an isolated world of medieval castles, varied cultures, and conquests, vibrant until the demons rose and spread relentless destruction. Swarms of lethal creatures with black husks, murderous claws, barbed tails and dreaded "tooth-tongues" raged through the lowlands, killing ninety percent of the planet’s population. Terrified survivors fled to hidden mountain keeps where they eke out a meager existence. When a trio of young warriors discovers a new weapon, they see a chance to end this curse. To save humanity, the trio must fight their way to the tunnels of Black Smoke Mountain--the lair of the mythical Demon Mother. Alien: Phalanx TM & © 2019 Twentieth Century Fox Film Corporation. We’ve always imagined the world coming to an end in spectacular, explosive fashion. But what if - instead - humanity is just destined to slowly crumble? For Jasper and his nomadic tribe, their former life as middle-class Americans seems like a distant memory. Their world took a turn for the worse - and then never got better. Resources are running out, jobs keep getting scarcer, and the fabric of society is slowly disintegrating . . . But in the midst of this all, Jasper’s just a guy trying to make ends meet, find a nice girl who won’t screw him around, and keep his group safe on the violent streets. Soft Apocalypse follows the tribe’s struggle to find a place for themselves and their children in the dangerous new place their world has become.

As America reels from the bizarre presidential assassination committed by a child, seven men are abducted from their normal lives and delivered to a secret government facility. Each man has his own career, his own specialty. All are identical in appearance. The seven strangers were grown---

unwitting human clones---as part of a project called 7th Son. The government now wants something from these "John Michael Smiths." They share the flesh as well as the implanted memories of the psychopath responsible for the president's murder. The killer has bigger plans, and only these seven have the unique qualifications to track and stop him. But when their progenitor makes the battle personal, it becomes clear he may know the seven better than they know themselves.

In the final book in the Infected trilogy, the entire human race balances on the razor's edge of annihilation, beset by an enemy that turns our own bodies against us, that changes normal people into psychopaths or transforms them into nightmares. To some, Doctor Margaret Montoya is a hero—a brilliant scientist who saved the human race from an alien intelligence determined to exterminate all of humanity. To others, she's a monster—a mass murderer single-handedly responsible for the worst atrocity ever to take place on American soil. All Margaret knows is that she's broken. The blood of a million deaths is on her hands. Guilt and nightmares have turned her into a shut-in, too mired in self-hatred even to salvage her marriage, let alone be the warrior she once was. But she is about to be called into action again. Because before the murderous intelligence was destroyed, it launched one last payload: a soda can-sized container filled with deadly microorganisms that make humans feed upon their own kind. That harmless-looking container has languished a thousand feet below the surface of Lake Michigan, undisturbed and impotent . . . until now. Part Cthulhu epic, part zombie apocalypse and part blockbuster alien-invasion tale, Pandemic completes the Infected trilogy and sets a new high-water mark in the world of horror fiction.

Lauren Shippen's The Infinite Noise is a stunning, original debut novel based on her wildly popular and award-winning podcast The Bright Sessions. Caleb Michaels is a sixteen-year-old champion running back. Other than that his life is pretty normal. But when Caleb starts experiencing mood swings that are out of the ordinary for even a teenager, his life moves beyond "typical." Caleb is an Atypical, an individual with enhanced abilities. Which sounds pretty cool except Caleb's ability is extreme empathy—he feels the emotions of everyone around him. Being an empath in high school would be hard enough, but Caleb's life becomes even more complicated when he keeps getting pulled into the emotional orbit of one of his classmates, Adam. Adam's feelings are big and all-consuming, but they fit together with Caleb's feelings in a way that he can't quite understand. Caleb's therapist, Dr. Bright, encourages Caleb to explore this connection by befriending Adam. As he and Adam grow closer, Caleb learns more about his ability, himself, his therapist—who seems to know a lot more than she lets on—and just how dangerous being an Atypical can be. "What if the X-Men, instead of becoming superheroes, decided to spend some time in therapy?"
