The Steal A Cultural History

Sticky Fingers, Hidden Hams: A Shoplifting History : NPR

I say give The Steal: A Cultural History of Shoplifting a whirl. I learned a lot and I wouldn't be opposed to learning more. If you would like to learn more about shoplifting in America, try this website.

The Steal: A Cultural History of Shoplifting - Persistiny Sanaa Hamid did a very fascinating photography project on cultural appropriation. She took photographs of the appropriator and the person whose culture is being stolen from. This juxtaposition of the two sides in one photography series really does help us see why at the heart of it all cultural appropriation is bad and 'corrupting'.

Shteir provides a cultural history of shoplifting spanning several hundred years. This review includes a description of 16th century Elizabethan England 'lifters,' revolutionary shoplifters in 1960's America and present day organized retail crime groups.

The Steal A Cultural History

Rachel Shteir's *The Steal* is the first serious study of shoplifting, tracking the fascinating history of this ancient crime. Dismissed by academia and the mainstream media and largely misunderstood, shoplifting has become the territory of moralists, mischievous teenagers, tabloid

television, and self-help gurus.

The Steal is a slim book with unrealized potential, it's just not at all worth taking. This "cultural history of shoplifting" spans from Hogarthian depictions of English and French mercantile mayhem through candid camera snaps of modern-day mall mauling.

The Steal on Apple Books

As Rachel Shteir makes clear in *The Steal: A Cultural History of Shoplifting*, not everyone who steals consumer goods is as high-minded as Rubin and Hoffman. Some people—the so-called boosters—steal for money, intending to resell the items. Others steal because they want something they cannot afford. *The Steal* -
