According to Rachel

Shteir's The Steal: A Cultural History of Shoplifting, 27 million Americans do have the nerve, and they follow through with this compulsion on a regular basis. Nearly 10 percent...

Sanaa Hamid did a very fascinating photography project on cultural appropriation. She took photographs of the appropriator and the person whose culture is being stolen from. This juxtaposition of the two

sides in one photography series really does help us see why at the heart of it all cultural appropriation is bad and 'corrupting'.

The Steal : NPR

The Steal is a slim book with unrealized potential, it's just not at all worth taking. This “cultural history of shoplifting” spans from Hogarthian depictions of English and French mercantile mayhem through candid camera snaps of modern-day mall mauling.

The Steal A Cultural History

As Rachel Shteir makes clear in *The Steal: A Cultural History of Shoplifting*, not everyone who steals consumer goods is as high-minded

as Rubin and Hoffman. Some people—the so-called boosters—steal for money, intending to resell the items. Others steal because they want something they cannot afford.
