Shteir's "The Steal" is the first serious study of shoplifting, tracking the fascinating history of this ancient crime. Rachel Shteir's *The Steal* is the first serious study of shoplifting, looking to history to reveal the roots of our modern dilemma. Dismissed by academia and the mainstream media and largely misunderstood, shoplifting has become the territory of moralists, mischievous teenagers, tabloid television, and self-help gurus.

?*The Steal on Apple Books*

Shteir's cultural history evinces that reading about it can be just as

exhilarating. Shteir (*Striptease*) unravels the mystery of why 27 million help gurus.

Americans shoplift everything from condoms and Bibles to much more conspicuous items like kayaks and rugs.

Book Review: The Steal: A Cultural History of Shoplifting ...

As Rachel Shteir makes clear in *The Steal: A Cultural History of Shoplifting*, not everyone who steals consumer goods is as high-minded as Rubin and Hoffman. Some people—the so-called boosters—steal for money, intending to resell the items. Others steal because they want something they cannot afford.

The Steal: A Cultural History of Shoplifting by Rachel Shteir

Sanaa Hamid did a very fascinating photography project on cultural appropriation. She took photographs of the appropriator and the person whose culture is being stolen from. This juxtaposition of the two sides in one photography series really does help us see why at the heart of it all cultural appropriation is bad and 'corrupting'.
