I am Sylvia Honeyeater; I think myself born around 1196, and this is the story of my life. I am cursed by folk as an optimist and a dreamer, which is a dangerous combination... 'sylvia' is the story of the Children's Crusade, which occurred in the year 1212, and is perhaps the strangest true event to have taken place in European history. It is also a story of how, throughout some of the darkest medieval times, the redeeming power and strength of a young woman's love and intelligence prevail over poverty, brutality and bigotry. Sylvia was a remarkable, talented and eccentric young woman and this is her story.
