'Detailed and impeccably researched. Eye-

opening' GUARDIAN 'Punchy and well-reported. Sommer is the perfect person to tell this story' NEW YORK TIMES 'The expert on America's right-wing fringe ... With kidnappings, murders, and Satanic rituals, this is a story so bizarre, only Will Sommer could report it' Atlantic For the followers of QAnon, the idea that Donald Trump was anointed by God to stop a depraved deep state government that sexually abuses, kills and eats children is an unquestionable fact. Murray Tepper would say that he is an ordinary New Yorker who is simply trying to read the newspaper in peace. But he reads while sitting behind the wheel of his parked car, and his car always seems to be in a particularly desirable parking spot. Not surprisingly, he is regularly interrupted by drivers who want to know if he is going out. Tepper isn't going out. Why not? His explanations tend to be rather literal: the indisputable fact, for instance, that he has

twenty minutes left on the meter. Tepper's behavior sometimes irritates the people who want his spot. ("Is that where you live? Is that car rent-controlled?") It also irritates the mayor—Frank Ducavelli, known in tabloid headlines as Il Duce—who sees Murray Tepper as a harbinger of what His Honor always calls "the forces of disorder." But once New Yorkers become aware of Tepper, some of them begin to suspect that he knows something they don't know. And an ever-increasing number of them are willing to line up for the opportunity to sit in his car with him and find out. Tepper Isn't Going Out is a wise and witty story of an ordinary man who, perhaps innocently, changes the world around him. **BONUS:** This edition contains an excerpt from Calvin Trillin's *Quite Enough* of Calvin Trillin.

In December 1944 the vicinity was liberated by the Soviets; Sommer, who knew many languages, joined the Soviet secret service, which attempted to track down fascists and Nazi collaborators. While in the Soviet army, Sommer was

also confronted with many cases of antisemitism. After the war he settled in the USA.

Three Stories and a Reflection

Houghton Mifflin

From the internationally acclaimed author of *Measuring the World*, here is a dazzling tragicomedy about the three sons of a lost father. Arthur Friedland is a wannabe writer who one day takes his sons to a performance by the Great Lindemann, Master of Hypnosis. Arthur declares himself immune to hypnosis

and a disbeliever in magic. But the Great Lindemann knows better, and after he extracts Arthur's deepest secrets and tells him to make them real, Arthur empties the family bank account and vanishes. He goes on to become a world-famous author, a master of the mystical. (F is for fake.) But what of his abandoned boys? The painfully shy Martin grows up to be a priest without a vocation. (F is for faith, and lack of it.) Eric becomes a financier on the brink of ruin (F is for fraud), while Ivan, hoping for glory as a painter, instead becomes a forger. (F is for forgery, too.) During the summer before the global financial crisis, they are thrown together again with cataclysmic results. Wildly funny

and heartbreaking, Daniel Kehlmann's novel about truth, family, and the terrible power of fortune is a fictional triumph.
