Walter Roberson. Is there a student
version of MATLAB that is 64-bit? I'm not
talking about the whether there is a
student version that would work on a
64-bit computer system.

This is probably due to the fact that
MATLAB Student is relatively new or
current in the market. So, in order to
support the creators and help them make
improvements to the software, we should
all repay their hard work. An attempt to
