sublimely twisted genius, prompting Carl Hiassen to declare Christopher Moore "a very sick man, in the very best sense of the word." Penguin The beloved, life-affirming international bestseller which has sold over 5 million copies worldwide - now a major film starring Lily James, Matthew Goode, Jessica Brown Findlay, Tom Courtenay and Penelope Wilton To give them hope she must tell their story It's 1946. The war is over, and Juliet Ashton has writer's block. But when she receives a letter from Dawsey Adams of Guernsey - a total stranger living halfway across the Channel, who has come across her name written in a second hand book - she enters into a correspondence with him, and in time with all the members of the extraordinary Guernsey Literary and Potato Peel Pie Society. Through their letters, the society tell Juliet about life on the island, their love of books - and the long shadow cast by their time living under German occupation. Drawn into their irresistible world, Juliet sets sail for the island, changing her life forever.

The Stupidest Angel (v2.0)
 Penguin
 From master of subversive humor Christopher Moore comes a quirky, irreverent novel of love, myth, metaphysics, outlaw biking, angst, and outrageous

redemption. As a boy, he was Samson Hunts Alone—until a deadly misunderstanding with the law forced him to flee the Crow reservation at age fifteen. Today he is Samuel Hunter, a successful Santa Barbara insurance salesman with a Mercedes, a condo, and a hollow, invented life. Then one day, destiny offers him the dangerous gift of love—in the exquisite form of Calliope Kincaid—and a

curse in the unheralded appearance of an ancient god by the name of Coyote. Coyote, the trickster, has arrived to reawaken the mystical storyteller within Sam...and to seriously screw up his existence in the process. Fluke LP Harper Collins
Charlie Asher is a pretty normal guy. A little hapless, somewhat neurotic, sort of a hypochondriac. He's what's known as a Beta Male: the kind of fellow who makes his way through life by being careful and

constant -- you know, the one who's always there to pick up the pieces when the girl gets dumped by the bigger/taller/stronger Alpha Male. But Charlie's been lucky. He owns a building in the heart of San Francisco, and runs a secondhand store with the help of a couple of loyal, if marginally insane, employees. He's married to a bright and pretty woman who actually loves him for his normalcy. And she, Rachel, is about to have their first child. Yes, Charlie's doing okay for a Beta. That is, until the day his daughter, Sophie, is born. Just

as Charlie -- exhausted from the birth -- turns to go home, he sees a strange man in mint-green golf wear at Rachel's hospital bedside, a man who claims that no one should be able to see him. But see him Charlie does, and from here on out, things get really weird. . . . People start dropping dead around him, giant ravens perch on his building, and it seems that everywhere he goes, a dark presence whispers to him from under the streets. Strange names start appearing on his nightstand notepad, and before he knows it, those people end up dead, too. Yup, it seems that Charlie Asher has been recruited for a new job, an unpleasant but utterly necessary one: Death. It's a dirty job. But hey, somebody's gotta do it. Christopher Moore, the man whose Lamb served up Jesus' "missing years" (with the funny parts left in), and whose Fluke found the deep humor in whale researchers' lives, now shines his comic light on the undiscovered country we all eventually explore -- death and dying -- and the results are hilarious, heartwarming, and a hell of a lot of fun.

The Music of Bees Lune Spark Books

The quintessential A to Z guide to British English—perfect for every egghead and bluestocking looking to conquer the language barrier Oscar Wilde once said the Brits have "everything in common with America nowadays except, of course, language." Any visitor to Old Blighty can sympathize with Mr. Wilde. After all, even fluent English speakers can be at sixes and sevens when told to pick up the "dog and bone" or "head to the loo," so they can "spend a penny." Wherever did these peculiar expressions come from? British author Christopher J. Moore made a name for himself on this side of the pond with the

sleeper success of his previous book, *In Other Words*. Now, Moore draws on history, literature, pop culture, and his own heritage to explore the phrases that most embody the British character. He traces the linguistic influence of writers from Chaucer to Shakespeare and Dickens to Wodehouse, and unravels the complexity Brits manage to imbue in seemingly innocuous phrases like "All right." Along the way, Moore reveals the uniquely British origins of some of the English language's more curious sayings. For example: Who is Bob and how did he become your uncle? Why do we refer to powerless politicians as "lame ducks"?

How did "posh" become such a stylish word? Part language guide, part cultural study, *How to Speak Brit* is the perfect addition to every Anglophile's library and an entertaining primer that will charm the linguistic-minded legions.

The Stupidest Angel

HarperCollins

When you can't remember most of your life, you'd better be prepared for anything. The day a talking crow meets her on the way home from school, fourteen-year-old Rosinda is plunged into a forgotten world filled with startling revelations: magic ability flows in her veins, she's most

comfortable with a sword in her hand, and the responsibility for finding a missing prince rests solely with her. While dark forces hover in the background and four forgotten war gods from Earth's past plot to reclaim long-lost power, Rosinda struggles with waves of slowly-returning memories as she searches for clues about her past and the true identity of her family; a search that takes her back and forth between two worlds. In a race against time to recover her memory, find the prince, and rescue her loved ones, Rosinda has only her friend Jerrell and

an unusual trio of animals as companions. And as the gods prepare to bring her world to war, Rosinda is unaware that the shadow of betrayal lurks within one whom she trusts the most... ** This edition includes five full color illustrations. **

Half Asleep in Frog Pajamas William Morrow

A fascinating read for anyone from general readers to hardcore fans and scholars, this encyclopedia covers virtually every aspect of the zombie as cultural phenomenon, including film, literature, folklore, music, video

games, and events. The proliferation of zombie-related fiction, film, games, events, and other media in the last decade would seem to indicate that zombies are "the new vampires" in popular culture. The editors and contributors of *Encyclopedia of the Zombie: The Walking Dead in Popular Culture and Myth* took on the prodigious task of covering all aspects of the phenomenon, from the less-known historical and cultural origins of the zombie myth to the significant works of film and literature as well as video games in the modern day that

feature the insatiable, relentless zombie character. The encyclopedia examines a wide range of significant topics pertaining to zombies, such as zombies in the pulp magazines; the creation of the figure of the zumbie to subvert decades of censorship by the Comics Code of Authority; Humans vs. Zombies, a popular zombie-themed game played on college campuses across the country; and annual Halloween zombie walks. Organized alphabetically to facilitate use of the encyclopedia as a research tool, it also includes entries on

important scholarly works in the expanding field of zombie studies. • Provides comprehensive coverage of topics about or relating to zombies in film, literature, folklore, and popular culture • Features work from contributors who are dedicated scholars, authors, or fans in the zombie genre of work • Supplies dates with all names and works to give readers a sense of the historical context and evolution of zombie lore • Includes concept entries—for example, comedy, free will, and weapons—that place works in a logical, thematic

context
Razzmatazz Harper Collins
In this book-length study of The Satanic Temple, Joseph Laycock, a scholar of new religious movements, contends that the emergence of "political Satanism" marks a significant moment in American religious history that will have a lasting impact on how Americans frame debates about religious freedom. Though the group gained attention for its strategic deployment of outrage, it claims to have developed beyond politics into a religious movement. Equal parts history and ethnography, *Speak of the Devil* demonstrates why religious Satanism is

significant to larger conversations about the definition of religion, religious freedom, and religious tolerance.
It's Beginning to Look a Lot Like Zombies Harlequin
Welcome back to Whispering Wind, Wyoming, where New York Times bestselling author Sherryl Woods proves yet again that family comes first. Heather Reed thought she was making the right choice when she decided to raise her daughter, Angel, on her own. But three years later, Heather realizes she needs help. Her career as an actress is faltering, and Angel's more than she can handle alone. It's time to track down Angel's father...only problem is, he doesn't know

Angel exists. Heather's search leads her to Whispering Wind, Wyoming. If Todd Winston is dismayed to see his old girlfriend show up in town, he's shocked when he looks into the angelic eyes of the little girl who is clearly his daughter. Todd flatly refuses to open his life to Angel. Heather flatly refuses to leave town until she finds out why. Amazingly, they discover that through compromise and understanding lies the road straight to family.

Island of the Sequined Love Nun
Harper Collins
In Christopher Moore's ingenious debut novel, we meet one of the most memorably mismatched pairs in

the annals of literature. The good-looking one is one-hundred-year-old ex-seminarian and "roads" scholar Travis O'Hearn. The green one is Catch, a demon with a nasty habit of eating most of the people he meets. Behind the fake Tudor façade of Pine Cove, California, Catch sees a four-star buffet. Travis, on the other hand, thinks he sees a way of ridding himself of his toothy traveling companion. The winos, neo-pagans, and deadbeat Lotharios of Pine Cove, meanwhile, have other ideas. And none of them is quite prepared when all hell breaks loose.

Bite Me Harper Collins
Take a wonderfully crazed excursion into the demented heart of a tropical paradise—a world of cargo cults, cannibals, mad scientists, ninjas, and talking fruit bats. Our bumbling hero is Tucker Case, a hopeless geek trapped in a cool guy's body, who makes a living as a pilot for the Mary Jean Cosmetics Corporation. But when he demolishes his boss's pink plane during a drunken airborne liaison, Tuck must run for his life from Mary Jean's goons. Now there's only one employment opportunity left for him: piloting shady secret missions for an unscrupulous medical missionary and a sexy blond high

priestess on the remotest of Micronesian hells. Here is a brazen, ingenious, irreverent, and wickedly funny novel from a modern master of the outrageous.

The Music of Bees sings!" --Adriana Trigiani, New York Times bestselling author of *Coyote Blue* Simon and Schuster Welcome to Angel Falls, a deep-south small town in the heart of L.A. (That's Lower Alabama, y'all.) Injury shatters Casey Alexander's dream of becoming a prima ballerina, so she opens a dance studio in her home town of Angel Falls. Among

her students are the daughters of her high-school sweetheart Ben and his wife Melody, Casey's ex-best friend. Witnessing Ben and Melody's happy-ever-after on a weekly basis fuels her determination to find someone of her own to love. But eligible men are scarce as hen's teeth in the quaint little town on the backside of nowhere. Until a sexy Scottish editor, Ian Buchanan, buys the town's failing newspaper. Ian is hot and hunky, intelligent and interesting, easy to fall for. And Casey does fall, hard. Then fate returns Ben to Casey. Torn

between the might've beens of the past and a new dream of the future, Casey must choose between one man she never stopped loving, and another who holds the power to heal her wounded heart. *Come, My Little Angel* Harper Collins Everyone knows about the immaculate conception and the crucifixion. But what happened to Jesus between the manger and the Sermon on the Mount? In this hilarious and bold novel, the acclaimed Christopher Moore shares the greatest story never told: the

life of Christ as seen by his boyhood pal, Biff. Just what was Jesus doing during the many years that have gone unrecorded in the Bible? Biff was there at his side, and now after two thousand years, he shares those good, bad, ugly, and miraculous times. Screamingly funny, audaciously fresh, Lamb rivals the best of Tom Robbins and Carl Hiaasen, and is sure to please this gifted writer's fans and win him legions more.

The Honey Bus

Penguin

Madcap, zany noir set on the mean streets of post-World War II San Francisco. Sammy "Two Toes" Tiffin is the bartender

in a scruffy gin joint, with street connections that make him the go-to guy for just about everything. When one of his schemes goes south and his lady vanishes, Sammy follows a tortuous trail from Chinatown to Telegraph Hill to a hidden forest enclave in a desperate search to find his girl. Meanwhile, a suspicious flying object has been spotted by the Pacific Coast near Mount Ranier, followed by a mysterious plane crash in Roswell, New Mexico ... but the real weirdness is happening in the City by the Bay. The Seventh Crow Harper Collins Just why do humpback whales sing? That's the

question that has marine behavioral biologist Nate Quinn and his crew poking, charting, recording, and photographing very big, wet, gray marine mammals. Until the extraordinary day when a whale lifts its tail into the air to display a cryptic message spelled out in foot-high letters: Bite me. Trouble is, Nate's beginning to wonder if he hasn't spent just a little too much time in the sun. 'Cause no one else on his team saw a thing—not his longtime partner; not their saucy young research assistant; not even the spliff-puffing white-boy Rastaman

Kona (néé Preston Applebaum). But later, when a roll of film returns from the lab missing the crucial tail shot—and his research facility is trashed—Nate realizes that something very fishy indeed is going on.

returns to the mean streets of San Francisco in this outrageous follow-up to his madcap novel *Noir*. San Francisco, 1947. Bartender Sammy “Two Toes” Tiffin and the rest of the Cookie’s Coffee Irregulars—a ragtag bunch of working mugs last seen in *Noir*—are on the hustle: they’re trying to open a driving school; shanghai an abusive Swedish stevedore; get Mable, the local madam, and her girls to a Christmas party at the State Hospital without alerting the overzealous head of the S.F.P.D. vice squad; all while Sammy’s girlfriend,

Stilton (a.k.a. the Cheese), and her “Wendy the Welder” gal pals are using their wartime shipbuilding skills on a secret project that might be attracting the attention of some government Men in Black. And, oh yeah, someone is murdering the city’s drag kings and club owner Jimmy Vasco is sure she’s next on the list and wants Sammy to find the killer. Meanwhile, Eddie “Moo Shoes” Shu has been summoned by his Uncle Ho to help save his opium den from Squid Kid Tang, a vicious gangster who is determined to retrieve a priceless

relic: an ancient statue of the powerful Rain Dragon that Ho stole from one of the fighting tongs forty years earlier. And if Eddie blows it, he just might call down the wrath of that powerful magical creature on all of Fog City. Strap yourselves in for a bit of the old razzmatazz, ladies and gentlemen. It's Christopher Moore time.

The Guernsey Literary and Potato Peel Pie Society Harper Collins

A heartwarming novel from America's most popular living artist journeys to

the picturesque village of Cape Light on the coast of New England, a hamlet populated by colorful inhabitants who share a strong sense of community and caring for their neighbors. Reprint.
