Jessica Farleigh is desperate. She's a courtesan, and when she's asked to seduce Sir Mark and destroy his good name in exchange for enough money to solve all her problems, she agrees. There is, after all, no such thing as a good man, and she should know. She's known men all her life. Sir Mark Turner wrote the book on male chastity—literally—and made a name for himself as an upright moralist. But he's also a romantic, and he's been waiting for the right woman to share his life, his heart, and yes, his bed. Jessica can't fall in love

with him. She can't let herself respect him. And by the time she realizes she's in love with him, it's too late. The only way to win the freedom she needs is to destroy the most honorable man she's ever met. Note: This book was originally released in 2011. This is a rerelease with an added epilogue.

Hold Me HarperCollins
The egotism that fuels the desire for greatness has been associated exclusively with men, according to one feminist view; yet many women cannot suppress the need to strive for greatness. In this forceful and compelling book, Alison

Booth traces through the novels, essays, and other writings of George Eliot and Virginia Woolf radically conflicting attitudes on the part of each toward the possibility of feminine greatness. Examining the achievements of Eliot and Woolf in their social contexts, she provides a challenging model of feminist historical criticism.

How the Vote Was Won BRILL

The Brothers Sinister
Bloomsbury Publishing USA
Francis Marion Beynon's autobiographical novel *Aleta Dey* is increasingly recognised as a small classic of early twentieth-century fiction. Beynon was a journalist and feminist much involved in public affairs in early twentieth-century Manitoba. In 1917, aged 33, she was forced to leave her job as a result of her open pacifism, and she soon moved to New York where she dropped out of the public eye. *Aleta Dey*, first published in 1919, tells in plain and affecting prose the story of a girl growing up in Manitoba, becoming politically conscious, and falling in love with McNair, a man of much more conventional views. The First World War brings a crisis for them both after McNair enlists as a soldier. Though Beynon was a

Canadian, her spare, emotionally open prose may have less in common with that of other Canadian writers of the time than it does with the style of contemporaneous western American women writers such as Willa Cather and Laura Ingalls Wilder. Like Cather's *My Antonia*, Beynon's *Aleta Dey* resonates with prairie simplicity, passion, and strength.

Avenging Muse Broadview Press
Uncovers how women in the West fought for the right to vote. By the end of 1914, almost every Western state and territory had enfranchised its female citizens in the greatest innovation in participatory democracy since Reconstruction. These Western successes stand in profound contrast to the East, where few women voted until after the ratification of the Nineteenth Amendment in 1920, and the South, where African-American men were systematically disenfranchised. How did the frontier West leap ahead of the rest of the nation in the enfranchisement of the majority of its citizens? In this provocative new study, Rebecca J. Mead shows that Western suffrage came about as the result of the unsettled state of regional politics, the complex nature of Western race relations, broad alliances between suffragists and farmer-labor-progressive reformers, and sophisticated activism by Western women. She highlights suffrage racism and elitism as major problems for the movement, and places special emphasis on the political adaptability of Western

suffragists whose improvisational tactics earned them progress. A fascinating story, previously ignored, *How the Vote Was Won* reintegrates this important region into national suffrage history and helps explain the ultimate success of this radical reform.
