"A delectable mixture of ice cream and romance." —Publishers Weekly (starred review) "For fans of Jenny Han." —School Library Journal "A rare, enjoyable portrait of a woman-run business." —Kirkus Reviews From the author of *The Last Boy and Girl in the World* and *The List* comes a bold and sweet summer read about first love, feminism, and ice cream. Summer in Sand Lake isn't complete without a trip to Meade Creamery—the local ice cream stand founded in 1944 by Molly Meade who started making ice cream to cheer up her lovesick girlfriends while all the boys were away at war. Since then, the stand has been owned and managed exclusively by local girls, who inevitably become the best of friends. Seventeen-year-old Amelia and her best friend Cate have worked at the stand every summer for the past three years, and Amelia is "Head Girl" at the stand this summer. When Molly passes away before Amelia even has her first day in charge, Amelia isn't sure that stand can go on. "Greeley's storytelling is intricate, masterly, and delightfully imaginative. Highly recommended."—Library Journal (starred review) In this gorgeously written and spellbinding historical novel based on *Pride and Prejudice*, the author of *The Clergyman's Wife* combines the knowing eye of Jane Austen with the eroticism and Gothic intrigue of Sarah Waters to reimagine the life of the mysterious Anne de Bourgh. As a fussy baby, Anne de Bourgh was prescribed laudanum to quiet her, and now the young woman must take the opium-heavy tincture every day. Growing up sheltered and confined, removed from sunshine and fresh air, the pale and overly slender Anne grew up with few companions except her cousins, including Fitzwilliam Darcy. Throughout their childhoods, it was understood that Darcy and Anne would marry and combine their vast estates of Pemberley

and Rosings. But Darcy does not love Anne or want her. After her father dies unexpectedly, leaving her his vast fortune, Anne has a moment of clarity: what if her life of fragility and illness isn't truly real? What if she could free herself from the medicine that clouds her sharp mind and leaves her body weak and lethargic? Might there be a better life without the medicine she has been told she cannot live without? In a frenzy of desperation, Anne discards her laudanum and flees to the London home of her cousin, Colonel John Fitzwilliam, who helps her through her painful recovery. Yet once she returns to health, new challenges await. Shy and utterly inexperienced, the wealthy heiress must forge a new identity for herself, learning to navigate a "season" in society and the complexities of love and passion. The once wan, passive Anne gives way to a braver woman with a keen edge—leading to a powerful reckoning with the domineering mother determined to control Anne's fortune . . . and her life. An extraordinary tale of one woman's liberation, *The Heiress* reveals both the darkness and light in Austen's world, with wit, sensuality, and a deeply compassionate understanding of the human heart. An in-depth celebration of the romantic comedy's modern golden era and its role in our culture, tracking the genre from its heyday in the '80s and the '90s, its unfortunate decline in the 2000s, and its explosive reemergence in the age of streaming, featuring exclusive interviews with the directors, writers, and stars of the iconic films that defined the genre. No Hollywood genre has been more misunderstood—or more unfairly under-appreciated—than the romantic comedy. Funny, charming, and reliably crowd-pleasing, rom-coms were the essential backbone of the Hollywood landscape, launching the careers of many of Hollywood's most talented actors and filmmakers, such as Julia Roberts and Matthew McConaughey, and providing many of the yet limited creative opportunities women had in Hollywood. But despite—or perhaps because of—all that, the rom-com has routinely been overlooked by the Academy Awards or snobbishly dismissed by critics. In *From Hollywood with Love*, culture writer and GQ contributor Scott Meslow seeks to right this wrong, celebrating and analyzing rom-coms with the appreciative, insightful critical lens they've always deserved. Beginning with the golden era of the romantic comedy—spanning from the late '80s to the mid-'00s with the breakthrough of films such as *When Harry Met Sally*—to the rise of streaming and the long-overdue push for diversity setting the course for films such as the groundbreaking, franchise-spawning *Crazy Rich Asians*, Meslow examines the evolution of the genre through its many iterations, from its establishment of new tropes, the Austen and Shakespeare rewrites, the many love triangles, and even the occasional brave decision to do away with the happily ever after. Featuring original black-and-white sketches of iconic movie scenes and exclusive interviews with the actors and filmmakers behind our most beloved rom-coms, *From Hollywood with Love* constructs oral histories of our most celebrated romantic comedies, for an informed and entertaining look at Hollywood's beloved yet most under-appreciated genre.
