The Persephone Theory Dorrance Publishing

Retells the Greek myth in which Persephone must spend six months out of every year below the Earth in Hades.

*Persephone* Bloom Books

The Queen of the Dead will put everyone to rest. Beware your worship...

The gods never abandoned humankind. They look after their own, the faithful, the discarded, the unclaimed, and reluctantly, each other. In order to keep things interesting, the gods play a game to entertain the teeming ghostly masses of Earth. The Viscera Rasa. Two gods compete for honor and glory by drinking from the River Lethe and entering avatars. The first god to wake from oblivion and declare themselves, wins. In all the excitement, a goddess will be left alone one too many times. By her own husband. The Lord of the Underworld. Her justice, will be the last thing the gods ever see. -Madcap, deadpan, mile-a-minute, romantic comedy of the gods.

**Persephone's Husband** Taylor & Francis

Persephone is held captive by the dark and commanding Aidon, the God of the Underworld, who binds her to him, claiming her bit by glorious bit as his own. Her coming of age is one of sexual awakening as she learns the bondage her new master imposes fulfills her darkest desires. But forced to face the looming specter of her history, it threatens to shatter the newly formed bonds between the couple.

**TEMPTING THE GOD** Excessica Publishing

The capital erupts. Their forces swollen with the raised dead, the fae armies overwhelm the empire's legions and crush them in one

bloody day. In the wake of the battle... Magdalia tries to make her husband Duranth, the Croith, see that their magic has no concern for their people. It only wants blood. Can she hold it back, or will she and her king be swallowed whole in the ecstatic madness of dark power? Naxus Albus, dux bellorum, deserts the legions for the love of a woman he calls Galvia. What he doesn't know is that she's a fae spy, and that she was sent by his half brother Larent to destroy him. Olirius Cassus knows the fae woman Isha in his cage is useless to him in the wake of the capital's demise. He should kill her. But it does seem a waste to destroy something so pretty. Prantia Onivia is safe on the other side of the mountains in Emmessia, where she will do anything to protect her unborn child, even court the attention of the Emmessian emperor. Legatus Larent isn't dead for some reason, even though that's what he deserves. If he can't die, he'll protect his people, even if that means protecting them from their own Night King, who is increasingly erratic and violent. Above all, most importantly, he'll stay away from Onivia. Forever.

**The Surrender of Persephone** Margaret K. McElderry Books

The Persephone Theory By: Namir Thompson The Persephone Theory is one of the most interesting stories to read and by far one of the best books to mix comedy with horror and history. The Persephone Theory begins with the Greek myth coming to life as the goddess of harvest and fertility, Persephone, daughter of Zeus and Demeter, is taken by her uncle Hades to live in the underworld to become its queen, but is allowed to live amongst the humans possessing the one called Persephone. This Persephone is arguent to those who love and hate her, and make all who stand in her way pay with their own blood. Persephone, mad at existence, leaves her children behind to face their own demands and are granted everlasting life. The children of Persephone roam on Earth, daring any and everything to stop them or die

trying. They leave the message that power is being abused, people are being used as puppets, and that life is an everlasting cycle of rebirth and vengeance.

**A Touch of Ruin** Sourcebooks, Inc.

The god of hell wants me to be his queen. I've screwed up. Big time. A day ago, I mistakenly released the evil Titan Chronos onto the Earth. He's spreading devastation in his pursuit of ultimate power, and it's all my fault. The only way to stop him is to fulfil an ancient prophecy and unite with Hades. Problem is, Hades plans to rule in Chronos' place, spreading the underworld to earth. He wants me to rule by his side, a dark queen to his dark king. As much as I want Hades-I might even be growing to love him-I can't be part of something so terrible.

Underneath Hades' dark exterior, I know there is goodness inside. My only hope is to convince him to turn to the light, because I'm afraid I can't live without him.

**A Touch of Chaos** Bloom Books

The courts divided. A heart broken. A lover lost. Reeling from the loss of Hades, Persephone grudgingly takes on the mantle of Queen of the Underworld, a role she struggles to fill. Obsessed with reopening the way to Tartarus and finding her mate, Persephone must balance her responsibilities as queen with following her heart... or risk the destruction of the entire human race. For something is stirring in the pit, and betrayal will come from unexpected places...

**The Routledge Companion to British Women's Suffrage** Punk Rawk Books

"Fan favorite Scarlett St. Clair expands her universe of New Greece and the Hades and Persephone retellings with a new series told in Hades's point of view. Rediscover the world of A Touch of Ruin through the eyes of the God of the Underworld, Hades, as he tries to balance the demands of his position while maintaining his relationship with Persephone"--

*Stolen by the Shadow King* Bloom Books

"Scarlett St. Clair's sexy and addictive Hades X Persephone series continues. Persephone's relationship with Hades is now in the public eye, but a horrible tragedy leaves her more confused than ever about her future as Hades's queen"--

### **Pomegranate**

Their love inspired a legend, but first, it will ignite a war in this gender-swapped Hades and Persephone reimagining. History tells of Zeus, Poseidon, and Hades, the three ruling brothers of Mount Olympus, but history is mistaken. In the beginning, Hades was not a god but merely an immortal woman loved and then betrayed by Zeus. Her fall from grace exiles her to the Underworld, a realm absent a god since the dawn of creation and rampant with chaos and decay. But Hades is destined for a dark and terrible greatness, and the Underworld welcomes her with open arms. Hell has finally found its god. Zeus' betrayal will not go unpunished. Hades' disgrace will have its vengeance, but destiny intervenes, and Hades is faced with choosing between revenge and the unexpected love of a handsome but mortal farmer. Pomegranate is the first book in this Greek Mythology reimagining and is perfect for fans of Madeline Miller, Sarah J. Maas, and *The Witcher*. \*2nd Edition/2020--The story remains the same, but significant changes to the writing and editing have been made.

### ***A Touch of Malice***

Erotic, heart-wrenching, vivacious and wildly gushing images like the fountain of youth, this book of love poems is not for the faint-of-heart. These original poems by depth psychologist and soul guide Amy Beth Katz are seeped in the motif of Persephone and Hades. According to Greek Mythology, the young and beautiful Persephone is abducted by the King of the Underworld, and dragged down to his shadowy lair, where the horror and loneliness of death awaits, but so do the carnal, carnival delights that Hades has in store for his vulnerable bride. Meanwhile, her Mother Demeter's grief is so overwhelming, the plants of the earth stop growing. Zeus, recognizing the fate of the world is at stake, ends Hermes the Messenger to negotiate with Hades, in the hope of retrieving the innocent from the Underworld. The archetypal patterns of this myth, which all lovers can relate to, is woven into each poem. The book as a whole is a coming of age story. Each poem touches deeply into the theme of the power of the pursuit of passion, and its many pitfalls, since people can be as cruel in their full humanity, even as they are compassionate in their Godliness. Alas, over time,

Persephone accepts her fate, even as she goes kicking and screaming along the way, as all those who are true to their own hearts must do. This is essentially a book of Alchemy. Eventually, she claims her rightful position as Queen of the Underworld, spending half the year down below with her lord and husband, and the other half above as an Earth Goddess, tending to the gardens and planting seeds: metaphors, all, for the author's own journey through the darkest recesses through the heart of the Underworld, and the greatest heights of joyful abandonment in the sunlight of erotic love. The Alchemical Marriage is achieved. This is a gift to anyone who has ever lost, and found a deeper version of themselves, in the throes of longing for a passionate union with a mythical soulmate, who may or may not exist mostly in the oceanic imagination.

### ***Queen of Night***

AN INSTANT #1 NEW YORK TIMES BESTSELLER The world will burn in the final installment of Scarlett St. Clair's bestselling Hades X Persephone saga. The gods are at war, the Titans have been released, and Hades and Persephone must fight tooth and nail for their happy ending. Persephone, Goddess of Spring, never guessed that a chance encounter with Hades, God of the Underworld, would change her life forever—but he did. Now embroiled in a fight for humanity and battles between the gods, Persephone and Hades have entered a world they never thought they would see. To end the chaos, Persephone must draw upon her darkness and embrace who she's become—goddess, wife, queen of the Underworld. Once, Persephone made bargains to save those she loves. Now, she will go to war for them.

### **Persephone's Pathway**

The suffrage movement remains the largest autonomous political movement of women in British history. The Routledge Companion to British Women's Suffrage provides a comprehensive survey of state-of-the-art contemporary scholarship on this movement. Arranged across four thematic sections, this volume explores the range of developments in suffrage research since the 1990s, combining a range of scholars' unique insights to offer a much more complete picture of the British suffrage campaign. Each section provides a thoroughgoing overview of different approaches that have underpinned studies of the British suffrage movement, across disciplines ranging from history and gender studies, to literature, digital humanities, and sociology. Sections also explore the various aspects of the material cultures of the

suffrage campaign, the variety of suffrage organisations, and the legacies of the movement. The Routledge Companion to British Women's Suffrage is an essential handbook for those studying the history, sociology, and politics of the suffrage movement, with a valuable insight into contemporary developments in research.

### ***The Swell and Crash of Surrender***

The Goddess Persephone is the epitome of duality; as the Spring Maiden she revitalises the earth with abundance and light, and as the Queen of the Underworld she transforms and rejuvenates in the dark. Persephone's Pathway is one of balance and harmony that teaches us to live with the ebb and flow of the earth, developing our own craft along the way. A devotional book full of wisdom, spells and rituals that shows you how to manifest abundance with the Spring Maiden, and heal your inner wounds through shadow work with the Dark Goddess. Connect with the dual goddess archetype on your journey of spirituality that blends together Goddess wisdom with modern witchcraft. Unify the dark and light aspects together to experience how they shine a light on each other in this celebration of wholeness and authenticity.

### **Persephone's Revenge**

Persephone and Hades are engaged. In retaliation, Demeter summons a snowstorm that cripples New Greece, and refuses to lift the blizzard unless her daughter calls off her engagement. When the Olympians intervene, Persephone finds her future in the hands of ancient gods, and they are divided. Do they allow Persephone to marry Hades and go to war with Demeter or prohibit their union and take up arms against the God of the Dead? Nothing is certain but the promise of war.
