Zoë's then-debut novel, *The Swan Kingdom*, is shaped after Hans Christian Anderson's *The Wild Swans* (which is a variation of *The Six Swans* by the Brothers Grimm). At the same time, *The Swan Kingdom* is like neither tale. It takes on a life of

its own, full of lore that never existed in the original telling.

The Swan Kingdom by Zoë Marriott is one of my favorite fairy tale retellings of all time. I love it. Zoë has taken the old tale, *The Wild Swans* and made it completely her own. She wrote us an absolutely lovely guest post that talks about the book far better than I could, so I'm going to link it here.
