So Far From God CNIB, 197

Publisher Description

The Tattooed Girl HarperCollins

"A delightful novel...impossible to resist." —Barbara Kingsolver, Los Angeles Times Book Review Sofia and her fated daughters, Fe, Esperanza, Caridad, and la Loca, endure hardship and enjoy love in the sleepy New Mexico hamlet of Tome, a town teeming with marvels where the comic and the horrific, the real and the supernatural, reside.

Talk Dirty to Me Wayne State University Press

A unique gothic romance with an enticing undercurrent of fairytale and darkness. Perfect for teen girls

Foxfire Random House Incorporated

#1 NEW YORK TIMES BESTSELLER Michelina Bellsong is on a mission. She is following a missing family to the edge of America . . . to a place she never knew existed—a place of terror, wonder, and shattering revelation. What awaits her there will change her life and the life of everyone she knows—if she can find the key to survival. At stake are a young girl of extraordinary goodness, a young boy with killers on his trail, and Micky's own wounded soul. Ahead lie incredible peril, startling discoveries, and paths that lead through terrible darkness to unexpected light.

Varieties of Exile Universe

Written with the raw honesty and poignant insight that were the hallmarks of her acclaimed bestseller *A Widow's Story*, an affecting and observant memoir of growing up from one of our finest and most beloved literary masters. *The Lost Landscape* is Joyce Carol Oates' vivid chronicle of her hardscrabble childhood in rural western New York State. From memories of her relatives, to those of a charming bond with a special red hen on her family farm; from her first friendships to her earliest experiences with death, *The Lost Landscape* is a powerful evocation of the romance of childhood, and its indelible influence on the woman and the writer she would become. In this exceptionally candid, moving, and richly reflective account, Oates explores the world through the eyes of her younger self, an imaginative girl eager to tell stories about the world and the people she meets. While reading Alice in Wonderland changed a young Joyce forever and inspired her to view life as a series of endless adventures, growing up on a farm taught her harsh lessons about sacrifice, hard work, and loss. With searing detail and an acutely perceptive eye, Oates renders her memories and emotions with exquisite precision, transporting us to a forgotten place and time—the lost landscape of her youth, reminding us of the forgotten landscapes of our own earliest lives.

Silk (Movie Tie-in Edition) A&C Black

Tattoos have gone from badges of rebellion to fashion statements fully absorbed into mainstream culture. They are enjoying a renaissance, with graphic designers and artists creating specialty tattoos for a growing audience, unleashing a revival of interest in the bawdy vintage tattoo. Old school tattoos are being rediscovered (sometimes ironically, sometimes not) by a new generation. Originally embraced by rebels, sailors, and gangsters, these tattoos—broken hearts, naked girls, floral motifs, and maritime emblems—are now showing up on the fashion runway and in music videos. This book chronicles vintage motifs in thematic chapters interspersed with profiles of influential tattoo artists and their distinctive designs: Sailor Jerry Collins, Don Ed Hardy ("the Godfather of Tattoos"), Mike "Rollo Banks" Malone, Bert Grimm, Japan's Horiyoshi III, and Shanghai's Pinky Yun.

The Piano Tuner Vintage

A spellbinding novel that will resonate with readers of Mark Haddon, Louise Erdrich, and John Irving, Perfect tells the story of a young boy who is thrown into the murky, difficult realities of the adult world with far-reaching consequences. Byron Hemmings wakes to a morning that looks like any other: his school uniform draped over his wooden desk chair, his sister arguing over the breakfast cereal, the click of his mother's heels as she crosses the kitchen. But when the three of them leave home, driving into a dense summer fog, the morning takes an unmistakable turn. In one terrible moment, something happens, something completely unexpected and at odds with life as Byron understands it. While his mother seems not to have noticed, eleven-year-old Byron understands that from now on nothing can be the same. What happened and who is to blame? Over the days and weeks that follow, Byron's perfect world is shattered. Unable to trust his parents, he confides in his best friend, James, and together they concoct a plan. . . . As she did in her debut, *The Unlikely Pilgrimage of Harold Fry*, Rachel Joyce has imagined bewitching characters who find their ordinary lives unexpectedly thrown into chaos, who learn that there are times when children must become parents to their parents, and who discover that in confronting the hard truths about their pasts, they will forge unexpected relationships that have profound and surprising impacts. Brimming with love, forgiveness, and redemption, Perfect will cement Rachel Joyce's reputation as one of fiction's brightest talents. Praise for Perfect "Touching, eccentric . . . Joyce does an inviting job of setting up these mysterious circumstances, and of drawing Byron's magical closeness with Diana."—Janet Maslin, *The New York Times* "Haunting . . . compelling."—*Minneapolis Star Tribune* "[Joyce] triumphantly returns with Perfect. . . . As Joyce probes the souls of Diana, Byron and Jim, she reveals—slowly and deliberately, as if peeling back a delicate onion

skin—the connection between the two stories, creating a poignant, searching tale."—*O: The Oprah Magazine* "Perfect touches on class, mental illness, and the ways a psyche is formed or broken. It has the tenor of a horror film, and yet at the end, in some kind of contortionist trick, the narrative unfolds into an unexpected burst of redemption. [Verdict:] Buy It."—*New York* "Joyce's dark, quiet follow-up to her successful debut, *The Unlikely Pilgrimage of Harold Fry*, could easily become a book club favorite. . . . Perfect is the kind of book that blossoms under thoughtful examination, its slow tendencies redeemed by moments of loveliness and insight. However sad, Joyce's messages—about the limitations of time and control, the failures of adults and the fears of children, and our responsibility for our own imprisonment and freedom—have a gentle ring of truth to them."—*The Washington Post* "There is a poignancy to Joyce's narrative that makes for her most memorable writing."—*NPR's All Things Considered*

Big Mouth & Ugly Girl Houghton Mifflin Harcourt

From award-winning, bestselling author, Imogen Keeper, comes a sexy page-turner romance with twists and turns and lots of dirty talking. It began online with a single message. Two strangers, shedding layers, moving apart then near. A dance of words. One question more. One deeper confidence. One raw admission. Circling closer with every strike of the key. Maybe it could have happened with anyone, but I don't think so. I think it was just something about the strange, f*cked-up oppositional force of us. Direct messages became text messages, and text messages became stolen phone calls, hot whispers in the night, dirty pictures, and filthy words. And when phone calls weren't enough, it got real. He ruined my life, destroyed everything I always wanted, showed me who I really am. He ripped apart the fabric of my life, exploded it with lies and secrets and darkness and painful truths. He was a hitman. I was his target. He was stalking me all along, and now he was going to find whoever wanted me dead. He was never going to let me go. This is our story. If you love stories with huge hot tattooed hitmen, secrets and lies, mystery, humor and explosive heat, this is the story for you. HEA guaranteed, full-length standalone, no fades to black, nothing but fun. WARNING: This is a story about a heartless hitman hired to kill a woman. He stalks her for his job and falls in love. If that idea offends you, this story probably isn't for you.

Mudwoman New York Review of Books

There is a particular flavor to the loneliness that comes from living in a city, surrounded by thousands of strangers. This roving cultural history of urban loneliness centers on the ultimate city: Manhattan, that teeming island of gneiss, concrete, and glass. How do we connect with other people, particularly if our sexuality or physical body is considered deviant or damaged? Does technology draw us closer together or trap us behind screens? Laing travels deep into the work and lives of some of the century's most original artists in a celebration of the state of loneliness.

Sacred Hearts Bantam

From the New York Times bestselling author of *Swing Time* and one of the most revered writers of her generation comes an "intelligent . . . exquisitely clever [novel] about fame, mortality, and the triumph of image over reality" (*The Boston Globe*). Alex-Li Tandem sells autographs. His business is to hunt for names on paper, collect them, sell them, and occasionally fake them—all to give the people what they want: a little piece of Fame. But what does Alex want? Only the return of his father, the end of religion, something for his headache, three different girls, infinite grace, and the rare autograph of forties movie actress Kitty Alexander. With fries. *The Autograph Man* is a deeply funny existential tour around the hollow trappings of modernity: celebrity, cinema, and the ugly triumph of symbol over experience. It offers further proof that Zadie Smith is one of the most staggeringly talented writers of her generation.

Some Pigtailed Ecco

"Oates is just a fearless writer...with her brave heart and her impossibly lush and dead-on imaginative powers." —*Los Angeles Times* "[An] extraordinarily intense, racking, and resonant novel." —*Booklist* (starred review) One of the most acclaimed writers in the world today, the inimitable Joyce Carol Oates follows up her searing, New York Times bestselling memoir, *A Widow's Story*, with an extraordinary new work of fiction. *Mudwoman* is a riveting psychological thriller, taut with dark suspense, that explores the high price of repression in the life of a respected university president teetering on the precipice of a nervous breakdown. Like Daphne DuMaurier's gothic masterwork, *Rebecca*, and the classic ghost story, *The Turn of the Screw*, by Henry James, Oates's *Mudwoman* is a chilling page-turner that hinges on the power of the imagination and the blurry lines between the real and the invented—and it stands tall among the author's most powerful and beloved works, including *The Falls*, *The Gravedigger's Daughter*, and *We Were the Mulvaney's*.

My Sister, My Love Random House

New York Times best-selling author of ten genre-bending novels Jonathan Lethem helms this collection of the year's best mystery short fiction. Jonathan Lethem, "one of America's greatest storytellers" (*Washington Post*), selects the best short mystery and crime fiction of the year in this annual "treat for crime-fiction fans" (*Library Journal*).

The Last Great Road Bum Penguin

Most Polish Jews who survived the Second World War did not go to concentration camps, but were banished by Stalin to the remote prison settlements and Gulags of the Soviet Union. Less than ten percent of Polish Jews came out of the war alive—the largest population of Jews who endured—for whom Soviet exile was the main chance for survival. Ellen G. Friedman's *The Seven, A Family Holocaust Story* is an account of this displacement. Friedman always knew that she was born to Polish-Jewish parents on the run from Hitler, but her family did not describe

themselves as Holocaust survivors since that label seemed only to apply only to those who came out of the concentration camps with numbers tattooed on their arms. The title of the book comes from the closeness that set seven individuals apart from the hundreds of thousands of other refugees in the Gulags of the USSR. The Seven—a name given to them by their fellow refugees—were Polish Jews from Warsaw, most of them related. *The Seven, A Family Holocaust Story* brings together the very different perspectives of the survivors and others who came to be linked to them, providing a glimpse into the repercussions of the Holocaust in one extended family who survived because they were loyal to one another, lucky, and endlessly enterprising. Interwoven into the survivors' accounts of their experiences before, during, and after the war are their own and the author's reflections on the themes of exile, memory, love, and resentment. Based on primary interviews and told in a blending of past and present experiences, Friedman gives a new voice to Holocaust memory—one that is sure to resonate with today's exiles and refugees. Those with an interest in World War II memoir and genocide studies will welcome this unique perspective.

We Were the Mulvaneys Createspace Independent Publishing Platform
Moby Dick és la novel·la més important de Melville. Explica l'obsessió d'un home, el capità Ahab, per matar Moby Dick, una balena en la qual veu l'encarnació del Mal. Ahab actua mogut per l'odi a l'animal que, una vegada, li va arrencar una cama. Però, per sobre del ressentiment, predomina la seva convicció que Moby Dick és un ésser malèfic que el destí ha decidit posar davant d'ell perquè el mati o perquè mori en l'intent.

Chime Penguin

New York Times bestselling author Joyce Carol Oates's strongest and most unsparing novel yet—an always engrossing, often shocking evocation of female rage, gallantry, and grit. The time is the 1950s. The place is a blue-collar town in upstate New York, where five high school girls join a gang dedicated to pride, power, and vengeance on a world that seems made to denigrate and destroy them. Here is the secret history of a sisterhood of blood, a haven from a world of male oppressors, marked by a liberating fury that burns too hot to last. Above all, it is the story of Legs Sadovsky, with her lean, on-the-edge, icy beauty, whose nerve, muscle, hate, and hurt make her the spark of Foxfire: its guiding spirit, its burning core. At once brutal and lyrical, this is a careening joyride of a novel—charged with outlaw energy and lit by intense emotion. Amid scenes of violence and vengeance lies this novel's greatest power: the exquisite, astonishing rendering of the bonds that link the Foxfire girls together. Foxfire reaffirms Joyce Carol Oates's place at the very summit of American writing.

Improvement Vintage

Today, "Love Canal" is synonymous with the struggle for environmental health and justice. But in 1972, when Lois Gibbs moved there with her husband and new baby, it was simply a modest neighborhood in Niagara Falls, New York. How did this community become the poster child for toxic disasters? How did Gibbs and her neighbors start a national movement that continues to this day? What do their efforts teach us about current environmental health threats and how to prevent them? *Love Canal* is Gibbs' original account of the landmark case, now updated with insights gained over three decades.

Black Water Island Press

New York Times bestselling author Joyce Carol Oates' imaginative look at the last days of five giants of American literature, now available in a deluxe paperback edition in Ecco's *The Art of the Story Series*. Edgar Allan Poe, Emily Dickinson, Samuel Clemens ("Mark Twain"), Henry James, Ernest Hemingway—Joyce Carol Oates evokes each of these American literary icons in this work of prose fiction, poignantly and audaciously reinventing the climactic events of their lives. In subtly nuanced language suggestive of each of these writers, Oates explores the mysterious regions of the unknowable self that is "genius." Darkly hilarious, brilliant, and brazen, *Wild Nights!* is an original and haunting work of the imagination.

The Wheel of Love WW Norton

Beautifully redesigned, Joyce Carol Oates's most popular earlier novel, which explores the psyche of a preadolescent killer, is now back in print, with an afterword by the author.

Wild Nights! HarperTeen

The year is 1861. Hervé Joncour is a French merchant of silkworms, who combs the known world for their gemlike eggs. Then circumstances compel him to travel farther, beyond the edge of the known, to a country legendary for the quality of its silk and its hostility to foreigners: Japan. There Joncour meets a woman. They do not touch; they do not even speak. And he cannot read the note she sends him until he has returned to his own country. But in the moment he does, Joncour is possessed.
